## **‘I LOVE GETTING COMPLIMENTS ABOUT THE CONDITION OF MY DOGS AND HOW WELL THEY LOOK’**

*Kirkdell Labradors was established in 2000 and has achieved considerable success in the show ring over the past 20 years. From the very inception, we have exclusively fed Royal Canin products.*

Our Labradors have thrived on Royal Canin from conception through all stages of life. Our adults are conditioned on Energy 4800 while our lactating bitches are fed Maxi Starter, keeping them in prime condition as they feed the pups. Our puppies thrive on Starter Mousse and Maxi Starter until they are transitioned to Maxi Puppy Active before going home to their new families.

I have been a proud Royal Canin Ambassador for over 10 years now and love getting compliments about the condition of my dogs and how well they look, all as a result of the Royal Canin they are fed.

# President Report

We have come to the official end of what has been a very long and a very hot summer. The days are drawing in, but the heat is continuing and I think we all look forward to more temperate days and nights.

They will however be different days ahead with our State Borders opening and the emergence of Covid within our

community. Whilst we have been fortunate in many ways during the pandemic, the end of isolation will be a relief for many cut off from family, friends and events.

With the border opening have come Covid restrictions. Dogs West will keep Members updated on what restrictions may apply at Dogs West from time to time, and how these may impact on events as they change.

At the end of February, our well respected Chief Executive, Caroline Shaw, left the chair. As I write this report the recruitment for a new person to fill the role is ongoing.

I ask all Members to be civil and patient when dealing with Dogs West staff at any time, either in person, on the phone or in writing. There is absolutely no excuse for any party to be otherwise.

There has been initial contact from the Department of Local Government, Sport and Cultural Industries in relation to the drafting

of the Regulations that will apply under the Stop Puppy Farming Bill amendment to the Dog Act, and of Dogs West inclusion in the process following the commitment from the Minister for Local Government, the Hon John Carey, when we met with him. We remain committed to working to get the best outcome for our Members and their dogs under this new legislation. I will keep Members informed of any developments. At this time, your fellow enthusiasts in New South Wales are responding to suggested changes to legislation in their State.

The recent action by the Norwegian Kennel Club to ban the breeding of Cavalier King Charles Spaniels and British Bulldogs, has raised concerns around the world, and re-ignited debate around the breeding of unhealthy dogs, brachycephalic breeds in particular.

Dogs Australia will be providing ongoing informed commentary on this to support our responsible breeders, and on other matters, and I encourage all Members to join the Dogs Australia Bush Telegraph Facebook Group so that you can be updated on new information to hand and learn how to share the knowledge and information about our wonderful dogs.

Real influence is gained by sharing knowledge and educating by example.

*Ms Pamela Campbell, President*

*Be Positive. Be True. Be Kind.*

## CEO Report 2021

As I write this report, we are once again faced with border restrictions affecting the conduct of events. Interstate judges are once again not a viable option, and consequently, several events have been cancelled and postponed. I have been pleased to see the support offered to hard working committees and working parties having to navigate the restrictions. Certainly not an easy task.

The decision has also been made to postpone the 2nd Dogs West Open Day, planned for 10th April, until later in the year. This event was a fantastic success last year and the Working Party will continue to plan the event so please make contact through the office if you would like to be involved. For the event to be a success we will need lots of volunteers. Members able to meet and greet the public and explain what we do and why we are here are an absolute must. Please consider giving a few hours of your time to promote the Association. Many hands make light work!

By the time this goes to print I will have ended my term as Chief Executive, and my employment of over 13 years, of Dogs West. I take this opportunity to thank those members who have supported and assisted me in this role. And to thank all the staff members, past and present, who do such an amazing job under sometimes trying circumstances.

I wish Dogs West the very best for the future.

*Caroline Shaw*

## ANKC LTD IS SEEKING FEEDBACK FROM OWNERS OF ROTTWEILERS REGARDING THE FOLLOWING PROPOSAL.

The current regulation under Regulations Part 6 The Register & Registrations is as follows:

- 8.9 Rottweiler
- 8.9.1 For litters of Rottweilers born where the parents have been born after 1.1.97, these parents must show results of X-rays for hips and elbows. (Amended 10/13 - 5.6.4)

Proposal to add as 8.9.2:

- 8.9.2 Effective immediately, any Rottweiler born a Natural Bobtail will be eligible to be registered on the Limit Register only and flagged 'NOT TO BE UPGRADED'.

#### *Rationale:*

*The adopted standard (FCI Standard No: 147) for the Rottweiler within Australia has now been updated as of 24 July 2018. A significant change to this updated standard is that it now reflects the length of the tail: "while positioned along the leg, the tail reaches approximately to the hocks or is a bit longer"; and the Natural Bobtail is listed as a disqualifying fault.*

The following referenced attachments are available from the links provided below:

1. Section of FCI Standard No: 147 - 24/7/2018 listing Natural Bobtails as a Disqualifying Fault.
2. Copy Email from Prof Peter Friedrich outlining the ADRK reasons for not recognising NBT's in the Rottweiler population.

## RETRIEVING & FIELD TRIAL "HALL OF FAME" 2022 Nominations

In the first nineteen years of elections, the Australian National Kennel Council Ltd has received nominations for 56 dogs and 41 people to be considered for induction into the Retrieving & Field Trial Hall of Fame. From the nominations received 34 outstanding dogs and 24 exceptional people have been inducted.

The criteria for the two categories for selection are the following:

- 1. Outstanding Gundogs** (must be permanently retired from further competition and have not competed for the past 12 months, or be deceased)
  - (a) Their record as a winning dog i.e., CLUB - STAKE - DATE - JUDGE PLACE and/or
  - (b) Their production record.
  - (c) The eligibility for a dog should be based on its entire competitive career and previous record as a producer, not merely for a particular win or for a heroic deed within the field and retrieving trial sphere.
  - (d) Subject to the receipt of a formal application, dogs that have been awarded the title of Grand Champion and have gained a total number of points equal to, or greater than, twice the total number required for that award, shall automatically be inducted into the Hall of Fame. Such applications must include full particulars and a brief resume of the dog's career.
  - (e) Subject to the receipt of a formal application, dogs winning at least two National Championships in the same discipline shall automatically be inducted into the Hall of Fame. Such applications must include full particulars and a brief resume of the dog's career.
- 2. Prominent Persons:**

Their record of a broad combination of accomplishments as:

  - (a) Club official
  - (b) Judge
  - (c) Owner
  - (d) Handler

The distinction of nomination should be accorded to those who have made outstanding contributions to the field or retrieving game. Nominees should be **givers** to the sport and not **takers**.

Nominations are now being called for the current year. In addition to applications submitted in relation to Outstanding Gundogs 1 (d) and 1(e), a maximum of two other outstanding gundogs and two prominent persons may be elected each year.

### Nomination:

1. Clubs or Members may nominate DOGS and PEOPLE considered worthy of awards, including full details of accomplishments within the above categories and with verification. In the case of dogs, nominations should include the full name, title, owner and date of birth.

[Please note it is a condition of nomination that the nominator/s provides accurate written material supporting the nomination. In the absence of such accurate supporting material, or should the supporting material later prove to be inaccurate in areas of significance, the Selection Panel for the ANKC Ltd Retrieving & Field Trial Hall of Fame reserves the right to reconsider its decision and if appropriate, delete the name of the Prominent Person or Outstanding Dog from the list of inductees.]

2. **Nominations shall close on the 31 May 2022** at respective Member Body offices for forwarding to ANKC Ltd.
3. Please use the proforma nomination forms that are available from all Member Body offices and the ANKC Ltd website at [www.ankc.org.au/HallOfFame/?id=1096](http://www.ankc.org.au/HallOfFame/?id=1096)

From the onset, the main focus of the role of 'Dogs West Compliance Officer' has been about 'prevention and education'. Dogs West aim is for all members to understand and comply with the regulations, and to do what we can to assist with this. This issue we will focus on -

## **Advice for Stud Dog Owners**

It can be a great compliment when someone asks to use your stud dog in their breeding program. Owning a Stud dog comes with many responsibilities which you should be aware of, some of which are listed below.

It is up to you to make sure you are meeting all of your obligations.

It is worth saying that Dogs West strongly recommend that you work out the terms and conditions of your stud arrangements, and have clear written agreements in place, well before the mating takes place. Stud agreements are a private civil matter between the Stud dog and Bitch owners and, unless there has been a breach of the Regulations, Dogs West will not intervene.

It is up to you to ensure your interests are protected.

There are a number of ANKC and Dogs West Regulations that our members must be compliant with and Dogs West members who own Stud dogs should be aware of the Regulations before allowing their dog to be available for stud.

<b>HM2.22</b>	A member shall not permit any of that members' ANKC Pure Bred Registered dogs, without prior approval from the Association, to be used in any mating which would result in a litter being ineligible for registration on the ANKC Register. This includes
2.22.1	To a dog of a different breed
2.22.2	To a cross bred dog
2.22.3	to a non ANKC registered dog of the same breed or
2.22.4	to a dog not on the ANKC Main Register
2.22.5	a mating not in compliance with R2.1. (04/21)

This regulation applies to stud dog owners and bitch owners alike.

## **See Regulations Section R – The Register and Registration**

As the stud owner you must meet the requirements of following Section R regulations -

R2.1.4	The registered owner of the stud dog for the litter must be a financial member of an ANKC Ltd member body at the time of the mating.
R2.1.5	The service declaration on the litter registration form must be signed by the registered owner of the stud dog and provided to the registered owner of the dam.

If you stand your dog at stud you need to take all reasonable steps to ensure that a resulting litter would comply with the requirements for registration.

R2.1	Dogs whelped shall be eligible for registration by Dogs West provided that:
2.1.1	At least one of the registered owners of the dam is resident in Western Australia and is a member of the Association, irrespective of where in Australia the litter is born, except as in 2.1.2.
2.1.2	where a prefix is jointly owned, registered and maintained in more than one State or Territory, the litter must be registered in the State or Territory in which the pups are born.
2.1.3	the owner of the dam of the litter must: <ul style="list-style-type: none"><li>· be a financial member of an ANKC Ltd Member Body and</li><li>· have a current financial ANKC Prefix at the dates<ul style="list-style-type: none"><li>o of mating and</li><li>o of whelping and</li><li>o of registration.</li></ul></li></ul>
2.1.4	the registered owner of the stud dog for the litter must be a financial member of an ANKC Ltd member body at the time of the mating.
2.1.5	The service declaration on the litter registration form must be signed by the registered owner of the stud dog and provided to the registered owner of the dam.

Other things to consider and to discuss with the breeder before allowing your dog to be used at stud are -

- 1. Have the ANKC Health requirements for your breed been met?**  
These can be found in the ANKC Ltd Regulations Part 6 – The Register and Registration and are dependent on breed.
- 2. Is this a first-generation mating?**  
First generation matings (father/daughter, mother/son, brother/sister) are not permitted.
- 3. Is the bitch the correct age?**  
In general, a bitch must be over 12 months and under 7 years to be bred from. There are, however, additional requirements for some breeds. These can be found in the ANKC Ltd Regulations Part 6 – The Register and Registration
- 4. Has the bitch had litters previously?**  
If so, how many and when? A bitch must not whelp 3 times in any 18 month period, and must not whelp more than 5 times overall, without prior permission from the member body.

This list is not exhaustive and is intended as a guide to assist you in meeting the requirements. We are happy to help if you have further questions. Our processing staff can clarify details for you and check individual details prior to mating taking place.

Just email any questions to [k9@dogswest.com](mailto:k9@dogswest.com)

As always, we would much rather assist you than to see you facing a Protests & Disputes Tribunal for not meeting the requirements.

# RETRIEVING TRIALS IN W.A. - AUGUST 2021

On August 7<sup>th</sup> the Golden Retriever Club held their All Age trial Gidgegannup, with Judge being Allan B. Ten dogs entered, and we all knew that being so close to our State Champs, that AI would up the ante. Triple retrieves on all runs required so much obedience, without losing impulsion. Four dogs completed the trial successfully, and Mark Jackson and his cocker spaniel, Ozzie of Aberdeen, won first place on 153 points, and gain his R.T. Champion title. Congratulations!! Second place on 139 points was RT Ch Ellishea Wyatts Flash, a Goldie owned by Heather Ellis, and third place went to Boormagic Solar Flare and Maggie Hankinson on 136 points.

August 8<sup>th</sup> and the Labrador Club had their final Novice and Restricted, with judge for the day Catherine T. Nine dogs entered in Novice, and the challenges of this site whittled down the numbers until four dogs completed the three runs. In first place on 157 points was Sharp Shooters Go For Broke (Imp USA), a handsome GSP owned by Ryan Burke. Second place was Ch Korskote Treasure Trove, a GWP owned by Tony Merceica, with 151 points. In third place on 150 points was Burkes JT a GSP dog owned by Ryan Burke. Restricted stake had ten dogs entered, with a tricky little two bird up first, followed by a doublerise retrieve, and lastly, a mark and blind. A great spectator run, being partly run in water. First place was Brigodee Roll The Dice owned by Kerry Webster, with 170 points. Second place was Ellishea Wyatts Le Roux and Alex Deasy on 160 points, and third place, Korskote Treasure Trove and Tony Merceica with 145 points.

The 14<sup>th</sup> and 15<sup>th</sup> of August were Linc Sullivan Memorial (The Cup), and the Flash Memorial shield, All Age trials. The contracted judge was unable to attend because of covid restrictions, so Allan B. stepped up to judge the Cup and Maggie H. accepted the appointment for the Flash. Many thanks to both. The Cup on the 14<sup>th</sup> was held at Jennacubbine in pretty much perfect weather, with nine dogs entered for the four run stake. All runs were triple retrieves, there were lengthy marks, long blinds requiring accuracy, a double fall, doublerise and two bird retrieves. Several dogs lost their way, and by run four, only two dogs remained, both of which completed the final run. Presentations had in first place RT Ch Brigodee Diamonds Bow Ty N Tux and Kerry Webster on 220 points, and, on top of that a CM (Certificate of Merit) was awarded to Tux for his outstanding work. In second place on 200 points was GRD RT Ch Ellishea Just Cussy CM and Heather Ellis. The other awards for this trial were; Best Veteran Ellishea Just Cussy and Heather Ellis. Best Non RT Ch: Boormagic Booms Addiction and Ann Graham. Best team of three: Ellishea Just Cussy: Bodhran Miss Daisy and Ian Molyneux: Boormagic Booms Ricochet and Colin Hankinson.

August 15<sup>th</sup> and the Flash All Age was underway with eight dogs starting the four run trial. Maggie had put a lot of time in her selections. With relocations, plenty of water hazards and undulations, the runs were a challenge. Some of the less experienced dogs showed great skill and promise, and some of the old recruits were ever reliable in their skills. Four dogs completed the day with first place awarded to Grd RT Ch Ellishea Just Cussy CM and Heather Ellis with 227 points, and second place going to RT Ch Ellishea Wyatts Flash CM and Heather Ellis with 193 points. In third place came Ray Johnson and his GSP Wauchope Summer Storm AARD with 192 points. The best veteran was Ellishea Just Cussy. Best Non RT Champion was Wauchope Summer Storm. The best team of three was Ellishea Just Ned; Ellishea Just Cussy; Wauchope Summer Storm.

# 2021 WA STATE CHAMPIONSHIP RETRIEVING TRIAL

Conducted on 28 & 29 August, on a superb property near Crossman where the dams were overflowing and there was some reasonable cover in the paddocks after a wetter than normal WA winter; we are extremely grateful to the property owners for granting us access. Our Championship judge, Mr Paul Littlejohn, was able to travel from Tasmania to WA this year and made great use of the site to set a challenging course of 6 runs over the two days. The weather was perfect for trialling and the showers just held off until presentations and photographs were completed.

**Eukanuba™**

## A HEAD START ON AN ACTIVE FUTURE

## Fuel their growth and their play

Eukanuba™ puppy diets contain concentrated energy and optimized fat and carbohydrate levels to help fuel growth and play.

At weaning energy required for growth is at 50%, however when this growth plateaus energy required for growth drops down to 8-10%. Our goal with puppies is not to maximise their growth and weight gain but to ensure they grow at the right pace.

Different size puppies have different metabolic growth rates, for example, a smaller breed puppy has a quicker metabolic growth rate and so this must be represented in their diets. As fat supplies more energy per gram than protein and carbohydrate, Eukanuba™ puppy diets have a high calorie density and are a great source of:

- Essential fatty acids
- A concentrated form of energy
- Carrier for fat soluble vitamins

## **20% OFF ALL EUKANUBA™ PUPPY FOOD\***
