Dogs West Membership Requirement

Exhibitors must be current Dogs West members to be eligible to enter sanctioned shows and trials. While this is well understood by long-standing members, newer club members may not yet be aware of this requirement.

We encourage clubs to help share this information with new members at the time of joining, to avoid any confusion or disappointment when entering events.

For further information on Dogs West membership, please direct members to contact the Dogs West office.

Suspensions - Aggressive Dog

A list of currently suspended aggressive dogs as advised by the relevant Member Bodies is available here.

Kitchen Responsibilities

Clubs are reminded that it is their responsibility to ensure the kitchen areas are left clean and tidy after use. This includes completing all washing up, removing or storing food appropriately, and ensuring items such as milk are not left behind.

Taking the time to leave the space in good order helps maintain shared facilities for all users and reduces the workload on volunteers and staff. Your cooperation is appreciated.

📖 Canine News Schedules

This is a friendly reminder that the closing date for submitting schedules for publication in the July/August edition is **15 May.**

While this is the official deadline, we strongly encourage clubs to submit their schedules as soon as they are ready, rather than waiting until the closing date. Early submissions allow our team sufficient time to review your Schedule Advertising Forms and follow up on any amendments or clarifications if required.
