## 2. Process Undertaken 2025 Dogs West Election

Vero Voting offered eligible Dogs West members with three (3) voting methods. The types and use of each method in 2025 were as follows:

- a. Online: 535
- b. Telephone: 1
- c. Postal: 15

Online votes are automatically collated on an independent platform which no Dogs West representative had access to view during the election period. Zero votes were found invalid.

Telephone votes are where a member rang for support and Vero assisted them to vote online. Each member was verified by security questions by a trained support Vero official.

There were no ballots received at a secured Ballot Box from Dogs West. Postal votes were entered into the online platform to combine the totals. A results PDF is generated, secured and emailed to DOGS WEST as a formal declaration.

## 3. Vero Voting Independence Declaration

The Election DOGS WEST COUNCIL ELECTIONS vote has been managed and declared independent of Dogs West.

No individual vote has been disclosed to Dogs West.

The Election result has been audited, and the declared result is assured. Regards,
