Help your schedule submission go smoothly

To help us process schedules as efficiently as possible, we ask that clubs wait until all required documents are ready before sending through their schedule submission.

Multiple emails relating to the same schedule can be difficult to track and may slow down the approval process.

When you're ready, **please submit everything together in one complete email**, including:

- **A completed Schedule Submission Form**
- **All signed and completed judges' contracts**
- **A Hire of Centre form, if applicable**

Share Your Club News with Us!

Dogs West loves celebrating the great things our affiliated clubs are doing — and we know there's plenty happening across the State!

Whether it's a successful trial or show, a milestone anniversary, a volunteer achievement, or an upcoming Fun Day, or "come and try" event, we'd love to help spread the word.

Sharing your club news not only promotes your event or achievement, it also:

- Highlights the hard work of your members and volunteers
- Encourages participation from the wider Dogs West community
- Helps showcase the variety of activities and opportunities available across dog sports and companion events

quickly and reduces the need for follow-up emails.

We're always working to keep our processes as smooth and efficient as possible and truly appreciate your cooperation and understanding. Thank you for helping us help you! 🐾
