Dogs West Open Day was conducted on 18 September 2022, showcasing our amazing grounds, dogs and activities to the general public.

A month into my role as the Chief Executive Officer and all I can say is wow!

What a fabulous organisation, a beautiful block of land and a bunch of passionate and knowledgeable staff, members and volunteers.

Seeing dogs and puppies of all shapes

and sizes around the grounds undertaking various activities with their owners has been a notable highlight so far. As of course was the Open Day, a great celebration of the many things Dogs West and their members deliver. Well done to the Working Party, and all the volunteers and staff involved.

As for the running of the business, I am excited to work with all members and staff, including Governing Council and Subcommittee members on driving our organisation forward. We are aiming to achieve growth in a manner that holds true to our values and integrity as well as prosperity for many decades to come.

This is why we are focusing on a 6-pronged approach to 'Creating a solid foundation'. This will allow a range of business strategies to be implemented over time. The key areas are:

- **Business Compliance:** ensuring all aspects of the business are compliant with current legislations that govern Associations.
- **Business Systems:** deliver a connected system that is functional and efficient. Saving time and money, as well as supporting the needs and expectations of prospective partners and funding bodies.
- **Regulations Review:** we have long discussed the importance of workable Rules and Regulations and a supportive education program to target proactive approaches. Progressing this over 2023 is important and challenging at the same time.
- **Future Directions:** shaping the future of Dogs West involves all our current members, our members-to-be and community in general. For this reason, we will be delivering a comprehensive engagement process to gather feedback and seek opportunities. The result will be a vision and plan for the future of Dogs West, its operations and assets.
- **Assets and expenditure:** to ensure our precious resources are conserved for the most critical and necessary items, we are undertaking an asset review to refresh the Capital Maintenance Plan.
- **Income Sponsorship and Funding:** we will explore a sponsorship strategy and apply for grants that meet our long-term objectives.

I look forward to speaking and meeting more of you over the coming months.

Marzel Norton, CEO

President Report 2022

Two major events for our Members and the Association have been outstanding over the past month.

The Dogs West Open Day was, by any measure, a great success with our grounds full of visitors during the entire event, with many visitors giving positive feedback about their experience. Planning is already underway for the next Open Day in April 2023.

Perth Royal Show had an outstanding entry, and on the day I visited had a constant stream of visitors to the pavilion, and a large crowd watching the agility event outside in spring sunshine. The judges were both very complementary on the sportsmanship shown by all the Exhibitors, and were impressed by the number of public watching events.

Both events demonstrate the ongoing strong interest and desire of a great many of the general public to own and enjoy the company of a canine companion.

My congratulations to all the Members who took part in these events.

Particular congratulations to the members of the working parties and additional volunteers that make these events work, giving a great many hours of their personal time over an extended period to make them happen. We all owe them a debt of thanks.

Pamela Campbell, President

Well again what a spectacular day Dogs West Members put on to showcase our wonderful grounds to the general public.

We had in excess of 6000 members of the general public enter through our gates, to see our grounds, get a glimpse of our fabulous activities, and see what we do most weekends.

A mock conformation show, agility displays, obedience by Pro Dogs and Juniors from the German Shepherd Dog Association of WA, sledding, Breed and Group club displays and our Members showcasing their breeds to the public.

Expert talks in the Members lounge by specialists in their field of work including vets and behaviourists.

Food vans, and the Dogs West canteen gave the public and our members choice for food for the day.

Our hardworking MC for the Day, Anna Courtman, who did many things ad hoc, was amazing and kept things flowing for our audience to know what was happening and when.

Dogs West Members who went above and beyond to help members of the public and make sure they had a great experience with Pure Bred Dogs.

To our very hardworking but small committee who made this year again such a success. Thank you to Cathy Storrs, Tony Crocker, Jenny Sayers, and Roni Oma, who stretched themselves and made this event the success it was.

To the volunteers on the day, the many exhibitors and stall holders, the performance teams and trainee judges- a huge thank you as you helped to make this event a success.

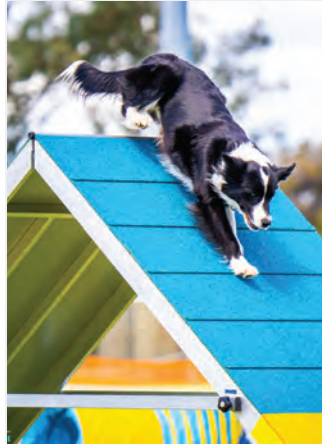

To our very helpful staff from Dogs West who helped along the way and even came for the day – thank you. And our plea to the weather gods was listened to and rain held off until later that night.

Next year our date is April 2nd 2023, so lets step it up a notch and have another fantastic event at Dogs West.

JUNIOR HANDLER *State Final 2022*

The Dogs West Junior Handler State Finals were held at the Metropolitan Kennel Club shows on the 31st July, with the children put through their paces by Judge Miss Kari Harding (South Australia). Thank you to the MKC for allowing us to host our State Finals at your show and being so accommodating.

This past year has really been a fantastic year for Dogs West members showing their support for the kids. It's great to see so many clubs running the heats at the shows. Because of these heats, we had a great turn out of children competing in the State Finals.

We were able to put on a spectacular prize table because of the generosity of our Dogs West Community and fantastic sponsorship we have received.

We are so thankful for everyone who has contributed to it. Dogs West members should be so very proud of how they support and encourage the future of our sport.

A huge thank you to Steve Warry, Shirley Briggs, Michelle Briggs and Chelsey Primrose who stepped in to run the Junior Handler training nights whilst I was on maternity leave. It was wonderful for the kids to have these additional training sessions, we are all so grateful for you giving up your time.

We wish Baya Draper all the best as she represents Western Australia at the National Finals hosted by Adelaide on October 8th.

7. ANNUAL FINANCIAL REPORT – 1 JULY 2021 TO 30 JUNE 2022.

Moved J Fenner

THAT the financial report be received.

The President introduced Ian McNeill, Financial Controller of the Association, to present the Financial Report.

Summary -

1. Cash at bank balance as of the 30th June 2022 was \$2,442,379 which was \$279,016 more than at the same time last year.
2. Dogs West Profit as at the 30th June 2022 was \$124,027 and this was \$168,049 better than budget and \$75,036 worse than last year. This worse than last year result was due to receiving Covid 19 Job Keeper payments (~\$99,000) in the previous Financial Year.
3. Total Income for the 2021/22 Financial year was \$1,325,978 and this was \$43,946 more than budget and \$139,203 worse than the same period last year. Once again due to receiving COVID payments in the previous financial year.

The following are noted:

	Compared to Budget	Compared to last year
Admin Fees Income	+48%	-3%
New Membership	-0.1%	-1%
Prefix Income	+6.6%	+8.5%
Registrations	+17%	-14%
Membership renewals	+4%	+6%
Transfers	-19%	+70%
Titles	+7%	+30%

Income Notes:

The main areas of reduced income during the previous Financial Year due to COVID have returned to normal, although Transfer income increased substantially compared to last year due to the ANKC/DA ruling that it was the puppy owner/breeders responsibility to transfer the puppy within 3 months of the sale of a puppy.

Most other areas of income were equal to or greater than budget and the previous financial year except for Puppy Registration income which decreased by approx. \$54,000 due to no longer charging the Litter Registration fee. It has been noted that puppy registrations have declined over the past 6 months however this appears to be returning to pre covid numbers as puppy registrations did increase substantially during Covid.

4. Total Expenses for the 2021/22 Financial year of \$1,201,951 were \$125,714 Less than budget and \$64,167 Less than the same period last year and this included:

	Compared to Budget	Compared to last year
Admin Expenses	-9.6%	=
Employment Expenses	-1.5%	+1%
Office Expenses	-21%	-16%
Repairs and Maintenance	-23%	-17%
Services	-8%	+9.4%

Expenses Notes: Most areas of expenditure were well down on budget and the previous year, mainly due to being cautious with regards to COVID returning.

5. To Summarise: Dogs West Financial position remains very healthy with most areas of income returning to pre Covid levels. The end of year Cash position of Dogs West has increased by approximately 13% on last year.

10.1 Moved D Kehoe Seconded H Jones

THAT Clause 28.4.1 of the Constitution be amended

From the current wording of:

- 28.4.1 The Governing Council shall annually appoint the Tribunal which shall comprise a Chairperson and up to nine (9) members. No member shall be a member of the Appeals Board or a member of the Investigations committee.

To now read:

- 28.4.1 Chairperson. Governing Council shall annually appoint the Protest and Disputes Tribunal Chairperson.
- 28.4.1.1 Tribunal Members. Governing Council shall appoint from time to time, but at least annually, a number of members, that number being as determined by Governing Council from time to time, but the number shall be no less than seven (7). No member shall be a member of the Appeals Board or a member of the Investigations committee.

Rationale:

This will allow Governing Council to act to ensure there are correct number of tribunal members available to suit the current conditions. For example, the current Covid situation has resulted in the pool of available tribunal members being depleted and hearings having to be rescheduled. Having a greater number of tribunal members available would have eased this.

CARRIED

10.2 Moved: D Kehoe Seconded A Rushby

THAT Clause 40.2 of the Constitution be amended

From the current wording of:

- 40.2 The Association and the affairs thereof shall be wound up in such a manner as the Governing Council may determine and upon all property of the Association being realised the money obtained thereby together with monies in hand shall be used and applied in manner following, namely:
- 40.2.1 Firstly, in payment of the expenses of such realisation and winding up.
- 40.2.2 Secondly, in payment and discharge of all debts and liabilities for which the Association shall be responsible, and
- 40.2.3 Thirdly, the surplus (if any) shall be distributed to some other incorporated Association having objects similar, wholly or in part, to the objects of the Association and which shall prohibit the distribution of its or their income and property among its or their members, or some charitable object.

To now read:

- 40.2 The Association and the affairs thereof shall be wound up in such a manner as the Governing Council may determine and upon all property of the Association being realised the money obtained thereby together with monies in hand shall be used and applied in manner following, namely:
- 40.2.1 Satisfaction of the debts and liabilities of the Association; and
- 40.2.2 Satisfaction of the costs, charges and expenses of winding up or cancelling the incorporation of the Association, but does not include books relating to the management of the Association.

- 40.2.3 On the cancellation of the incorporation or the winding up of the Association, its surplus property (means property remaining after satisfaction of 40.2.1 and 40.2.2) must be distributed as determined by special resolution by reference to the persons mentioned in section 24(1) of the Act.

Rationale:

The Department of Mines, Industry Regulation and Safety, Consumer Protection has advised that that Consumer Protection has undertaken a review the Association's revised rules and found the following:

- Schedule 1(19) of the Act requires the rules to include way in which surplus property of the incorporated association must be distributed or dealt with if the association is wound up or its incorporation cancelled. The Associations' clause must be consistent with Section 24(1) of the Act

This will make the Constitution clause consistent with the Act.

CARRIED

THAT Clause 5 of the Constitution be amended

From the current wording of:

Administrative Officer - the Secretary, Registrar or Chief Executive Officer of the Association

To now read:

Administrative Officer - the Position Title of the Administrative Officer shall be as defined by Governing Council from time to time.

Rationale:

The term Administration Officer dates back in time. Today's Association is viewed and run as a business. This amendment will allow Governing Council to appoint a contemporary working name to the position.

The recent recruitment process was negatively impacted by the inflexibility of this clause.

THAT Clause 29.2 of the Constitution be amended:

From the current wording of:

Before imposing any disqualification, fine or other penalty, the Member shall be given an opportunity to be heard in answer to the charge by the relevant governance body after being given due notice of the hearing at which it will be considered. Notice in writing sent by registered mail addressed to the person concerned at his usual or last known place of abode or business or mailing address shall be deemed to be service of the notice which shall be deemed to have been served seventy two (72) hours after being put in the post **To now read:**

Before imposing any disqualification, fine or other penalty, the Member shall be given an opportunity to be heard in answer to the charge by the relevant governance body after being given due notice of the hearing at which it will be considered. Such notice shall be sent to the person concerned by - Firstly, email to the email address as recorded on the National Business System. Any item transmitted electronically shall be deemed to have been served the same day as transmission.

Secondly, if no email address is recorded, registered mail addressed to the person concerned at his usual or last known place of abode or business or mailing address. This shall be deemed to have been served seventy two (72) hours after being put in the post.

Rationale:

The vast majority of members have an email address recorded within the National Business System (the Dogs Australia database used by all the Member States Bodies). Those that don't have an email address recorded will still receive the notice, by traditional mail. Email is now an acceptable method of communication and in the current climate more reliable than the postal system. This will both simplify and improve the process.

To now read:

An Annual General Meeting of Members shall be held once during every year within six (6) calendar months of the end of the financial year and at such meeting fifty (50) eligible voting Members present shall form a quorum.

Rationale:

This will make the Constitution clause consistent with the Act.

CARRIED

10.6 **Moved** S Briggs Seconded A Rushby

THAT Clause 15 of the Constitution be amended by the addition of:

15.2.3

To be eligible to nominate for the position of Executive or Governing Councillor, the member must not:

- Be a member of the immediate family, and/or
- Be in a partnership relationship, and/or
- reside at the same address as a current governing councillor or another nominee for a governing council position.

Rationale:

- *Given the powers of the Governing Council (refer Constitution 19) to make decisions on all affairs relevant to members, it is the expectation that all discussions and decisions will be open for debate without preconception and possible influence.*
- *The perception of having related and/or cohabiting people on the council is that they will have discussed matters beforehand and come to the same decision – this is not necessarily the case however it is what may be perceived to happen.*
- *Judges and exhibitors are bound by similar regulations that preclude them judging and entering under these conditions along with additional conditions.*
- *The same conditions that judges and exhibitors are required to abide by should apply to the members that are elected to manage the affairs of the entire Association.*
- *Governing Council is the final avenue of appeal by Dogs West members on items not dealt with by governance committees. If there are a number of partners/co-residents on council, it may be seen as a breach of natural justice.*
- *Hypothetically, there could be a Governing Council managed by four related/cohabiting couples and three other councillors making up the elected council.*
- *I do not believe that it is in the best interest of Dogs West members to have a Governing Council that could be perceived as not impartial in its decision making.*

23.8 The attendance record for Governing Councillors be published in the July/August issue of the Canine News and on the Dogs West website.
Renumber existing 23.8 onwards

Rationale:

The publication of Councillors' attendance record was adopted quite a few years ago but was only included in Governing Council policy. This policy item has not been published for some years.

The original decision to do this was for the information of members as to whether the councillors were representing their best interests in regular attendance at council meetings.

THAT Clause 23 of the Constitution be amended by the addition of:

23.10 The scheduled dates that Governing Council meetings are to be convened be published in the Canine News and on the Dogs West website with any amendments updated on the Dogs West website.
Renumber existing 23.10 onwards.

Rationale:

Current 23.8 permits members to attend Governing Council meetings as observers only during non-confidential agenda items.

If a list of scheduled Governing Council meetings was available then members would be informed and able to attend if interested.

12. GENERAL BUSINESS.

- 12.1 J Fenner noted that a number of people leave the meeting after presentations.
A count was undertaken and it was confirmed that a quorum remained in attendance.
It was agreed that presentations be moved to the end of the meeting in future years.
- 12.2 S Seymour - Did the printing error on the Governing Council Elections (member details section on reverse of Returning Officer envelopes causing re-issue of all ballot paperwork to all members by mail) affect the voting numbers and outcomes?
The President advised that the association staff had taken extensive checks to ensure the error did not occur. The proofs had been correct, and the error laid with the printer. Consideration would be given to this for future printing. Total number of votes consistent with previous years so the error did not appear to have impacted the outcome.
Electronic voting process is being investigated.
- 12.3 C McRae – suggestion that representation be made to Consumer Affairs regarding the advertising of dogs being described as being pure bred, when they may not be, quoting the action taken against a Perth restaurant that was charging for a particular meal which was found to be not the item served. Discussion ensued on how such an approach may be made when only DNA testing can confirm dog parentage.
- 12.4 S Seymour - suggestion online attendance for hearings, AGM or Governing Council meetings be considered.
The President confirmed that remote attendees can attend a meeting via Zoom, but that the Committee prefers to be at any hearing in person.
Confidentiality issues discussed.
- 12.5 S Seymour – raised that reliable sources had advised him that not all correspondence addressed to Governing Council was seen by them. Mr Seymour declined to identify the reliable resources.
The President confirmed that the CEO is responsible for receipt of correspondence and forwarding to relevant party for action. If correspondence is relevant to Governing Council, it is included in the next available Agenda. If not, it would be directed to the relevant party. Matters pertaining to any ongoing Governance matter are not seen by Governing Council.
- 12.6 H Jones - advised members that Dogs West Open Day will be conducted 18 September 2022 and gave an overview extensive events planned. All disciplines being represented. Lots of members have volunteered already. Call for more volunteers from membership to assist on the day.
It was agreed that a number of politicians and mayors be invited.
- 12.7 S Briggs – asked who would make a decision if someone claimed a lease was incorrect and whether Dogs West follow their own regulations?
The President advised the office would investigate this kind of issue and act in accordance with the regulations and, if necessary, legal advice would be sourced. The President attempted to answer the query, being mindful of the fact that it concerned a matter between Members which ended in Court, with Dogs West also a party to the hearing. It was not possible to answer the query raised.
- The President thanked members present for their attendance and closed the meeting
at 9.30pm.

President Report

We have emerged from border lockdowns and everything that the pandemic brought with it, into a new reality with virus slipping from the daily news headlines while continuing to circulate through the community.

Member Events have resumed, with Interstate and Overseas judges now travelling, subject to them not being

affected by cancelled flights or having the virus, still causing some anxious moments for Club Secretaries and working parties at times.

Costs have risen with rising inflation; household budgets are being squeezed.

The soaring demand for puppies and dogs, seen during the pandemic, has subsided, and sadly many dogs are being surrendered due to suitable housing shortages and lack of affordability. Thankfully the majority appear not to be pure bred dogs. The online directory used by many for pure bred dog sales, so bereft of listings during the pandemic, now shows numbers building across many breeds.

Some recent event numbers remain lower than pre-pandemic levels and is perhaps not unexpected in the current circumstances of rising living costs, winter weather and virus infections, with Scent Work bucking the trend and being embraced in growing numbers.

The Coordinator of Events will be speaking about events during the past year later.

Financially, Dogs West has weathered the pandemic and remains in a solid financial position.

There has been no further feedback on any progress that has been made to date on the writing of the legislation for the amendment to the Dog Act passed by Parliament.

Local Government awaits the Legislation to understand how it will apply and when it will come into force. Dogs West needs to have the same answers to commence our engagement with Local Government.

The reply to my enquiry on progress just last Monday received the same response as was published recently by the Department, distributed to many via email recently.

Members will recall we held a special meeting to gain approval for the small land swap between Dogs West and the owners of the land previously sold by Dogs West. There have been surveyors on site in recent weeks on that land holding, which may indicate future development of the site may be under consideration.

That development would allow Dogs West to complete the upgrade to the remaining car parking and roadways on the Ranford Road side of the property, to upgrade our property fencing and have an enhanced entry way off Warton Road. We will keep Members advised of any progress.

The Finance Committee is going to assess options to upgrade the flooring under the pavilion, including what options may be viable to provide a softer footfall. Council last week agreed to investigate the refurbishment

or replacement of the lift at the end of this building to this floor.

We welcome our new Chief Executive here tonight; Marzel has been with Dogs West just 10 working days, and we are very pleased to have her join the Dogs West team.

My sincere thanks go to the Dogs West staff who took on extra duties and rolled up their sleeves during the extended time taken to fill the Chief Executive role and ensured that services to our Members were not affected.

It would be remiss of me not to mention and particularly thank your Vice President, Des Kehoe, who spent significant hours as a volunteer assisting in the office and in the recruitment of a new groundsman.

Which brings up the wider conversation on volunteering.

I think each year that I have presented a report to the AGM I have asked that more Members consider giving of their time in some capacity as a volunteer. The very old saying that many hands make light work has never been more relevant at this time, when volunteering across many fields of interest is in decline.

I have said many times, that this is a Member Association.

Without a welcoming culture and an underlying ethos of lending a hand and supporting each other, it simply will not prosper.

A call for volunteers to assist in the Dogs West Open Day has had a very small response – a disappointing situation for an event meant to showcase all that Dogs West and ownership of a pure-bred dog has to offer.

The previous Open Day was an outstanding success, and the Events Working Party have been working very hard to ensure that the event on 19 September is another great day.

On the other hand, it was pleasing to hear last week that the recent Stewards Training Course attracted 8 Members to learn the art of stewarding – a positive sign that there are people who do want to be involved.

I offer my congratulations to the successful candidates in the Governing Council election and I look forward to working with you.

I also say a sincere thank you to those who were not successful this time. I thank them for nominating and for their work on Council in the past.

And I thank everyone here for attending tonight.

It has at times been a very challenging twelve months.

I think that Dogs West and our Members have a bright future if we can appreciate and value what we have, grasp our opportunities, support and be considerate of each other and welcome new Members to everything that we have to offer.

I now ask our Events Coordinator Penny Kenny to present her Events report to you.

Ms Pamela Campbell, President

EVENTS REPORT 2021/2022

With the borders closed for an extended time due to Covid 19 restrictions set by the state and federal governments, many of the events during 2021/2022 were affected.

State Retrieving Trial

The 2021 State Retrieving trial was held on a superb property near Crossman where the dams were overflowing and there was some reasonable cover in the paddocks after a wetter than normal WA winter. A huge thank you to the property owners for granting access to allow this event to take place. The judge travelled from Tasmania for the weekend. The course was a challenging course (from what was reported). The weather was perfect for trialling and the showers held off until the end of the presentations. Congratulations to all winners.

State Obedience and Rally O Trials

No trial due to lack of volunteers for the working party. We look forward to the trails in 2022. Thankyou to our new chairperson and working party.

Dances with Dogs State and Tricks Dog Test

The arena looked fabulous and the prizes table was bursting at the seams. With a record entry of 40 routines it was a full day of great sportsmanship and fantastic colourful routines set to brilliant music. The Tricks Dog Tests in the afternoon saw more super performances. This was the first time the Tricks Dog Test was run in conjunction with the DWD State.

Western Classic Weekend

The weekend was moved from March to May due to the state border restrictions at the time. The weekend was a huge success and the weather was truly incredible. A huge thank you to the incredible sponsors for the weekend. There were many stall holders (some travelling from interstate) which added to the atmosphere over the weekend. The sponsorship over the weekend was truly incredible thankyou to all your support of this event is truly appreciated. The final of the 2021 Top Open Show Dog was conducted, well done to all who qualified. Congratulations to all the winners over the weekend. I believe the working party is hard at work organising the Western Classic for 2023.

State Agility Trial

An incredible weekend of agility trials. The grounds were impressive. The prizes table was glowing. The competitors were kept on their toes all weekend, with fantastic courses set by the judges. Well done to all exhibitors and congratulations to all winners.

Measuring working party

The working party has continued to measure dogs throughout the year as required.

Canine Fundraisers

The working party held one show in January with local judges and then three shows in June with interstate judges.

Celebration of the Best

Was not conducted in 2021, due to so many events cancelled.

Junior Handlers

With all the children dressed to compete and the nerves under control (children and parents), the event was a huge success. Thankyou to Mrs Shirley Briggs for stepping in to judge the event at short notice due to the border restrictions. The prize table was bursting, thankyou to the Dogs West community for your generosity. It was lovely to see so many people ring side to support the junior community at this event. Congratulations to all who participated, you should be proud.

Thank you to our corporate sponsors Royal Canin and Eukanuba who supply product for the events listed above.

I would like to thank all chairpersons and working parties who make the events happen, without their dedication these events just would not happen.

From 1 October 2021, Dogs West members must do one of the following within 90 days of disposing of a dog:

Transfer the dog to the new owner/s by completing and submitting the paperwork to Dogs West to affect the transfer of the dog

OR

If there is an agreement between the parties that the dog remains in the current owner/s name/s, lodge a 'Non-Transfer Agreement' with Dogs West that is signed by all parties.

What's Changed?

You now have the option to transfer the dog to the new owner/s at the time of Litter Registration.

In Part 2 of the Litter Registration Form, where you supply puppy details, you can now also include new owner/s details.

The Litter Registration Form now consists of 3 parts.

- **Part 1 (page 1) remains the same**
- **Part 2 (page 2) now includes space for new owner/s details**
- **Part 3 is a continuation of Part 2 (additional pages).**

Transferring a Main Register Puppy at the time of registration.

When transferring a puppy on the Main Register without endorsements you will need to provide the new owner/s details by completing the spaces available on Part 2 of the Litter Registration Form. No additional forms need to be supplied.

Transferring a Main Register Puppy at the time of registration with endorsements.

When transferring a puppy on the Main Register with endorsements (i.e. not for export from Australia or not to be used for breeding) you will need to provide the new owner/s details by completing the spaces available on Part 2 of the Litter Registration Form and include a signed Application to Transfer/Lease a Dog.

The cost to register a puppy is \$50 and the cost to transfer a dog is \$40.

We recommend having these forms available for your puppy buyers to sign when they collect their puppy. These forms are also fillable online and can be completed by your puppy buyer and emailed to you.

Transferring a Limited Register Puppy at the time of registration.

When transferring a puppy on the Limited Register you will need to provide the new owner/s details by completing the spaces available on Part 2 of the Litter Registration Form

and provide a Limited Register Agreement signed by the new owner/s.

The cost to register a puppy is \$50 and the cost to transfer a dog is \$40.

We recommend having these forms available for your puppy buyers to sign when they collect their puppy. These forms are also fillable online and can be completed by your puppy buyer and emailed to you.

No Transfer of Ownership.

If you are retaining ownership of the puppy or submitting a Non-Transfer Agreement you do not need to include new owner/s details in Part 2 of the Litter Registration Form. The puppy registration process remains unchanged.

Cost of Registration and Transfer.

The cost to register a puppy and transfer a dog remains unchanged. As of 1 July 2022, the cost to register a puppy is \$50 and the cost to transfer a dog is \$40.

Example - If you submit a litter of 5 puppies (1 Main Register and 4 Limited Register), with new owner/s details for 4 Limited Register puppies and 4 signed Limited Register Agreements, the total cost would be \$410 (5 Registrations plus 4 Transfers).

New Pedigrees.

When you transfer ownership at the time of registration you will not receive a physical copy of the new Pedigrees. A copy of the transferred pedigree will be provided to you by email.

Example - Using the same scenario above, you would receive 1 physical Main Register pedigree and 4 electronic copies of the transferred Limited Register pedigrees.

Where to access the forms.

All forms are available on our website, under Members - Application Forms & Agreements - Registration & Transfer Application Forms or in the Dogs West office. For a small fee, Dogs West can also print a batch of these forms and post them to you.

What if my puppy buyer changes their mind/the dog is returned?

When a dog is returned to you, registered ownership must also be transferred back to you. The puppy buyer will need to return the signed dog's Certified Pedigree to you. If the Certified Pedigree cannot be supplied a Duplicate Certificate of Registration and Application to Transfer/Lease a Dog (signed by the puppy buyer) must be provided.

The cost to transfer a dog is \$40, the cost of a duplicate certificate is \$32.

ARE YOU TRAVELLING WITH YOUR DOG TO NORTHERN WA? TAKE STEPS TO REDUCE THE RISK OF THE SERIOUS DOG DISEASE EHRLICHIOSIS.

In May 2020, a Kimberley private vet submitted samples from a small group of domestic dogs from Halls creek and Kununurra with disease signs similar to the exotic disease, ehrlichiosis (*E. canis*). The test results showed some of these dogs were infected with *Ehrlichia canis*, a bacteria transmitted by the brown dog tick. *E. canis* occurs worldwide, particularly in tropical and subtropical regions, but this was the first time it had been detected in Australia in dogs not imported from overseas.

The Department of Primary Industries and Regional Development undertook surveillance for the disease. It is now confirmed that ehrlichiosis is established in the Kimberley, Pilbara, northern Goldfields and Gascoyne regions of northern WA and the Northern Territory. Detections have also been confirmed in South Australia and Queensland.

Once ehrlichiosis is in the brown dog tick population, it is very difficult to control. Nationally it has been agreed that *E. canis* cannot be eradicated.

How could my dog become infected?

Ehrlichiosis occurs when an infected brown dog tick (*Rhipicephalus sanguineus*) bites a dog and transmits the bacteria. Dogs do not directly transmit the disease to each other, but infected ticks in the environment present a risk to other dogs. The disease is maintained by a cycle of transmission between ticks and dogs.

What signs of *E. canis* should I look out for in my dog?

The signs of ehrlichiosis can vary significantly from almost no disease signs to the sudden development of severe fever, lethargy, lack of appetite and weight loss. Affected dogs may have bleeding disorders or discharge from the eyes and nose.

The incubation period for the development of acute disease is approximately 1–3 weeks after the tick bite, but the disease may recur months or years later following infection.

How will I know my dog is infected?

Ehrlichiosis is diagnosed by assessing the disease signs in conjunction with positive laboratory test results. Confirming the diagnosis via testing is important, as the disease can resemble other conditions, including other tick-borne diseases in Western Australia. Always contact a vet when dogs become unwell. Early diagnosis and treatment will provide the best chance for recovery.

How can I protect my dog?

Prevention is the best possible protection, as a vaccine is not currently available. To help prevent ehrlichiosis from occurring:

- If living in or travelling to areas where the brown dog tick is present, such as northern WA, ensure your dog is on an effective tick preventative. Veterinarians can advise on the most suitable tick prevention and control products for your situation.
- Tick collars and spot-ons that repel and kill brown dog ticks offer the best primary protection as they kill the tick before it has a chance to infect the dog. Tablets and chews registered for brown dog tick control provide an additional layer of protection but will not always kill the tick quickly enough to prevent infection by themselves.
- Inspect your dog daily for ticks, especially if they have been in a brown dog tick-infested area. Run your fingers through your dog's coat, over its skin, and feel for abnormal bumps. Pay particular attention to the head and neck, inside their ears, on their chest, between their toes and around their mouths and gums.
- If you find ticks on your dog, ask your veterinarian for advice on the best way to remove them. Also treat places where dogs sleep in your house and yard for ticks to prevent them from being infected.
- If you are travelling with your dogs to northern WA, try to prevent them from entering tick-infested environments and having contact with other dogs which may be carrying ticks. This includes places you may stop, like fuel stations and caravan parks.
- If you return to Perth from an area where the brown dog tick is known to be active, maintain a tick prevention treatment for an additional three weeks. The brown dog tick may survive in houses and kennels in southern environments.

More information

If you think your dog may have *E. canis*, contact your private veterinarian, local DPIRD veterinarian, or the Emergency Animal Disease Watch hotline on 1800 675 888.

More information is available on the DPIRD website at agric.wa.gov.au/ehrlichiosis.

WOW what an event, with Eukanuba as our sponsor and members and clubs helping financially towards the running of the event the trophy table looked superb, the grounds in perfect condition the weather could not have been better so the stage was set for awesome performances and this is what we achieved. Wins and passes in every class, fabulous heelwork, amazing team work, so many different breeds competing, Show Champions, Obedience Champions, DWD Champions, Rally Champions and Tracking Champions made this a smorgasbord of talent to watch.

A fantastic entry in all classes with all eight dogs in the CCD class that went to stays judged by Frank Waring gaining a qualifier what a brilliant start to their career, we had a championship score in UDX and gaining a perfect score in

UD and winning the winner of winners for Obedience was Jill Houston with Obedience Champion Noblestarzz Chase the Ace.

In the rally three of the four classes gained perfect scores which just goes to show the quality of the dogs competing, again taking top spot in the winner of winners was Jill Houston with Obedience Champion Noblestarzz Chase the Ace, mega congratulations.

It was a joy to see the comradery amongst competitors and the judges in all classes were delighted with the quality and sportsmanship of their contestants. To our stewards and judges and everyone that made this event a success - Thank you.

Eukanuba™

Unleash the extraordinary in your dog

For the last 50 years, we've used the power of nutritional science to fuel dogs' athletic abilities and unleash their full potential.

Whether your dog is a show dog, used for breeding, a working professional or a family companion, body condition, nutrition and the environment will influence health and performance throughout their lifetime.

We're driven by the idea that nutrition, dogs' lives and performance can always be improved. That's often meant our formulas have broken new ground. We were the first to use beet pulp and key prebiotics to help optimise digestion, the first to use specific levels of omega-6 and omega-3 fatty acids to help support skin and coat health and we created an antioxidant blend to support immune function and post-exercise recovery. The list of breakthroughs goes on — and our commitment to making the best performance nutrition will as well.

Restaurant owner, good manager, life member of Moscow Dachshund Club, Australian citizen, All Breeds judge, Underground Dog Working specialist, family man, honest friend.

Tell us a little about your background with dogs?

I started to be involved in FCI CACIB dog shows and FCI CACIT Underground Hunting Dog competitions since 1995. My passion breed is dachshund.

What year did you start to train to become a judge: 1998

Why did you decide to train to become a judge?

Being surrounded by famous judges who built my way.

What do you enjoy most about judging?

I enjoy the judging – being honest towards myself.

What hobbies do you have, if any, apart from canine activities?

Registered beekeeper, fishing, and member of vintage cars club.

What's next for your canine career?

Being valued.

Winter Rhodes – Junior Handler

What year did you start to train to become a junior handler?

I started Tiny Tots at 8 months.

Why did you decide to train to become a junior handler?

I watched my mum show her doggies and I was always dying to go in the ring with her. When I turned 7 I started going to Junior Handler training with Ashlea & Julie, and also training with my mentor Michelle Roberts.

What do you enjoy most about junior handlers?

I like being able to show and learn about all different breeds, and show my Chow Chow Jean in the big ring, and beat my mum!

What hobbies do you have, if any, apart from canine activities?

I like doing theatre, and going to the football, and cheering on my team. I love to play Nintendo, and baking. I also love to help take care of my little brother and sister.

What's next for your canine career?

This week I am competing in my first Royal Show with my Chow Chows, and in Junior Handlers. I am so excited.

Dogs West is continuing to seek opportunities to showcase the organisation and the great people in our membership group.

Winter Rhodes – Junior Handler

Who you are and your key achievements

My name is Winter, I am 7 Years old and I am in Grade 2 at Pioneer Village School. I am a clever reader, I can read 5 levels higher than my age level. I have many hobbies, including Musical Theatre, and I was the youngest person to receive a Roley Award at Roleystone Theatre when I was 5. I love reading, movies, Pokemon, singing, dancing, my friends, and my family. But most of all I love to show dogs! I have been growing and learning as a handler these past few months, with the help and support of lots of people around me. I competed in my first Junior Handler State Finals this year, where I handled my favourite Miniature Smooth Dachshund, Harry, and for a swap dog I was introduced to an amazing Australian Shepherd named Sorin (who also has quickly become my favourite too). Together we got first place in the 7 to under 10 age class. Recently I got to handle my best friend Harry again at a Dachshund Specialty Show and we got Runner Up In Show! I also beat all the grown ups at the Non Sporting Dog Club show and won the breed with my chow chow. Last year I also found out I have type 1 diabetes and I got my new insulin pump right before state finals.

Tell us a little about your background with dogs?

I have been around dogs my whole life. When I was a baby my Mum used to breed Alaskan Malamutes under the prefix TIMEWOLF. I grew up with the puppies. I also attended dog shows with my mum. Before I could walk I would be carried into Tiny Tots by my mum. I would go in with my dummy still in my mouth, but I would proudly stack my blow up dog. Eventually I started to hold Mum's hand as I learned to walk. And then when I could walk, I told Mum I could do it on my own! Now we breed Chow Chows under the prefix MOONCHOW, and I get to show chow chows with my mum.
