President Report

We are very fortunate in WA to have our exceptional facility, and to have weathered the COVID period relatively unscathed. Cancelled and delayed events seem small disappointments when measured against the unfolding war in Ukraine, and the significant flooding events in the East that have impacted fellow dog enthusiasts there.

The pandemic

Thank you to everyone for abiding by the COVID requirements, which have allowed events to go ahead. Events have become more regular, and with interstate travel now a reality, we are welcoming interstate judges to our events, and we can again travel to see family and friends and attend interstate competitions.

COVID infections continue to move through the community, and I encourage everyone to look after their own health and to protect the health of others through this and the upcoming flu season.

State Legislation

No further news has been received to date regarding progress of the Regulations being written following the passage of the Bill through Parliament.

Governing Council

During the last month, I regretfully received resignations from Anne Howell and Josh Griffiths from Governing Council. Governing Councillors are elected by the Members and are volunteers who freely give of their time and expertise. It can be a time-consuming commitment, and I thank both Anne and

Josh for their time and valued contribution to Council and Dogs West. Deputies Sue Shrigley and Catherine Murphy now fill the vacancies, until the next Election.

Elections

The timetable for Council Elections has been published. The future health and well-being of your organisation is dependent on the goodwill and commitment of the Members to see it prosper and thrive, whilst protecting the future of our dogs for present and upcoming generations.

Without Members to assist and have input, that will not happen.

Consider standing for Council and remember to vote when the time comes.

Office Operations

As approved by Governing Council, the Vice President has been assisting in the office following the resignation of the Chief Executive, and I acknowledge and thank Des Kehoe for the significant time he has committed to the office during this period.

Open Day

Our next Dogs West open day will be held in Spring. The first event was an outstanding success and planning is now underway to make this event a must attend. More details will be coming out soon.

Ms Pamela Campbell, President

The best way to predict your future is to create it.

DOGS AUSTRALIA

PRESS RELEASE - AFGHAN HOUND SURVEY RESULTS

A survey was conducted by Dogs Australia last year to ascertain the feedback from all owners of registered Afghan Hounds in relation to the Minimum Breeding Age for Afghan Hound bitches being 24 months at the time of mating (unless a veterinary certificate is produced stating that for health reasons the bitch should be mated before 24 months).

The response received indicated support.

As this was an amendment to current regulations, the result of the survey was referred to the Dogs Australia Board of Directors for consideration at their February 2022 Special Board meeting where it was endorsed.

As a consequence, the following new clause will be added to Regulations Part 6 -The Register & Registration which will be effective from 1 July 2022:

8.16 Afghan Hound (Added 02/22- 6.1. Effective 01/07/2022)

The Minimum Breeding Age for Afghan bitches is 24 months at the time of mating (unless a veterinary certificate is produced stating that for health reasons the bitch should be mated before 24 months).

Breeders of litters whelped on or after 1st June 2022 will be required to comply with the requirements as a prerequisite to registration of any litter on the ANKC Ltd Main Register. Litters which do not meet the above requirements will only be able to be placed on the Limited Register and will be flagged not to be upgraded.

In January 2021 the Board of the ANKC resolved that –

'Effective 1 March 2021, it is the breeder/seller's responsibility, when disposing of a puppy/dog, to transfer the ownership of the puppy/dog to the new owner.'

Dogs West was one of the few State Member Bodies that did not already have such a Regulation in place.

We understand this is an added responsibility for Dogs West members. Please see below a list of frequently asked questions, and their answers, for your assistance.

- **What's changed?**

From 1 October 2021, Dogs West members must do one of the following within 90 days of disposing of a dog:

- Transfer the dog to the new owner/s by completing and submitting the relevant paperwork to Dogs West to transfer of the registered ownership of the dog

OR

- If there is an agreement between the parties that the dog remains in the current owner's name/s, lodge a 'Non-Transfer Agreement' with Dogs West that is signed by all parties

- **If I am keeping a dog myself, do I need to do anything?**

NO.

Any dog remaining with you requires nothing further than registration.

- **If a puppy buyer does not want the certified pedigree, do I still have to transfer the ownership?**

YES.

The ANKC Regulations require the breeder/seller of a dog to transfer ownership.

- **I don't have the Certified Pedigrees prior to the dog leaving. How do I get a dog buyer to sign the transfer?**

You can have buyer sign the 'Application to Transfer/Lease a Dog' found at www.dogswest.com under Members - Application Forms and Agreements, when they pick up their dog.

You can then attach this to the Certified Pedigree (signed by you) to lodge the transfer.

- **Why is it the responsibility of the current owner to transfer the ownership?**

The ANKC Regulations require the breeder/seller of a dog to transfer ownership.

- **If I sold/disposed of a dog BEFORE 1st October 2021, am I responsible for the transfer of ownership?**

NO.

Only dogs disposed of AFTER 1st October 2021 are subject to the new regulations.

- **If I am placing a dog in a new home but wish to retain the registered ownership in my name (e.g. Breeders terms), what am I required to do?**

Complete and lodge the 'Non-Transfer Agreement', with the applicable fee of \$45.

This will allow us to register the agreement of the new owner to NOT have the registered ownership transferred into their name.

- **If I submit a litter registration after 1st October, do I need to pay the Litter Record fee?**

NO.

The Litter Record Fee will no longer apply from 1st October 2021. Registration fees will now be charged per puppy only.

- **I have a contract with my dog owner to say I will transfer the dog after it has been sterilised. What am I required to do?**

Within 90 days of disposing of the dog, you still need to lodge either a 'Transfer of Ownership' or a 'Non-Transfer Agreement'. You can also utilise the 'Non-Breeding Agreement'.

- **Will dog ownership records be made available to government agencies?**

NO.

Dogs West will NOT share dog ownership records with a third party unless legally required to do so.

- **Why were members not consulted about the change?**

The amendment is not optional for Dogs West as it is required by ANKC Regulations.

The ANKC requirement came into effect in March 2021. Governing Council have considered all the options available since then and have tried to manage the impact on our members as much as possible.

- **Is Dogs West profiting from the change?**

NO.

Every effort has been made to make this a cost-neutral process. Extensive financial modelling was done prior to the procedures, regulations and fees being finalised. Governing Council are ultimately responsible for ensuring the long-term viability of the Association and all associated costs need to be covered effectively.

- **Where can I find the relevant regulation?**

Calling All Registered Breeders

Dogs Australia – Media Campaign

Some of you may have seen the recent posts from Dogs Australia, aimed at the general public, introducing the different groups and their main characteristics.

If you haven't seen them, head over to Dogs Australia's Facebook page and take a look. Beautifully presented videos of each group.

Dogs West will be sharing the videos on our social media pages to assist in educating the public on how to find the right canine companion for them, and we encourage our members to do the same.

The videos recommend people to go to the Dogs Australia website for further details, and from there, there are direct links to the State Member Body websites.

It is important we provide as many breeders' details as possible to back up the media campaign.

Dogs West Registered Breeders are able to advertise their contact details **FREE OF CHARGE** on the Dogs West website.

Simply complete the top section of the form available our website

https://www.dogswest.com/dogswest/Members-Application_Forms_Agreements.htm

and send to k9@dogswest.com to be added to our listings.

SCENT WORK IN WA

Western Australia competitors officially welcomed their first Scent Work trial in September 2021. With 24 entries at the first trial and ending up with a total of 19 passes on the day! A nice result after the training efforts for the previous, in some cases years of hard work.

The remainder of 2021, saw a further 5 trials between Sept to Nov totalling 10 elements and 12 classes including our first Advanced Classes on offer at our last trial of the year in November.

Our judges are capped at 80 entries a day and our last trial with two elements, both Novice and Advanced Classes on offer – resulted in EXACTLY 80 entries being received and not causing us to go to ballot.

Scent Work has turned into a fantastic supportive community that is proud to showcase the full spectrum of breeds including many non-traditional scent breeds; Chihuahua, Shih Tzu, Malamutes to Poodles, the list is long!

The future of Scent Work is bright in WA with new trainee judges currently proceeding through the training program, and more clubs expressing interest in adding trials to their annual calendar. To date we have had over 30 Scent Work Novice titles registered in WA and April will have seen the first classes on offer for dogs qualified for Excellent Class and interstate judges contracted for trials – a lovely progression for our sport!

Vale - Patricia McKenna

18/7/1929 – 27/9/2021

Pat was a lady of many parts. She achieved success in many areas during her lifetime, but her most abiding interests were her dogs and her horses.

Pat grew up in Cottesloe on a property that fronted the railway line and, apart from the house held a bakery and small stables. Pat's father was a baker and right up to the late fifties he baked bread which he delivers to nearby suburbs by horse and cart. Knowing Pat I am sure that she would have been assisting in this business as a youngster

Pat had a passion for Cocker Spaniels and spent hours training them in the retrieving field as well as campaigning them in the show ring briefly. She had success in the field achieving a retrieving Champions title with at least one of her dogs. This is a feat that was unique in this state and possibly in Australia. Pat always approached her dogs in a positive way believing them capable of great skill in the field and always encouraging them to tackle the tasks with great patience. She had a few litters and her last dog that she worked in the field was a Dog called Radyr Silver Gem, a very stubborn dog who she worked hard with to achieve some success.

As well as working her dogs Pat involved herself in the judging aspect of dogs. She was a Championship All Breeds Judge as well as a Retrieving, Obedience and Tracking Trial Judge. She officiated in many parts of Australia.

As well as these facets Pat was generous with her time in taking many positions on the committee of the Gun Dog Club which included being Treasurer. Pat also was a very busy trainer for the club giving many people and their dogs a very good introduction to field and obedience work. She was always willing to help with events and her happy approach to life made her a very welcome person with which to work. She was a Life Member of the club.

Pat's other great passion was her horses. She was one of the first female licensed reinsman at the Trotting Track and travelled many kilometres to attend trotting meetings. After having to move from Cottesloe she bought a property in Banjup so that she could look after her horses on site and assist in their training. Once again her determination and dedication resulted in success.

Pat also had a very good singing voice and was an active member of the Gilbert and Sullivan Society in Perth for many years taking part mainly in the chorus of many productions. She was an active member of the choir at the Star of the Sea Church in Cottesloe for many years. This is yet another example of her willingness to serve.

To add another aspect to her varied life Pat was a State Champion and Representative at National Championships in Badminton.

Pat was employed by a firm in Fremantle as a bookkeeper for many years and I am sure would have been a valuable worker for the firm.

All in all Pat was a contributor who enjoyed life and was always willing to help other people. She was a trailblazer in many areas and is sadly missed.

THAT'S A EUKANUBA™ DOG.

Eukanuba™

Unleash the extraordinary in your dog

For the last 50 years, we've used the power of nutritional science to fuel dogs' athletic abilities and unleash their full potential.

Whether your dog is a show dog, used for breeding, a working professional or a family companion, body condition, nutrition and the environment will influence health and performance throughout their lifetime.

We're driven by the idea that nutrition, dogs' lives and performance can always be improved. That's often meant our formulas have broken new ground. We were the first to use beet pulp and key prebiotics to help optimise digestion, the first to use specific levels of omega-6 and omega-3 fatty acids to help support skin and coat health and we created an antioxidant blend to support immune function and post-exercise recovery. The list of breakthroughs goes on — and our commitment to making the best performance nutrition will as well.
