📖 Canine News Schedules

To ensure your schedule is processed quickly and efficiently, clubs must submit all required documents together in a single email. **Submissions sent in parts or multiple emails will not be accepted** and will delay approval.

A complete schedule submission must be submitted by the club secretary and include:

- Schedule Advertising Form
- Fully completed Judges' Contracts (signed by both the judge and club secretary)
- Hire of Centre Form, if applicable

Submitting a full, complete package allows us to review and approve schedules promptly and avoids unnecessary follow-ups.

Thank you for your cooperation in helping us keep the process smooth and efficient.

What This Means for Clubs

- The updated form is now live on the Dogs West website.
- **For all future event submissions, please ensure you are using the current Schedule Advertising Form available online.**
- Previous saved versions should be discarded to avoid delays in processing.

Using the updated form will help reduce back-and-forth communication regarding missing information and allow for smoother approvals and advertising.

Thank you for your cooperation and for the continued work you do in delivering quality events for our members and exhibitors.
