• Miss Elena Kutukoff 3100027147 – two (2) years suspension effective 4 May 2021.

Congratulations to the Western Classic Working Party for a fabulous weekend of events at the end of May.

A sincere thank you to the volunteers who made all the events run smoothly; to the generous sponsors for their support; and to the Dogs West staff who helped to make it happen. The grounds looked a picture and the

weather was cool but very kind for this time of year.

Nominations for Governing Council have closed, and those who have put their names forward to work for you, the Members, have their details published in this issue.

Please, take the time to consider the nominations and to vote for the Members of your choice. This is your opportunity to have input to your Association.

The recruitment process for a Dogs West Chief Executive has begun again, following the resignation of the successful candidate after a very short time in the seat. A very disappointing outcome.

In the interim, the Dogs West Executive are again assisting the office staff as required, and we may ask for your patience when some things take a little longer than expected.

There will be an open club forum soon; once a date is confirmed all clubs will be advised. I encourage representatives from clubs covering all disciplines to come along and to raise any concerns, or put forward any suggestions or ideas that are felt would be of benefit to our Members and the Association.

10. MOTIONS ON NOTICE

10.1 **Moved:** D Kehoe

THAT Clause 28.4.1 of the Constitution be amended

From the current wording of:

28.4.1 The Governing Council shall annually appoint the Tribunal which shall comprise a Chairperson and up to nine (9) members. No member shall be a member of the Appeals Board or a member of the Investigations committee.

To now read:

28.4.1 Chairperson. Governing Council shall annually appoint the Protest and Disputes Tribunal Chairperson.

28.4.1.1 Tribunal Members. Governing Council shall appoint from time to time, but at least annually, a number of members, that number being as determined by Governing Council from time to time, but the number shall be no less than seven (7). No member shall be a member of the Appeals Board or a member of the Investigations committee.

Rationale:

This will allow Governing Council to act to ensure there are correct number of tribunal members available to suit the current conditions. For example, the current Covid situation has resulted in the pool of available tribunal members being depleted and hearings having to be rescheduled. Having a greater number of tribunal members available would have eased this.

10.2 **Moved:** D Kehoe

THAT Clause 40.2 of the Constitution be amended

From the current wording of:

40.2 The Association and the affairs thereof shall be wound up in such a manner as the Governing Council may determine and upon all property of the Association being realised the money obtained thereby together with monies in hand shall be used and applied in manner following, namely:

40.2.1 Firstly, in payment of the expenses of such realisation and winding up.

40.2.2 Secondly, in payment and discharge of all debts and liabilities for which the Association shall be responsible, and

40.2.3 Thirdly, the surplus (if any) shall be distributed to some other incorporated Association having objects

similar, wholly or in part, to the objects of the Association and which shall prohibit the distribution of its or their income and property among its or their members, or some charitable object.

To now read:

40.2 The Association and the affairs thereof shall be wound up in such a manner as the Governing Council may determine and upon all property of the Association being realised the money obtained thereby together with monies in hand shall be used and applied in manner following, namely:

40.2.1 Satisfaction of the debts and liabilities of the Association; and

40.2.2 Satisfaction of the costs, charges and expenses of winding up or cancelling the incorporation of the Association, but does not include books relating to the management of the Association.

40.2.3 On the cancellation of the incorporation or the winding up of the Association, its surplus property (means property remaining after satisfaction of 40.2.1 and 40.2.2) must be distributed as determined by special resolution by reference to the persons mentioned in section 24(1) of the Act.

Rationale:

The Department of Mines, Industry Regulation and Safety, Consumer Protection has advised that that Consumer Protection has undertaken a review the Association's revised rules and found the following:

- Schedule 1(19) of the Act requires the rules to include way in which surplus property of the incorporated association must be distributed or dealt with if the association is wound up or its incorporation cancelled. The Associations' clause must be consistent with Section 24(1) of the Act

This will make the Constitution clause consistent with the Act.

10.3 **Moved:** D Kehoe

THAT Clause 5 of the Constitution be amended

From the current wording of:

Administrative Officer - the Secretary, Registrar or Chief Executive Officer of the Association

To now read:

Administrative Officer - the Position Title of the Administrative Officer shall be as defined by Governing Council from time to time.

Rationale:

The term Administration Officer dates back in time. Today's Association is viewed and run as a business.

This amendment will allow Governing Council to appoint a contemporary working name to the position.

The recent recruitment process was negatively impacted by the inflexibility of this clause.

10.4 **Moved:** D Kehoe

THAT Clause 29.2 of the Constitution be amended:

From the current wording of:

Before imposing any disqualification, fine or other penalty, the Member shall be given an opportunity to be heard in answer to the charge by the relevant governance body after being given due notice of the hearing at which it will be considered. Notice in writing sent by registered mail addressed to the person

Annual General Meeting

of the *The Canine Association of Western Australia Inc.* Wednesday 31 August 2022 at 8.00pm

concerned at his usual or last known place of abode or business or mailing address shall be deemed to be service of the notice which shall be deemed to have been served seventy two (72) hours after being put in the post

To now read:

Before imposing any disqualification, fine or other penalty, the Member shall be given an opportunity to be heard in answer to the charge by the relevant governance body after being given due notice of the hearing at which it will be considered.

Such notice shall be sent to the person concerned by

Firstly, email to the email address as recorded on the National Business System. Any item transmitted electronically shall be deemed to have been served the same day as transmission.

Secondly, if no email address is recorded, registered mail addressed to the person concerned at his usual or last known place of abode or business or mailing address. This shall be deemed to have been served seventy two (72) hours after being put in the post.

Rationale:

The vast majority of members have an email address recorded within the National Business System (the Dogs Australia database used by all the Member States Bodies). Those that don't have an email address recorded will still receive the notice, by traditional mail. Email is now an acceptable method of communication and in the current climate more reliable than the postal system. This will both simplify and improve the process.

10.5 **Moved:** D Kehoe

THAT Clause 22.2 of the Constitution be amended:

From the current wording of:

An Annual General Meeting of Members shall be held once during every year within four (4) calendar months of the end of the financial year and at such meeting fifty (50) eligible voting Members present shall form a quorum.

To now read:

An Annual General Meeting of Members shall be held once during every year within six (6) calendar months of the end of the financial year and at such meeting fifty (50) eligible voting Members present shall form a quorum.

Rationale:

This will make the Constitution clause consistent with the Act.

10.6 **Moved:** S Briggs

THAT Clause 15 of the Constitution be amended by the addition of:

15.2.3 To be eligible to nominate for the position of Executive or Governing Councillor, the member must not:

- Be a member of the immediate family, and/or
- Be in a partnership relationship, and/or reside at the same address as a current governing councillor or another nominee for a governing council position.

Rationale:

- *Given the powers of the Governing Council (refer Constitution 19) to make decisions on all affairs relevant to members, it is the expectation that all discussions and decisions will be open for debate without preconception and possible influence.*
- *The perception of having related and/or cohabiting people on the council is that they will have discussed matters beforehand and come to the same decision – this is not necessarily*

the case however it is what may be perceived to happen.

- *Judges and exhibitors are bound by similar regulations that preclude them judging and entering under these conditions along with additional conditions.*
- *The same conditions that judges and exhibitors are required to abide by should apply to the members that are elected to manage the affairs of the entire Association.*
- *Governing Council is the final avenue of appeal by Dogs West members on items not dealt with by governance committees. If there are a number of partners/co-residents on council, it may be seen as a breach of natural justice.*
- *Hypothetically, there could be a Governing Council managed by four related/cohabiting couples and three other councillors making up the elected council.*
- *I do not believe that it is in the best interest of Dogs West members to have a Governing Council that could be perceived as not impartial in its decision making*

10.7 **Moved:** S Briggs

THAT Clause 23 of the Constitution be amended by the addition of:

23.8 The attendance record for Governing Councillors be published in the July/August issue of the Canine News and on the Dogs West website.
Renumber existing 23.8 onwards

Rationale:

The publication of Councillors' attendance record was adopted quite a few years ago but was only included in Governing Council policy. This policy item has not been published for some years. The original decision to do this was for the information of members as to whether the councillors were representing their best interests in regular attendance at council meetings.

10.8 **Moved:** S Briggs

THAT Clause 23 of the Constitution be amended by the addition of:

23.10 The scheduled dates that Governing Council meetings are to be convened be published in the Canine News and on the Dogs West website with any amendments updated on the Dogs West website.
Renumber existing 23.10 onwards.

Rationale:

Current 23.8 permits members to attend Governing Council meetings as observers only during non-confidential agenda items. If a list of scheduled Governing Council meetings was available then members would be informed and able to attend if interested.

11. GENERAL BUSINESS

***Please note:**

Constitution 35.4 *The Annual Financial report of the Association shall be made available to the Members, for collection from the Association's office, at least ten (10) working days prior to the date set for the Annual General Meeting. If Members wish to receive a researched answer, they are to submit to the Administrative Officer any queries for discussion five (5) working days prior to the Annual General Meeting.*

Governing Council Elections 2022 Nominations

Nominations for President (1)

PAMELA CAMPBELL – Elected Unopposed

Post pandemic there is ongoing work to be done.

We still await the Regulations that will come from the Stop Puppy Farming Legislation and the consultation process promised. The work to minimise impact on Dogs West Members must continue.

The amendment to the Animal Welfare Act is yet to emerge; to date we have met with Caitlin Collins MLA regarding research the Government is undertaking into the breeding of unhealthy brachycephalic dogs. The results of this research may influence

amendments to the Animal Welfare Act. This enquiry has only just begun. I offer my services to continue this important work.

The pandemic curtailed our plans to increase our engagement with the wider community.

We must raise the profile of Dogs West to be seen as the experts when it comes to all things dog, and that we have a culture that welcomes newcomers – we all have our part to play here and marketing must be a strong focus.

Nominations for Governing Councillor (4)

RICK BERWICK

I have been involved in the dog world for the past 40 years, with OES, Bichons and Bernese Mountain Dogs. I am a past VP of the OES club of SA, current president of the UDC and current group 1 convener on the SJWP.

I have been on the Protests and Disputes Tribunal for the past 16 years.

I currently serve as a deputy councillor on Governing Council, this has provided an excellent platform to gain a better understanding of the systems and processes required to better represent our members at this level going forward.

I made a commitment to the members when standing for deputy that I would provide you a voice at council meetings, an opportunity to be heard no matter how big or small your issues or suggestions were. I can guarantee you I will not shy away from any issues that are presented to me and they will be raised at Governing Council exactly as they have been raised with me.

I appreciate your support and look forward to the opportunity to represent you, The Member!

KAREN RICHARDSON

I have been a member/Breeder of Dogs West for 30 years. I am an Obedience Trainer, Micro Chip Agent for AAR, a DNA Collector for Orivet, I am also the Secretary of the Utility Dog Club of WA (approx. 7 years) & the WA Toy Dog Specialist Club (approx. 10yrs).

RENEE HAWKINS

Commencing at the age of 10, I have now been actively involved with DogsWest for 30 years, with my parents being involved from the late 1970's. Over those years from a junior handler, to acquiring my first dog, exhibiting her and her offspring, I have seen the fraternity evolve through many challenges and opportunities. I have actively held positions on multiple clubs, from President through to committee and enjoying the service to the community. I hold a degree in

Accounting, and a Masters in Tertiary Education Management, both with Distinction grades. Possessing a passion for governance, leadership, organisational transformation and culture; my role as Manager, Teaching Support at Curtin University has provided me opportunities to develop skills and research these areas further. I am seeking to fairly represent all members, in service back to the association to help secure a strong future for the generations to come.

PETER PRIMROSE

I have been a member of Dogs West for 45 years. From 2000 to 2016 I served on Governing Council which included 6 years as President.

In my professional Career I have held Management positions for the last 35 odd years. These Management Roles have given me sound business operational sense as well as budgeting and staff Management which without a doubt is an asset when dealing with matters concerning our Association and our members.

When I first became a Governing Councillor, our Association was indeed in financial turmoil, I feel that along with some other well-respected Councillors and associations employees we were instrumental in positioning Dogs West towards financial stability.

I believe this position should make you accessible to our members and a voice for the members. I will always have the best interest of Dogs West and its members as my priority.

I am committed to the progress of Dogs West. Now retired from my position as CEO, I am ready to volunteer to ensure the future of our hobby, to listen and represent the interests of all members regardless of their disciplines in integral to my desire to join Council.

I have been stewarding for Performance - Tricks.

We have to work together to provide for the needs of the members, continue to develop our valuable asset - our grounds, to educate the public on dog ownership to ensure the future of our sport within the community.

The changes to the Dog Act require a united direction from Council to strive to protect the rights of our hobby members to own entire dogs and to breed.

The members are Dogs West and need to be kept informed of decisions affecting them, encouraged to contribute and be involved in the many activities.

SUE SHRIGLEY

I have been an acting governing councillor of Dogs West for the past 12 months, and previously was a member of the governing council for more than 20 years, serving on many different committees where I gained a broad knowledge of the association. My recent experience on the council has made me realise that there is much to be done within the association, encouraging and increasing member participation. With this in mind I offer myself as a nominee, for a further term on the council.

It is my intention to do the very best I can to represent you, the members. Participating in discussions important to members and being the voice to bring forward any issues members may have.

I believe there should be transparency between members and the council.

The immediate focus I see as being attracting new members, forming a friendly, informative and positive environment.

With excitement buzzing the arena looked fabulous. Thanks to an amazing committee led by Jill Houston, the Dogs West groundsman, and the Eukanuba representative, Penny Kelly, we were greeted with a perfect day to compete.

The State DWD Competition gathered a state record entry of 40 routines this year - great sportsmanship and fantastic, colourful routines set to brilliant music. Trick Dog Tests in the afternoon saw more super performances.

DWD judges this year were Honey Gross-Richardson, Anne Lacy-Herbert and Paul Skewes. They did a great job, applauding each routine as it finished and judging quickly and efficiently - thank-you to the judges.

There were so many memorable moments on the day that all involved should feel super proud of their routines.

Special mention to the Rising Star Award, donated by Honey Gross-Richardson, which went to Belgian Shepherd Dog, Von Celeque Aquala.

This year's Judges Choice award went to Swedish Vallhund, Ch Ubiquue Don't Walk Away .

Our Trick Test Judges Deb Hyde for Starter, Amanda Houston for Novice and Maja Pitts for Intermediate and Advanced were presented with some fabulous performances with Deb Hyde awarding a perfect score to Von Celeque Aquala, making it an unreal day for Jo Meredith.

Thank-you to all involved and congratulations to the winners. Special thank-you to Maja Pitts for taking the Podium shots of our winners.

Thank you to our wonderful sponsor - Eukanuba - for donating biscuits to this fantastic State event, this just added to a super trophy table.
