The Bill

As all Members would be aware, the WA State Election was a ground-breaking landslide result for the WA Labor Party.

The Government now holds both Houses of Parliament and amendments to any proposed Legislation may be more difficult to accomplish.

During his speech after this historic win, the Premier Mark McGowan made the statement that the Government was there to work

“for all Western Australians”. We continue to lobby to make the new Minister for Local Government and other senior Labor Members, aware of our concerns.

Having now won two State Elections with a mandate to Stop Puppy Farming, we have made it clear that we will work with the Government to improve the welfare of all dogs, but still seek recognition of Dogs West, our Members and their dogs in the Legislation.

Dogs West Compliance Officer

As I write this report all applications for the above new role at Dogs West are being evaluated by our Chief Executive (CE) with a view to move onto interviews. Our CE has advised that there were a very good number of applications, with experience and skills that could be used in the new role.

Events

My congratulations to Clubs who are trying to manage and run events in these continually changing times. As we have seen, sudden border closures can cause worry and much work when judges cannot travel at the last moment. Committee workers are to be commended on their efforts to try and bring events to the Members during these times.

Contest of Winners

It was a pleasure and a privilege to have the opportunity to judge the outstanding dogs at this event, when contracted Eastern States judges were unable to travel.

But what stood out clearly for me on the night was the comradery amongst the competitors, both before and after the heats, with many handlers exchanging good wishes and congratulations. A great example of how inclusive and friendly our sport of dogs can be if we all choose it to be so.

“Alone we can do so little; together we can do so much”

Chief Executive's Report

With the arrival of the cooler weather in WA, the Dogs West grounds are looking fantastic.

The care and attention lavished on the grassed areas earlier in the year has been very worthwhile and ensured the turf survived the warmer months well. Nathan, our groundsman, will be continuing his work maintaining and improving both arenas over the coming winter.

Dogs West Open Day - being conducted on 13 June 2021. As I write this, the Marketing Committee are busy organising the event. This is a valuable opportunity to give members of the public more information about what Dogs West and affiliated clubs offer to the dog owning community of WA. Please consider offering whatever assistance you can for this event. If you can offer a few hours of your time to volunteer in some capacity, it would be greatly appreciated.

News from the office – the two most recent members of our team, Vanessa and Samara, have both settled in and learnt the ropes so well. Vanessa deals predominantly with the trainee judges schemes, assisting the working parties conducting the training, advising trainees on requirements and ensuring our record keeping is up to date and complete, as well as providing backup for Ian, our Financial Controller. Samara (Sam) is focused on memberships and processing, as well as providing assistance to myself for the multitude of tasks involved in running the Association.

Many of you will have met them in our reception area or spoken to them over the phone. If you are in the office, please introduce yourself to them and make them feel welcome. If you can bring a puppy to say hi, even better!

Caroline Shaw, Chief Executive

Our Junior Handler year is running full steam ahead, with heats, training and fundraising being conducted.

Following a few hiccups due to Covid lockdown, a heat wave and a severe weather warning, we managed to run our first training session for the year. It was great to see so many kids attending the training and lovely of those parents who brought cakes, drinks and donuts for the kids after training.

Welcome to our new Junior Handler, Audrey Ferguson, who has just become eligible to compete in the junior handler heats. Audrey has grown up in the show world, and we are all often blessed with her smile around our rings. Audrey competed in her first heat at the Building and Amenities show on the 13th of March and did a fantastic job. Well Done , Audrey.

A huge thank you to Shirley Briggs who donated prizes for the tiny tots and the junior handlers on the Saturday night, to the Western Classic committee for supporting our junior handlers with allowing us to run the money board at your show, and to Brenda for arranging the beautiful rosettes for both tiny tots and the junior handlers. The look on the kids' faces when they saw the prize table was priceless.

The Western Classic weekend not only saw heats by our junior handlers but also the running of our very popular tiny tots, so popular that we had to run this in two heats due to not having enough 'dogs' to go around. Catherine Storrs did a wonderful job with the children, making them all feel so special being the honorary judge. Thank you to all who supported the Junior Handlers with our \$100 money board and suit sale, fundraising for our 2021 State Finals. The winner of the money board was 'Mark' with the Alaskan Malamutes who kindly donated the winnings back to the Junior Handler's. What a lovely, kind thing to do, Thank you, Mark.

A BIT OF AN UNSUNG HERO

Professor Michael Byrne

MBBS, BMSc(Hons) FRCP, FRACP, FASCO

13.5.1941 to 24.12.2020

On the 24th of December 2020, Professor Michael Byrne died quietly in his bed on the farm he loved so well. He was a few months shy of his 80th birthday.

Born and educated in WA, Professor Byrne gained twin degrees in medicine and medical science. He gained the BMed Sci with first class honours, beginning a long career of careful investigation and making a difference.

Michael married Georgina in 1964 and after five years spent working at the Lemuel Shattuck hospital, Tufts University in Boston Massachusetts and at Brown University in Rhode Island, he gained acceptance by the American Board of Internal Medicine and travelled to Britain to obtain his fellowship of the Royal College of Physicians. In 1973, Professor Byrne returned, with Georgina and their three children, to Western Australia to establish the first oncology clinic in the country. This was where he remained for the rest of his career, treating and supporting patients, teaching students, mentoring young physicians and engaging in some eighty plus research projects both within Australia and overseas.

He served on a number of boards, was Chairman of the Australia/New Zealand Breast Cancer Trials Group and held a seat on the board of the Australian National Centre for Asbestos Related Diseases. He was a member of the Ethics Committee of the St John of God Hospital. He retired in 2007, stating that as the specialty was now in such good hands, it was time to go.

A career in oncology can be very stressful, so throughout his life Prof Byrne engaged in 'out of office' activities with his family.

These mainly involved their shared love of animals and the outdoors.

A family pet acquired from the Shenton Park Dogs home started a passion for German Shorthaired Pointers. This led to a breeding programme which has supplied much loved canine companions for people around the country and the world. Prof Byrne was a foundation and Life Member of The German Shorthaired Pointer Club of WA. He competed in, and was a judge of, field trials, retrieving trials and conformation shows. He and Georgina became All Breeds Judges and judged all over Australia and overseas.

His love of GSPs led Prof Byrne to learn German, enabling him to help with translations for the prize winning book "Der Deutsch Kurzhaar, the German Shorthaired Pointer", at one stage the officially sanctioned text for the World Shorthair Association. Although Georgina Byrne was the author, Michael's input was crucial to its publication.

Whatever he did, he gave it his all and succeeded without fanfare or self promotion. He had a dry wit which sometimes alarmed his students but they soon discovered that he was a modest and unassuming man in an era when such is rare. He was always generous in sharing his expertise in every endeavour he undertook.

He leaves behind his wife, two sons and a daughter, five grandchildren and two great grandchildren, in addition to the legions of people whose lives he enhanced, many in their times of greatest need. Covid willing, his ashes will be placed in the shade of two of his beautiful mature oaks, overlooking peaceful paddocks containing contented livestock and a plethora of wildlife.

EUKANUBA SUMMER CARNIVAL

Firstly thank-you to the organisers for putting this amazing event on, it really was a celebration of Dogs and you are to be congratulated, special thanks to Jill Houston for running the first two nights of the performance competitions, DWD, Tricks, Obedience and Rally I don't know how you do it, well done to Justine Boreham who swung into action on the third night for organising the Agility, the prizes were wonderful, the atmosphere and camaraderie second to none we as competitors really do appreciate the work that goes in, well done.

To the Judges and stewards a huge thank-you with out you the event could not run, you are stars. Finally WOW what a brilliant sponsor we have in Eukanuba, not only does this company have amazing dog food but our winners took home biscuits as part of their prize, this company always supports us and they loved to hear of your success so make sure you let them know how you did and show your appreciation, another super sponsor was Pet Stock with vouchers to the winners the support was terrific and very well received thank-you.

WE WANT YOU!!

Become a Trainee Judge

WE NEED YOUR HELP!

This last year has shown us we need a larger pool of local judges and you could be one of them.

Before the start of the 2022 training year, will you have:

- Bred three (3) litters,
- Bred two (2) Australia Champions,
- Completed the Stewards Course,
- Acted as a ring and gate steward, and
- Stewarded no less than 300 dogs at a minimum of six (6) shows, of which three (3) were championship shows, in the past two years?

Here is what you need to do:

1. Attend the Rules and regulations Lecture and pass the Rules and Regulations Exam
2. Attend the Anatomy Lecture and pass the Anatomy Exam
3. Pass the Entrance Test to your group
4. Attend the Information Night

You can then start lectures and judging at open shows!

Have any questions? Group Convenors can help, just find them at the next show!

Group 2: Stan Honnery

Group 3: Steve Warry

Group 4: Heather Jones

Group 5: Leanne Irvine

CHERISH

Nourishing mind, body & spirit™

Cherish & The Microbiome

What is a gut microbiome?

The 'Gut microbiome' is made up of the trillions of microorganisms and their genetic material that live in your intestinal tract.

Why is the microbiome important?

The microbiome plays an important role in health by helping control digestion and benefiting your immune system and many other aspects of health.

Beneficial functions of butyric acid

Butyric acid is a fatty acid that is created when the good bacteria in your gut break down dietary fibre.

- Improves insulin sensitivity
- Improves mitochondrial function
- Anti-inflammatory activities
- Regulates gut hormone activities
- Increase appetite suppression
- Improves intestinal barrier

A more diverse microbiome leads to a healthier gut and a healthier pet!

The earlier you start improving or looking after the microbiome of the gastrointestinal tract, the better health of the cat/dog and the better they will age.

Cherish improves:

- The immune system
- The gastrointestinal tracts ability to break down and absorb all the amino acids, vitamins and minerals ensuring the efficacy of them
- Stool quality, quantity and odour
- Quality of life
- Cherish improves the microbiome balance which leads to healthy aging

This all links back to Cherish as it is a primary function of the range. The pre and pro biotics used in conjunction with the superfoods will provide a balanced immune response which will lead to healthy aging and nourish the mind body and spirit.
