As I write this, I can see the National Agility Working Party packing up after a fabulous week of national trials. I look forward to sharing the full report and photos in the next edition. I must say the working party exuded calm through planning and delivery, unlike I have seen in the event space over my career. Well done to all of you!

My focus this past month has been reviewing financial data, quotes and

considering all options for the 2023/24 Budget. We held additional budget meetings in May, seeking the best budget possible without cutting the cloth too short.

There were a lot of tough decisions to be made and I thank the Executive, Finance and Governing Council for their contributions and insights during these discussions. Our goal is to provide a financial plan that supports its members and affiliated clubs for the long haul.

In the coming 5 years there are also a number of larger maintenance works planned, the development of the carpark and entry on to Warton Road, new fencing and gates and a number of necessary projects to improve the systems and processes internally plus a new website.

As an organisation we are growing, albeit slowly at a little over 1%, and income is also growing slightly, however not to the extent required to match the expenses. We have a plan to develop business growth projects to improve these outcomes over time. This will take my focus for the months to come.

We are a great and important organisation that at its core, and according to our Constitution, are here to promote and encourage the breeding of pedigreed dogs; as well as to promote, foster and encourage the welfare and care of dogs.

We have so much to share with the WA public and I look forward to finding ways to increase our exposure, while managing the operations and supporting our affiliated Clubs and members.

*Marzel Norton, Chief Executive Officer*

### Reminder to breeders:

#### YOU MUST NOW TRANSFER ALL PUPPIES SOLD WITHIN 90 DAYS.

Since October 2021, it is the responsibility of the current owner to transfer all dogs sold/disposed of, within 90 days of the change of ownership.

In the case of a litter, as the current owner, you are required to complete and lodge an 'Application To Transfer' for each puppy you are not keeping.

If you do not want to transfer a dog to its new owner for any reason (e.g. you are placing breeding/showing stock and want to keep it in your registered ownership) then you need to complete a 'Non-transfer Agreement' with the new owner and submit this in place of a transfer of ownership. There are a number of rules governing non-transfer agreements. See the updated R Regulations below.

Limited Register dogs, will require the signature of the new owners to be transferred. The Limited Register Agreement will be sufficient for this purpose and can be attached to the Certified Pedigree for lodgement.

Main Register Dogs with endorsements will require new owners signature to be transferred. An application to transfer lease a dog should be used for this.

If you have any questions about your obligations, please contact the office.

### 2023 National Agility Trial.

Congratulations to Co-Chairs Gail and Simone and everyone in the National Agility Working Party on a successful event at the end of May. Cancelled twice during the pandemic, the event was a challenge for the Working Party who, over a long period of time, worked together seamlessly and produced an event to be remembered. Well done.

We sometimes forget the work and hard yards that so many of the Dogs West working parties put in to provide events and programs across the spectrum of our activities. We all owe them our sincere thanks.

### Budget 2023/2024

Governing Council and the Finance Committee have spent many hours working on the proposed budget for next financial year.

The aim has always been to present a balanced budget, whilst maintaining an investment base for future development and asset maintenance. Our investments also earn the Association valuable income.

During the pandemic the Association supported our Members and Affiliates by having no fee increases; the Association was supported by the Government's Jobkeeper allowance.

With a deficit outcome likely for the 2022/2023 financial year and ongoing falling income, Governing Council has made the decision that fees must increase to cover costs. Fees are based on the user pays principle adopted by Governing Council quite some time ago, as being a fair and equitable way to manage costs versus income.

All costs and income are heavily scrutinised and will continue to be as we progress through the year.

### Elections

Nominations for Vice President and Councillors have closed. I encourage all Members to consider the candidates who have nominated and to vote. Dogs West is a Member organisation, and this is your opportunity to support the nominees.

### Country Events

I recently attended the Conformation Shows in Geraldton and was once again reminded of the friendly atmosphere of these events, put on by often very small Committees who put in many hours of hard work to make them happen. We only have a handful of these events available now, and they deserve our ongoing support and participation.

*Pamela Campbell, President*

### RETRACTION - MAY/JUNE ISSUE.

Dear Members

It is with regret, I advise that due to current contractual arrangements, Dogs West terminates the Sponsorship Agreement with Cherish, aimed at offering discounts to members via Allpet Products.

I sincerely apologise for any inconvenience caused.

This in no way is a reflection on Cherish Pet Foods, who continue to support Clubs with sponsorship at events.

We thank all Dogs West and Club sponsors who contribute to making the shows and trials bigger and better.

We will enthusiastically continue to explore and seek non-pet food sponsors to grow the value and benefits to members of Dogs West.

Warm regards

Marzel Norton - Chief Executive

My name is Heather Jones I have been serving you as a Governing Councillor since 2014. I am now wanting to do more for you and seek your vote as Vice President for Dogs West in this 2023 election.

I am the Chair of the Marketing Working Party which involves me leading the organisation of our Dogs West Open Day. I am currently the Chair of our members Education WP. I serve on the Executive Team as voted in by my fellow GC. I am also the Convenor for Hounds to help educate our trainee judges.

My background is Marketing and business so this helps me understand how to promote Dogs West to our members and Members of the Public and as a Regional Sales Manager I understand how to lead a team to great success.

I enjoy giving back to our members in this sport I love so much.

### PETER PRIMROSE

I have been a member of Dogs West for 45 years. It has been my privilege to assist Dogs West in various roles including 6 years as President.

In my professional career I have over 35 years' experience in Management, specifically business operations, budgeting and staff management. I believe this experience and my passion and knowledge of Dogs West regulations would be an asset to the Association and its membership.

When I first became a Governing Councillor, our Association was in financial turmoil, I feel that along with some other well-respected Councillors and Association employees, we were instrumental in positioning Dogs West towards financial stability.

I believe this position should make you accessible to our members and a voice for the members. I will always have the best interest of Dogs West and its members as my priority.

### ANN RUSHBY

I believe that members are the heart of Dogs West, and that our members must be at the centre of our service delivery and advocacy.

It has been my honour to serve Dogs West in various roles, including as President, Chief Executive Officer, Chairperson Western Classic.

This experience has provided me with a comprehensive understanding of all disciplines and the regulations, and the ability to equally represent the interests of members across all programmes facilitated by the Association.

I believe in open and transparent communication and will be accessible to members to discuss their concerns. By encouraging your contribution, we can achieve better outcomes for all.

To ensure the future of our sport, we must educate the public by providing leadership as the peak organisation for dogs and continue to develop our assets.

## Nominations for Governing Councillor (3) cont..

### ANTHONY (TONY) CROCKER

My nomination for Governing Councillor, it is an opportunity for me to continue the great work that has been achieved by the Governing Council, the various working parties, and the countless volunteers that make Dogswest a reputable organisation.

My involvement within dogs includes breeding, showing, and various dog sports. Since moving to WA, I have become strongly involved with various Committees/Working Parties within

Dogswest, such as Open Day, Western Classic, and many more. From Volunteering as a Steward, I have become involved in the development of the Stewards training course.

As an elected Councillor, I would encourage greater community involvement through the promotion of Dogswest, and strive for the continued stronger ethic by all members throughout our organisation.

# STATE DWD COMPETITION 15th APRIL 2023

First I must thank our wonderful sponsor Eukanuba for donating biscuits for this fantastic State event, this just added to a super trophy table

With excitement buzzing the arena looked fabulous, thanks to an amazing committee who helped me run this event. The day ran so smoothly, the atmosphere was terrific with everyone getting behind the routines, the costumes were amazing and the dogs and handlers even better.

Our judges were keen to judge a superb entry and they were not disappointed, great music, innovative routines, what a wonderful way to spend the day. Ours judges were Honey Gross-Richardson, Cheryl Bedggood and Paul Skewes they did a great job, clapping each routine as it finished and judging quickly and efficiently thank-you.

There were so many memorable moments on the day that all should feel proud of their routines.

Special mention to our top scorer of the day from the Advanced class was OB CH Noblestarzz Chase the Ace with Jill Houston wowing us all with their routine set to West Side Story

A big cheer to the Rising Star Award donated by Honey Gross-Richardson which went to RO CH Rusty.

After the official classes we held the first ever Trick Story Telling unofficial competition, it was great to see these stories come to life and thank-you to everyone that entered and our judge Cheryl Bedggood for judging.

Thank-you to all involved and congratulations to the winners, your training and enthusiasm just shone through. Special thank-you to Maja Pitts for taking the Podium shots of our winners.

# MEMBER SPOTLIGHT

Celebrating the commitment and achievements of Judges and Junior Handlers.

Harrison O'Dea Credaro Junior Handler

## Name and key achievements

My name is Harrison O'Dea-Credaro, I'm 17, and I'm in my first year of studying a Bachelor of Biomedical Science at UWA. I have been a member of DogsWest since April 2022.

## Tell us a little about your background with dogs?

When I decided I wanted a dog as a pet, I spent months researching various dog breeds. I was captivated by the Collie – with their beautiful appearance and loyal, loving temperaments.

I got my first Collie (a Smooth) in 2016 – an ex-show dog by the name of 'Jovie' (Ch. Adarstern Tangled Up In A Tutu). She was my 'heart dog', cementing my passion and love for the Collie breed.

We sadly lost Jovie in late 2021.

It was in early 2022 I had the privilege of welcoming another Collie (a Rough this time) into my life – 'Koda'. After doing a bit of show training with his breeder, I decided to give dog showing a go, entering my first show on the 22nd of May 2022. I haven't looked back since.

## What year did you start to train to become a JH?

Mid-2022.

## Why did you decide to train to become a JH?

Ashlea managed to convince me to give junior handlers a go – to get out of my 'comfort zone' of showing Koda – a step I wish I'd taken sooner.

## What do you enjoy most about being a Junior Handler?

I enjoy meeting new people, learning about different breeds outside of Group 5, and developing my handling skills.

## What hobbies do you have, if any, apart from canine activities?

Most of my time is filled up by the combination of spending time with my family, friends, and pets, studying at university, work, and dog showing. Therefore, canine activities are the main 'hobby' I have at the moment.

## What's next for your canine career?

I would love to have the opportunity to breed Collies (Rough and/or Smooth) in the future, and perhaps, several years down the track, to train to become a judge for Group 5.

Well again what a spectacular day our Members put on to the General Public to showcase our THIRD and very successful Open Day.

We had in excess of 3,500 general public enter through our gates, even though in the afternoon we had to compete with the derby in the Footy, the general public came to see our grounds and they got a glimpse of our fabulous activities that can be done with our dogs and what we do most weekends.

From our Mini dog show, Dancing with Dogs display, Barn Hunt , scent work , from our performance teams we had : Retrieving , Agility and obedience , sledding , Rally and Tricks. Breed club and Group club displays from our Members showcasing their breeds to the public.

Our education talks in the meeting room 1 by specialists in their field of work, ie vets and behaviourists.

From our hardworking MC for the Day, Anna Courtman, who kept the audience amazed with all the events on the day and kept things flowing for our audience.

Our Members who went above and beyond to help the General public and make sure they had a great experience with Pure Bred Dogs.

Our Food vans, and canteen gave the General public and our members a great choice for food for the day.

To our very hardworking but small committee who made this year again such a success. From myself as chair of the event a big thank you to, Jenny Sayers, Tony Crocker and Nadine Neethling who stretched themselves and made this event the success it was.

To the volunteers on the day, - a huge thank you as you helped even in a small way to make this a success , the Exhibitor's and Stall holders, to all the Performance teams and trainees judges who make this a fabulous event. Our very helpful staff from Dogs West who helped along the way and even came for the day thank you. And our plea to the weather gods was heard and we had spectacular weather..

We are already planning 2024, so if you have any ideas on how we make it even better, please let me know so we can have another fantastic event at Dogs West.

**Multi BIS & BNIS & Best Class in Show Awards Touchofchow Team** — owned by Janette Ursida-Mouroufas

## ‘OUR CHOWS HAVE EVERYTHING THEY NEED AND THEY LOVE THE TASTE.’

*Touchofchow in South Australia has been exhibiting Chow Chows for over 20 years and breeding for 10 years.*

We breed to introduce worldwide stunning lines to better the breed here in Australia and we are achieving amazing success in and out of the show ring with both our smooth and rough coats.

Our puppies are given the best start to life being exclusively fed Medium Puppy and our adults are conditioned on Premium Performance Sport. We used to add supplements and vitamins to our dog food until we found Eukanuba™ which already contains biotin to help maintain glorious healthy coats for the show ring, folic acid for our reproductive mothers and glucosamine to provide cartilage nutrition and joint repair. With the addition of Eukanuba’s 3D DentaDefense, our Chows have everything they need and they love the taste.
