THAT'S A EUKANUBA™ DOG

Eukanuba™

Nutrition that helps fuel your dog's performance

Dogs that show and perform need high quality nutrition to help fuel and sustain their performance throughout the day. A diet with high quality protein is important to help maintain and rebuild muscle integrity, in-fact around about 30% of this protein is used to help maintain a healthy skin and coat.

The diet also needs to be enriched with omega 3 and omega 6 fatty acids to help with the structural and barrier properties of skin and provide a shiny coat. Show and performance dogs also need a diet to help minimise oxidative stress and add support to the digestive system to help them perform at their best.

Eukanuba's™ **NEW** Premium Performance Sport and Exercise are designed to meet the needs of show and performance dogs, and is now made in Australia. With added levels of omega oils, digestive support and joint support*, Eukanuba™ is providing tailored nutrition to help to show and performance dogs achieve their best.

President Report

As I write this in December, the State Premier is expected to soon announce when the West Australian borders will be opening to the rest of Australia.

This just one day after an announcement of stricter controls for people coming to WA from Queensland, leaving only

Tasmanians free to enter WA without having to quarantine.

This echoes the conditions that have been on and off throughout the year, and I think it would be fair to say that we would all like to live with a little bit more certainty about travel within Australia, along with the opportunity to travel overseas.

As the end of year approaches, I would like to take my hat off to all those Members who put in enormous efforts, in trying conditions this year, to enable Dogs West Members to have events during the year.

Thank you.

A New Year brings new promise, and one thing we can be certain of is change.

It was with regret that I accepted the resignation of our Chief Executive, Caroline Shaw, at the end of November.

Caroline has been a Dogs West employee for more than 13 years, the last year stepping up to the Chief Executive role. Caroline's knowledge, expertise, counsel and professionalism will be much missed by all of us.

The Bill still sits in the Upper House in Parliament, listed, but not quite getting to debate. With one sitting week left it may, or may not, come up. If not, Parliament resumes in February 2022 and it will be on the list of business again. Once The Bill is passed, we will await the Regulations that follow, and will have a clearer understanding of consequences for our Members, including when the Regulations will come into effect. I will advise all Members once there is any update.

As the New Year approaches, I wish all Members and their loved ones a healthy and fulfilling 2022.

Ms Pamela Campbell, President

Dogs are our link to paradise. They don't know evil or jealousy or discontent. To sit with a dog on a hillside on a glorious afternoon is to be back in Eden, where doing nothing was not boring—it was peace.

CEO Report 2021

How time flies! It certainly doesn't seem like 12 months ago I was writing my first CE's report for the Canine News. While we have faced a number of challenges in the last couple of years, we have been very fortunate in WA and can have every hope of this continuing into 2022.

As an Association, we have a fantastic team of staff and volunteers working hard to ensure the Dogs West Mission Statement is upheld:

"Our purpose is to serve our members and the public with education, support, guidance and provision of events for all their canine endeavours. Our goal is the preservation of purebred dogs and the health, well-being and enjoyment of all dogs."

I take this opportunity to remind all members to treat each other, Dogs West staff, and members acting for Dogs West in an official capacity, with courtesy at all time.

The Dogs West grounds remain in amazing condition and we have once again consulted with a turf maintenance specialist regarding ongoing plan of maintenance. The main arena has

been cored and verti-mowed in December, and a program of intensive fertilization is continuing on the lower arena throughout 2022.

In December 2021, the administration staff ran a Christmas Colouring Competition for our younger members. We received an amazing number of donations from dog related suppliers and were able to put together 3 wonderful hampers full of goodies for our winners. Thank you to all junior members who entered the competition. Our office was very festive with your beautifully decorated stars and baubles as our decorations.

Planning has commenced for the '2022 Dogs West Open Day'. We will soon be contacting members asking for volunteers to assist with the running of the event. Please consider giving some of your time to this invaluable opportunity to promote your Association.

I wish all Dogs West members a Happy New Year and all the very best for the coming year.

Ms Caroline Shaw, Chief Executive

From the Compliance Officer's Desk

From the onset, the main focus of the role of 'Dogs West Compliance Officer' has been about 'prevention and education'. Dogs West aim to is for all members to understand and comply with the regulations, and to do what we can to assist with this.

We are all often time poor but ANKC and Dogs West Regulations and Code of Ethics are what set us apart from the rest. They are what earned us the 'Gold Standard' reputation from the Government and we need to proudly accept this unsolicited title and never let it slip.

So, what is it that makes us 'Gold Standard'? It is our Regulations, in particular those that relate to breeding. Today we will focus on what seems to be causing recent visits to the Protest and Disputes Tribunal hearings and provide some extra clarification.

AGE RELATED BREEDING ISSUES.

- Do NOT mate a bitch under the age of 12 months of age.
- Do NOT mate a bitch on or after her 7th birthday. You can seek permission to breed a bitch after she turns 7 years of age but you **MUST** get approval **PRIOR to the mating.**

NOTE: The Regulation is talking about MATING not whelping.

NOTE: ANKC have additional requirements for some breeds. Check ANKC regulations for your breed.

NUMBER OF LITTERS

- The answer is no more than FIVE, 5, CINQUE, fünf. Again, permission can be sought for a 6th litter **PRIOR to the MATING.** It is up to breeders to keep records and to find out the breeding history of mature bitches they acquire. If you cannot remember, have any doubt, lose your breeding records then please contact the office **PRIOR to the mating.**

CONSECUTIVE LITTERS

- No more than 2 litters in 18 months. These are calendar months. If your bitch has a litter on the 1 January then 18 months later is the 1st July of the following year. Between the 1st January this year and the 1 July next year she is only permitted to have ONE more litter. Permission to breed outside this rule needs approval **PRIOR to mating.**

REGISTER YOUR LITTER

- Make sure you register your litters in a timely manner, late registrations (after 4 months) attract penalties, non-registration will be dealt with by Protest and Disputes Tribunal. There are some breeders who think less than 3 puppies does not constitute a litter. This is **incorrect** and a serious breach of the Regulations. Every puppy **MUST** be registered.

CHECK YOUR PAPERWORK

- Make sure the Sire and Dam are not Brother/Sister, Father/Daughter, Mother/Son
- Check the Sire and Dam are Main Registered and that no breeding restrictions exist
- Check that all mandatory health screening has been conducted and recorded with ANKC
- Check that none of the owners (Dam and Stud dog) are suspended
- Check your breeds - Are they the same? Are they permitted to inter-breed if not the same?
- Check that your coat colours are compliant for the breed

We are happy to help you if you are unsure. Our processing staff are happy to clarify details for you, by email, prior to a mating.

We would much prefer to help by assisting you and advising you of your responsibilities than see you facing a Protest and Disputes Tribunal.

Take care and happy breeding.

- Royal Show
Junior Handler events at the Perth Royal Show this year. A proposal to hold an event, but only on the General Specials day, had been submitted to RAS by the Junior Handler Working party. While RAS fully support the conducting of Junior Handler events at future Royal Shows, holding an event just on one day was not something they agreed with.
Benching was by breed at this year's Royal Show. RAS had very limited staff and resources available this year, the event had been organized at very short

notice, the different format had resulted in the removal of some benches, and the ability to manage individual benching requests with reduced workers and timeframe was not possible.

LIFE MEMBERSHIPS & DISTINGUISHED SERVICE AWARDS

Governing Council is calling for nominations for Life Memberships and Distinguished Service Awards and any Awards approved shall be presented at the Annual General Meeting in August 2022.

The Honours Committee will view all submissions and then make a recommendation to Governing Council.

The mandate of the Honours Committee is: -

- To provide a system of Awards to recognise members of the Association who have made a significant contribution to CAWA and its committees and clubs, or to the development of recognised breeds.

LIFE MEMBERSHIP

Such recommendations shall be based on meritorious service to the Association (Section 8.3 of Constitution).

Nominations for **life membership** are decided primarily on service to the Association. Other service can be included to indicate the overall commitment of the person being nominated.

DISTINGUISHED SERVICE AWARD

Governing Council may award a maximum of three (3) Distinguished Service Awards in any year to members of the Association.

Eligibility for an Award shall be: -

- Long and distinguished service to the Canine Association and/or its affiliated clubs; and/or
- Service which has significantly advanced the aims of the Association; and/or
- A significant contribution to the development of breeds recognised by the CAWA.
- Such Awards shall not be awarded to a Life Member of the Association, although receipt of an Award shall not debar a member from subsequently receiving Life Membership.

A Distinguished Service Award may be awarded posthumously.

Therefore, in accordance with the above, should you wish to nominate any CAWA Member, to be considered for either a Life Membership or Distinguished Service Award, please forward the nomination and a resume relating to their contribution to the CAWA or an affiliated club, to the Administrative Officer **NO LATER THAN Friday 25 February 2022.**

All nominations are to include detail such as dates so that claims can be verified by the committee.

Recommendations are submitted to the April meeting of Governing Council.

Incorrect/incomplete applications' delay processing times and cause additional work as we need to contact you to resolve issues. Incorrect paperwork fees can apply for this additional work.

The main issues we encounter are:

- Unsigned paperwork (Including endorsements on transfers)
- Incorrect payments
- Litter Registrations with
 - o Dogs in incorrect ownership
 - o Unfinancial memberships
 - o Colours not completed or not in accordance with the breed standard.

- o Hand written or missing microchip numbers
- o Missing required health test documentation

Incorrect/incomplete applications' processing time will be from the date that the documentation is complete.

For those occasions when members want to have transactions processed quickly – at an extra charge the **24 hour Fast Track Service** can be used for most transactions.

TOP OPEN SHOW DOG OF THE YEAR

Qualifying Period 1st January and 31st December

- Points are awarded at **ALL BREEDS OPEN SHOWS** only.
 If a dog is a champion when it gains its first points then it is ineligible to enter competition. But if it gains its title during the year it is able to continue in the competition.
 There are 2 scales of points – METRO SHOWS AND COUNTRY SHOWS

| | |
|-----------------------------------|-----------|
| <u>METRO SHOWS</u> | |
| BEST IN SHOW | 10 points |
| R/Up BEST IN SHOW | 6 points |
| CLASS IN SHOW | 2 points |
| BEST IN GROUP | 5 points |
| R/Up BEST IN GROUP | 3 points |
| <u>COUNTRY SHOWS</u> | |
| ½ the points from the above table | |
- Only the points from the best result are recorded
- For example – a Best in Group win + Best in Show the dog is only awarded 10 points.
- Points to be calculated from the catalogue of the event submitted to the office.
- At the end of the year the dog from each group that has the most points is invited to the Final.
- If there is more than 1 dog on the same number of points – a count back is taken and the dog which has been awarded the highest award is deemed to be the winner. *It is deemed that a Best In Group or Runner Up In Group award is higher than a Class In Show award.*
- The judging panel consists of 3 Trainee Judges who are eligible to judge General Specials.
- If any dog is unable to attend the 2nd place dog is then invited.

In second place on 171 points was Demorz All the Rave and Anthony Nesbitt, and 3rd place had Mhadaidh Annie Get Your Gun and Anne Cameron on 167pnts. Restricted had 9 dogs entered, with 4 dogs finishing all three runs successfully. 1st Place and gaining RRD title was Lanlwyd Maree (GRB) and Ellice Shepherd with 165 points. 2nd place went to Brigodee Roll the Dice (LRD) & Kerry Webster with 158 pnts and 3rd place had Bodhran Miss Daisy (WCSB) with Ian Molyneux, on 152 pnts.

In 2nd place, Heather Ellis and Maya on 169pnts, and 3rd place awarded to Mike McClure with Blackboy Ghost Rider on 160 pnts. Restricted, and 13 dogs were entered. RETRIEVING & FIELD TRIAL "HALL OF FAME" 2022 Nominations

In the first nineteen years of elections, the Australian National Kennel Council Ltd has received nominations for 56 dogs and 41 people to be considered for induction into the Retrieving & Field Trial Hall of Fame. From the nominations received 34 outstanding dogs and 24 exceptional people have been inducted.

The criteria for the two categories for selection are the following:

1. Outstanding Gundogs (must be permanently retired from further competition and have not competed for the past 12 months, or be deceased)

(a) Their record as a winning dog i.e., CLUB - STAKE - DATE - JUDGE
PLACE and/or

(b) Their production record.

(c) The eligibility for a dog should be based on its entire competitive career and previous record as a producer, not merely for a particular win or for a heroic deed within the field and retrieving trial sphere.

(d) Subject to the receipt of a formal application, dogs that have been awarded the title of Grand Champion and have gained a total number of points equal to, or greater than, twice the total number required for that award, shall automatically be inducted into the Hall of Fame. Such applications must include full particulars and a brief resume of the dog's career.

(e) Subject to the receipt of a formal application, dogs winning at least two National Championships in the same discipline shall automatically be inducted into the Hall of Fame. Such applications must include full particulars and a brief resume of the dog's career.

2. Prominent Persons:

Their record of a broad combination of accomplishments as:

(a) Club official (b) Judge (c) Owner (d) Handler

The distinction of nomination should be accorded to those who have made outstanding contributions to the field or retrieving game. Nominees should be **givers** to the sport and not **takers**.

Nominations are now being called for the current year. In addition to applications submitted in relation to Outstanding Gundogs 1 (d) and 1(e), a maximum of two other outstanding gundogs and two prominent persons may be elected each year.

Nomination:

1. Clubs or Members may nominate DOGS and PEOPLE considered worthy of awards, including full details of accomplishments within the above categories and with verification. In the case of dogs, nominations should include the full name, title, owner and date of birth.

[Please note it is a condition of nomination that the nominator/s provides accurate written material supporting the nomination. In the absence of such accurate supporting material, or should the supporting material later prove to be inaccurate in areas of significance, the Selection Panel for the ANKC Ltd Retrieving & Field Trial Hall of Fame reserves the right to reconsider its decision and if appropriate, delete the name of the Prominent Person or Outstanding Dog from the list of inductees.]

2. **Nominations shall close on the 31 May 2022** at respective Member Body offices for forwarding to ANKC Ltd.

3. Please use the proforma nomination forms that are available from all Member Body offices and the ANKC Ltd website at www.ankc.org.au/HallOfFame/?id=1096
