Obedience Grand Champion O Gr Ch Vonalfstynne Freundrohan 'Rohan'

Proudly owned and handled by Henryk Zakrzewski, a member of GSDA of WA for over 15 years.

A 'working line' German Shepherd bred for security and police work with genetic traits of high drive, powerful athleticism, strong protective instincts and high cognitive skills (to name a few).

However challenging at times, these traits have made Rohan's training such an exciting experience and, no doubt, have contributed to his success in the Obedience Ring.

Above all - when at leisure, Rohan is simply a wonderful family pet.

Moved N Sharrett

THAT the financial report be received.

The President introduced Ian McNeill to explain the reports.

Summary of End of Year Financial Reports for the 2019/2020 Financial Year

1. **Cash at bank** balance as of the **30th June 2020 was \$1,791,987** which was **\$172,7100 Less** than at the same time last year. Noting that approx. \$405,000 has been expended on Capital Expense projects this financial year – Main capital expenditure being \$340K on 3rd stage of the carpark and roadway upgrade.
2. **Net Profit for the 2019/20 Financial year was \$94,719** and this was **\$47,947 More** than budget and **\$9,272 Less** than the same period last year. It should be noted that this Net Profit included a Net amount of approx. \$118K (\$145K – 27K) in Government provided COVID 19 Jobkeeper and Cash flow boost payments minus the Job keeper top up payments that were required to be made. Without these payments a Loss of approx. \$23K would have been recorded, which would have been a reasonable result given the COVID 19 shutdown of shows/trials and training and facility hire. Profit was \$290,570 before depreciation.
3. **Total Income for the 2019/20 Financial year was \$1,371,636** and this was **\$129,540 More** than budget and **\$9,516 More** than the same period last year.
As previously mentioned, the main areas of reduced income during the COVID 19 restrictions were from the reduced training and shows and trials equaling a reduction of approx. \$36K in admin and insurance levy, facility hire income and lighting hire. However as also already noted this reduced income was more than offset by the COVID 19 Jobkeeper and cash flow payments. Most other main areas of income - Litter registrations/transfers/Membership - were equal to or greater than budget/the previous financial year.
4. **Total Expenses for the 2019/20 Financial year of \$1,307,691** were **\$73,767 More** than budget and **\$3,988 more** than the same period last year and this included:
 - a. Depreciation (+\$32,653 on budget)
 - b. **Unbudgeted Jobkeeper top up payments of \$27,733.**
 - c. Reticulation +\$10,000 due to major bore repairs (part capitalized).
5. **To Summarise:** Dogs West Financial position remains very healthy given the COVID 19 shutdowns with most forms of income remaining on budget other than income from shows/trials/ training and as previously noted The COVID 19 Government subsidies have more than made up for this reduced income in addition to this wherever possible expenditure was reduced due to lack of use over the last 3 months of the financial year. At the 31st August 2020 the bank balance was close to the same as last year with all areas of income on budget and equal to or greater than last year other than admin and insurance levies on shows and facility and lighting hire however this has shown an increase to normal levels over the last few weeks. In addition to this the Jobkeeper and COVID 19 cash flow boost payments will continue until 28th September when given that most income streams are improving it is likely that Dogs West will no longer be eligible for these payments.

Moved A Howell Seconded S Baxter

THAT the financial report be accepted.

CARRIED

9. APPOINTMENT OF AUDITOR

Moved S Briggs

Seconded C Filbey

THAT Reliance Auditing Services be appointed Auditors for the 2020/2021 financial year.

10. PRESENTATION - ALL BREEDS JUDGE

The President presented the following newly qualified judge with her ANKC Ltd badge to **Heather Jones**.

Mrs Jones made the comment that she was 'pleased' that the COVID show was delayed for her own reason as it now allowed her to proudly wear her All Breeds badge at her first General Specials judging assignment.

12. GENERAL BUSINESS.

12.1 Verti mowing and coring on the ovals

Different contractor to be engaged to previous years. Affiliates to be kept informed. Every effort will be made to minimize disruption to training and events.

12.2 CEO position

S Shrigley queried whether this position is being advertised. The President advised that it will be advertised in due course.

The President thanked members present for their attendance and closed the meeting at 9.10pm.

President Report

There is no denying that the past year has been like no other.

We watched with dismay as our country burned as never before. 186,000 square kilometres were blackened. The smoke blanketed New Zealand and travelled to Chile and Argentina. It was hard to comprehend the damage and loss. Lives were lost, including those fighting to protect others.

Then we started to hear the first reports of a virus in China.

The rest, as they say, is history – except it is not.

Our lives continue to be impacted by COVID-19 and the world has become a different place. Who could conceive of such a year?

I am sure that when COVID restrictions were enacted, we all thought that it would be over in a short while. Not so. The recent outbreak in Victoria has clearly demonstrated that life as we know it now may continue for some time.

We are living in a new normal.

Many events have already begun and the first All Breeds conformation show will be next weekend, thank you Canine Fund Raiser working party, with more to follow. A great deal of time and effort was put in by many to try to give the RAS a Royal Dog Show, but it was not meant to be.

The Classic Working Party have stepped up and will be running “not royal shows and events” at Dogs West instead, complete with fairy floss I am led to believe. Thank you to the working party on behalf of all of us.

The Association has been travelling on an even keel thanks to Government support in the form of Jobkeeper. Governing Council has adopted a conservative budget for the coming year, and major expenditure remains on hold.

I sincerely thank all the Staff of Dogs West for their flexibility and willingness to do things differently during the lockdown period of the pandemic. Staff quickly adapted to working from home and managed a roster system that allowed for processes and paperwork to continue for our Members. The CEO managed the different phases and requirements as laid down by the Government, without a very clear mandate, as Dogs West doesn’t “fit” into any specific category. Our Groundsman continued to keep our grounds looking their best, waiting for our Members and activities to return.

Since the re-opening of the office and easing of restrictions, the staff have also managed an increased workload due to a staff vacancy, which I am pleased to advise has now been filled. Thank you to all the staff for your work during the past year.

It was my sincere hope that by the time I was standing before you tonight we would have an outcome on the Dog Amendment Stop Puppy Farming Bill.

Work on the Bill started long before the Bill actually existed, with a working party looking into the supply chain of puppies in pet stores. Our CEO was on that initial working group which ultimately morphed into the concept it became, with the Bill the ultimate outcome.

It would be remiss of me not to acknowledge and sincerely thank all the Dogs West Members who have worked with us over this long period. Members who selflessly contributed their time, expertise and knowledge, allowing us to present a strong and compelling case and significantly raise the profile of Dogs West in political circles.

There are too many individuals to name, and I know that many do not seek such recognition. Personally, I am humbled by their generosity, which has also given me great optimism for the future of our organisation after seeing so many Members work so tirelessly together on a common goal.

The advice from our Political Advisor has been sound and astute, and has enabled us to act as Lobbyists on your behalf.

We have walked the corridors of Parliament, meeting with Members of every political persuasion. Those we were unable to meet, have extensive information from us outlining the flaws and unintended consequences of the Bill, whilst seeking support for Amendments for Dogs West Members and their dogs.

To all the individual Members who have made an effort to enlighten Parliamentary Members and the wider public, thank you. One thing said to us many times at meetings is “we have heard from lots of Dogs West Members – they are very vocal”. You should be rightly proud of your efforts.

We now wait for Parliament to resume next week and I will keep Members updated on any information about The Bill coming forward for debate. Liza Harvey has assured us that the Amendments will be tabled in the Upper House, and that there is support for them. We trust that proves to be the case should the Bill be passed.

Thank you to Governing Council members for your support and work over the last 12 months. Darryl Barker and Sue Mallia are leaving Council this year, and I acknowledge their commitment and work done for the Association in the Governance pillar and for the conformation training working party.

Congratulations to Sally Baxter, Heather Jones and Karen Richardson on your re-election and a warm welcome to Julia Logan and Catherine Murphy. I look forward to working with you all.

Our association remains on a sound financial footing and thank you all for being here tonight – an active Association is a healthy one.

In a year dominated by the pandemic and The Bill, some matters remain on hold or were delayed for a while.

One of those was the retirement of our long serving CEO, Ann Rushby. Ann had planned to retire earlier in the year, but stayed on to assist us through the pandemic period and our work on the Bill. For that, I sincerely thank her.

An Exhibitor since 1964, Anne has a long history of active Membership with the Association, as well as an employee.

In those 56 years, Ann has served on the committees of multiple Clubs, been a Canine News editor, Western Classic Chair, customer service officer, Governing Councillor for multiple terms, President for multiple terms, and CEO for the last 7 years. An outstanding record.

The CEO role is a very diverse and a very challenging one.

I thank Ann, not only for her work as CEO, but as someone who has contributed to the Association in so many ways.

Ann, on behalf of the Vice President Des and myself, I thank you for your support, particularly over the last 2 years.

On behalf of Governing Council and all Dogs West Members, I wish you a long and fulfilling retirement – hopefully at some stage you will be able to travel again.

Please accept this small gift as a sign of our appreciation.

Thank you everyone for coming to your AGM.

CEO Report

Well what can I say about the year since March – unique.

With COVID shutdown, the financial situation of the Association was an unknown factor in any new projects. We have been fortunate that although income from events was non-existent, transactions for litters, memberships, prefixes and similar continued to be submitted. The Jobkeeper funding has assisted with our expenses whilst retaining all of our staff.

Over this year, the grounds have been improved with the replacement and extension of the bitumen road surface and line marking right down to the lower arena parking areas. The last section parallel to Ranford is not planned to be done until the developers commence their project.

An unexpected project was the need to repair the corella damage to the electrical cables on the towers around the grounds. The pesky little birds had had a chewing good time on their visits and have now departed for other targets.

Tree planting projects have continued with seventeen new trees along the northeast corner of the lower arena plus additional trees to join the flourishing peppermints going in. New planting has been done in the garden bed along the edge of the pavilion and the garden bed along the side of the compound fence with that limestone wall repaired where it had been damaged by careless parking.

An item that was under consideration for some time has now been purchased. We have invested in a complete set of low white PVC railing fences – seen at horse dressage events – to allow for variations in ring setup in the pavilion area. A new purpose-built trailer will be required to enable transport to the ring areas as each section is 4m in length.

This year we have commenced using electronic format for two aspects of our procedures.

The membership, judges and affiliates renewals were sent out directly from our accounting package. This was not without a few teething problems but resulted in a higher % of renewals being made than in the comparable period last year.

The WA Canine News is now available both in hard copy and digital copy on our website and using ISSU. Members only requiring a digital copy have been requested to advise the office by email to opt out of the hard copy.

I leave my position as CEO knowing that the office is in the capable hands of our very experienced staff. Caroline, who will be acting CEO as well as herself, and Michelle – have both been with the Association for 12 years, Kylie has been in the position for nine years and Ian – our financial controller – who has been with us for five years.

I wish to commend all my staff on their attention to the needs of the members and their assistance given on all manner of tricky questions and issues – Caroline, Michelle, Ian, Kylie and the ground staff – Nathan, Bevan, Ryan and Julie. The office staff have been proactive in taking on extra duties when I have been absent from the office with meetings about the impending legislation and when Lee resigned in late May. I welcome our new staff member – Vanessa – having only started two days ago she is still learning the dog world language and processes. For some time, Anne Howell has been the appointed minute taker for governance hearings – my appreciation for this important task as it spread the workload involved with governance procedures between myself and Anne. My thanks are extended to Ron Wells for his continued manning of the bar, particularly during darts evenings – not that there have been many this year.

Thank you for your support during my tenure as CEO.

I may be leaving my employed position, however that does not mean I will not be involved with my hobby. For the past seven and a half years I have not been permitted to volunteer my time on any working parties or clubs. Now that I am no longer an employee, I will be able to work in a volunteer capacity for the areas of my interest and for disciplines that could do with the extra help.

I have volunteered for the Association for more years than some of you have been members. I acknowledge the many hours volunteered and extend my sincere appreciation to the many of our members that give generously of their time throughout the year to make our hobby work. These volunteers are invested in their particular part of our hobby and want to help events continue. At times they bear the brunt of disgruntled members that do not like the decisions made. Some of our members that have never lifted a finger to assist in our hobby should get off social media and volunteer so that they may then realise the work that is involved in organizing events.

My years as CEO have been enjoyable. There have been some challenges along the way, however these have been resolved with the support of the Governing Council. Over the last few years, I have learnt a lot more about politics than I ever wanted to know.

However, I do find it sad that there is an element in our membership that make use of the Association for their own benefit with little respect for the regulations that govern our activities. It is these members that will attract the attention of the legislators, which may impact on the majority of our members that do the right thing.

It is imperative that our constitution and regulations remain strong and the penalties reflect the seriousness of breaches to ensure order in our hobby to set us apart from the faceless online registries.

Ann Rushby

Canine Fundraisers Championship Show

5 & 6 SEPTEMBER 2020

SPONSORED BY

Eukanuba™

It was very exciting when Phase 5 was announced as being rolled out, and so wheels got put into motion to hold the first all breeds show in Western Australia since COVID hit and shut everything down. A schedule was pulled together and submitted within a week and the notice went out to exhibitors. There was certainly an air of excitement about the return of normal.

Things didn't go as smoothly as planned as a week out from the scheduled date, Phase 5 was delayed. Unfortunately, there was not enough time to get an understanding of what this meant for our event and with Politicians scheduled to attend, it was too risky to hold the event in case of any breaches of social distancing. Dogs West needed to be seen to be doing the right thing.

The show was rescheduled to several weeks later down the track with hope that Phase 5 was implemented prior to the date. The Working Party met and came up with a plan, for what would happen if it didn't as we knew exhibitors were very much looking forward to getting back to showing.

Unfortunately, Phase 4 remained in place and is still in place at the time of writing this. The weather was not on our side and due to the rain forecast and unable to fit everyone with social distancing undercover, the show was split over two days. It was the debut of the new ring surrounds and didn't they look fabulous! This really has lifted the look and keeps up the opinion that we have Australia's Best Grounds!

From all accounts things seemed to run very smooth and I know there were a lot of happy exhibitors to be back. We had a lovely original entry of 696 dogs, with approximately 40 of those having to withdraw due to the change of date. Thank you everyone for your support.

Congratulations to the winners

Vale - Robert Findlay Chisholm – ‘Bert’

26/01/1926 – 26/08/2020

‘Bert’, as we knew him, arrived in Perth from Scotland with his wife Ellen, daughter Christine and son Ron in January 1963. Whilst they all loved Perth, Bert and Ellen maintained their Scottish accents until the end. Bert kept us entertained at AGM’s as we never quite knew what he was moving. He was such an innovator, and when Joe Watson (also heavy scottish accent) had his say it aswell it

could become quite heated so that Christine had to intervene to stop them from fighting and work out that they were actually agreeing with each other. Those were the days when our AGM’s were packed and very entertaining. We really looked forward to attending.

The Chisholms bought their first Irish Setter, Hunter, in 1968 and Bert joined the Gundog Club. As Hunter was a typical destructive Irish, Bert did Obedience with him and gained his CDX. This led them to showing him in the Conformation ring, together with their new addition Fayne, an English Setter, much calmer, so Ellen started showing as well and they both gained their Ch. Titles. They were HOOKED. Bert bought an acre block in Matison Street as it had been Zoned as a Kennel area. As they commenced breeding under the ‘Glenelbert’ prefix so Matison Street became ‘Glenelbert Kennels’. Their boarding kennels were second to none at that time. During the late 70’s and through to the 80’s, you would see 20-30 English Setters and even more Irish Setters being shown. Christine always helped out showing the Glenelberts’ plus she and her eldest daughter, Michelle, bred under the ‘Tanchelle’ prefix for a while but the younger Tanya could not stretch out far enough and so they changed to Whippets which became ‘Tancris’ and they did extremely well. Bert was so pleased to see his and Ellen’s descendants carrying on in the dog world.

They became involved in the clubs that pertained to their breeds but Bert also was on the Fremantle Dog Club and was President for many years during the 70’s and 80’s. He worked so hard for the FDC with Ellen helping out that it became one of the top All Breeds Clubs. Their hospitality was famous and their doors were always open, especially the bar and many a judge turned up to

officiate with a dreadful headache. Later on Bert and Ellen became our Patrons and Christine continued with FDC in many roles over the years. Whenever they went on a holiday, they would come back with something very different that we could use as a BIS Trophy.

A lot of us were very disappointed that Bert who had Groups 2,3,4 and 5 as a Trainee pulled out of the system in the 80’s as he had a wonderful ‘Eye for a Dog’ and knew all about ‘Form and Function’. He was great at working with the younger exhibitors, always giving them lessons and advising on where they were going wrong and how they could improve.

I’m sure that all of us that were around then will always remember long after they finished showing the two of them sitting outside the Gundog ring watching the shows and how disappointed they were that the numbers shown in their breeds just kept going down. I missed seeing them there and at our Shows. I looked forward to my visits to Seaforth Gardens to see Bert as we could always find much to talk about and I actually think that either I was getting a better ear or Bert due to being at Seaforth with so many Australians etc. was showing he was an Australian Scottish Man and a great one at that.

The Western Classic Working Party would like to congratulate everyone who participated and contributed to the 'ALMOST BUT NOT QUITE' and 'SEPTEMBER SOLUTION' All Breeds Championship dog shows on Sunday 27, Monday 28 September, Saturday 3 October 2020. Thank you to the judges Mr Doug Bowe, Ms Michelle Roberts and Mrs Ida Homer along with stewards Mr Frank Waring, Mr Wally Cook and Mr Tony Crocker. It was an incredible three days of showing, the judges and stewards were definitely kept busy for three long days. The weather gods did look after us (except for a couple of showers of rain).

Thank you to our generous sponsors ROYAL CANIN, their support of this event is greatly appreciated. Jodie Grieve, official photographer incredible work. We hope that everyone enjoyed the opportunity to sample the offerings from the food trucks, tuck into some showbags and enjoy reading a book from the book sale. We trust that you enjoyed the event. Thankyou also goes to the stall holders your presence added to the atmosphere. Shout out to Alpha Dogs and Canteen for being available during the event.

Our appreciation is extended to the Dogs West staff. It was fantastic to see the grounds so beautifully presented along with the new ring set up – so clean and fresh looking. Add the Dogs West and Royal Canin gazebos the grounds just truly popped!!

Before we know it the 2021 Western Classic Weekend will be upon us all. With CoVid-19 restrictions still in place, the working party is currently organising a different format for next year. The weekend will be conducted over Friday 26, Saturday 27 and Sunday 28 February only, giving everyone the Monday public holiday free of dog events. There will be three all breeds championship shows, along with all performance events. The weekend will be full of fun and laughter. We say thank you to the major sponsors of the weekend Royal Canin, Eukanuba and Pet Stock. There will be stall holders and a few new things.

2.17 A member shall not breed with a bitch unless the bitch has reached adequate maturity for that breed as determined by the member's Member Body. The minimum breeding age for bitches across all breeds is twelve (12) months at the time of mating. The member and purchaser must further acknowledge in writing to the member's Member Body that the intention of the sale is for the improvement of the quality of that breed in the overseas country, and not for any other purpose.
- 2.28 A member shall ensure that persons acquiring dogs from that member understand the requirements for the care, welfare and responsible ownership of the dog, and that they have the time and facilities, e.g. adequate fences, sufficient room and proper shelter, to fulfil their responsibilities.
- 2.29 A breeder shall be expected to maintain reasonable contact with the purchasers of dogs from that breeder and to offer continued advice and reasonable assistance.
- 2.30 A member **must** register all puppies bred by that member that are living at the date of registration. Such registration must include all living puppies from the litter on the one litter registration application form and must be applied for within six [6] months of the date of whelping.
