#### Clarification of ANKC Ltd Regulations

- Regulations Part 5 – Conformation Shows Clause 1.2.1, Bred by Exhibitor - 14 currently reads:  
Bred by Exhibitor -14 - For dogs aged six months and over. The exhibit must be owned and handled by the breeder of record. The exhibit must be handled throughout the breed classes, all group and general specials classes by the owner or part owner of the prefix under which the exhibit was originally registered.

#### Clarification:

*If an exhibit is entered in class 14, it must be handled by the owner/breeder at all times right through to Best in Show. No one other than the breeder/owner may handle the exhibit at any stage of the show.*

*If 2 exhibits are owned/bred by a single person and the two exhibits are entered by the same person in class 14, the owner/breeder may determine which exhibit he/she will handle and the other exhibit would have to be withdrawn. If an exhibit is owned/bred by a partnership, then any member of the partnership may handle the exhibit through to Best in Show.*

*To give an extreme example, if three exhibits of three different breeds are entered in class 14 and are owned/bred by the same couple and they all win Best in Group. Then for Best in Show, the couple could handle two of the exhibits and the third would have to be withdrawn.*

## 13. GENERAL BUSINESS

### 13.1 S Briggs – Fundraising for Junior Handlers

Financial assistance needed for the Junior Handlers. We are currently running sausage sizzles, raffles to try and raise funds. I propose that Governing Council allocate two shows per year to specifically raise funds for the Junior Handlers.

I note that there are members of Governing Council that were past junior handlers and it should be in their interest to raise funds for the continuation of the Junior Handlers.

### 13.2 S Shrigley – Calendar of Events

Request that Dogs West advertise on Show Manager or on the Dogs West Events page the full show calendar for the year. The reason for this is that many Clubs have to wait for final approval for overseas judges and schedule approvals before a notification can be put up. If there is a Club Event listed and a contact noted we may be able to encourage more entries especially when overseas judges are being contracted even if the schedule has not yet been approved.

M Matthews advised that any Club can list their dates on Show Manager.

### 13.3 S Seymour – Role of Executive Committee

Follow up regarding promotion of role of Dogs West Committees in Canine News and Dogs West Website.

### 13.4 S Seymour – Errors in Clubs advertising of sponsorships

Raised the matter of an error noting sponsors in Club schedules.

### 13.5 S Seymour –

Queried past request made to the Chair of Governance to reissue correspondence. CEO confirmed the Chair of Governance did pass on the request.

With no further business the meeting closed at 8.25pm.

## President Report 2023

Thank you to the Vice President for presenting my Presidents Report tonight, apologies unable to attend meeting.

I congratulate the successful candidates in the Election for Vice President and Governing Council; I look forward to working with you over the next 12 months. My sincere thanks to all those who nominated and for the work you have done for Dogs West in the past.

My sincere thanks are also extended to all those Dogs West Members who have volunteered in any capacity over the past 12 months.

Dogs West is a Member organisation. It is a fact that, without the goodwill and support of our many Volunteers, Dogs West events and activities would simply not function.

The same applies to our many valued Affiliates who often struggle to run events and activities without the stress of securing volunteers to assist. I ask all Members to consider volunteering just once a year; volunteering can be a rewarding experience.

Volunteers at every level and all Members should be treated with respect and consideration. We are a small community and disharmony and intolerance does not foster a pleasant environment. We all need to consider carefully our interactions with each other and visitors to our grounds. It costs nothing but brings great reward in creating a pleasant place to be.

The two Open Days held this year were, once again, well attended and demonstrate the ongoing affection the general public have for dog ownership and our ability to provide a great atmosphere to the many thousands of Visitors who came along. Maintaining our profile to the wider public is important.

Dogs West has finished the year in a sound financial position, but faces challenges in relation to rising costs and falling income. Events have returned, with pleasing numbers in some disciplines, such as Scent Work and Tracking, but lower numbers than pre pandemic times for others, including Conformation. Lower entries are putting stress on Dogs West Affiliates who face higher costs for travel, in particular, but it also means less income for Dogs West to maintain our outstanding grounds and facilities.

This has meant a small rise in fees to counterbalance falling income, following the freeze on fee rises during the Pandemic. Our CEO is pursuing new sponsorship opportunities and ground use to broaden our income streams.

There has been no advice from the landowner of the corner lot on Ranford and Warton Roads regarding the timing of future development; so the finalisation of the road surfacing and parking on the southern side of the main arena remains outstanding. This improvement is dependent on the construction of the new entry access as part of the development.

As I write this the Department of Local Government, Sport and Cultural Industries has just opened the consultation period on the Guidelines that will underpin the Regulations to be put into place under the Amendment to the Dog Act (Stop Puppy Farming) Bill that was passed in Parliament in December 2021.

This will drive the most significant change to the Regulations under the Dog Act in Western Australia since it began.

Dogs West will provide a response to this extensive survey and I urge Members to provide feedback. It should be noted that submissions can be made via email or online, and may be confined to relevant areas only.

Areas of significance for Dogs West Members include Sterilisation of Dogs, Dog Supply Approval for those involved in Rescue, and Approval To Breed.

The Sterilisation of Dogs and the Approval to Breed are of most concern and are interlinked. Many submissions and presentations were made before the Stop Puppy Farming Bill went to Parliament, on these matters, including presentations to the relevant Ministers.

The comments in the consultation remain of concern because they indicate that each Local Government will control these two important areas of the Regulations, and there is no mention of consistency across the sector, nor of the standards to be met to achieve an approval.

Dogs West will be exploring ways to find out more and will keep Members informed.

In closing I wish to thank the CEO, Marzel and all her Team, for a year of outstanding support for our Members and for being adaptable during changes over the last twelve months. It has been a steep learning curve for our new CEO who has just completed 12 months in her role, and has met many challenges and knowledge gaps with determination and flair. Congratulations to all.

And thank you everyone for being here this evening.

Pamela Campbell  
PRESIDENT DOGS WEST

## CEO Report 2023

At the last AGM, I had been here for less than 2 weeks. I was unsure what this dog world truly entailed, and I can say unequivocally that it has blown me away. Dogs West's activities, processes and Rules and Regulations are so expansive and diverse. It has been a whirl wind of learning and growth for me. I have a few people to thank but I will leave that to the end.

Operationally, the Administration has been focused on building the best foundation possible for future organisational growth. The areas and key successes are as follows:

### Compliance:

- Fair Work / Human Resources review. Contracts and workplace policies renewed
- Work Safe review. Review conducted. Actions currently in process.
- Governance. Process Audit. Improved processes implemented.
- Rules and Regulation Review. Commenced.

### Business Systems:

- Online systems. Reviewed, various product solutions explored. Sharepoint (document sharing) in early phases of implementation. Other online tools to be presented to Governing Council over the next quarter.
- Customer Learning. Website quoting open.
- Volunteer and Club Learning. Website and Sharepoint solutions currently being reviewed.
- New electronic voting system implemented. 57% increase in votes from the previous year.

### Other areas:

- Sponsorship review. Corporate sponsorship avenues are ongoing.
- Communication strategy revamped. 2 monthly e-newsletters and regular social media presence has commenced. Greater presence at the Royal Show to occur in 2023.
- Member culture. Raising awareness of behaviour standards through promotion and member discussions.
- Budget forecasting reviews. Six monthly budget reviews, commencing this year.

There is also a large amount of activity that happens outside of Administration from judges and stewards training to numerous

State, National and flagship events. These will be covered in the Pillar Annual Reports which we will place on the website for those who want to read further.

I would have to say the National Agility Trial was a highlight for me, but I have enjoyed watching and learning more about the various disciplines offered in Western Australia.

Everything that was achieved would not have been possible without the contribution and support by firstly the Dogs West staff (Ian McNiell, Kylie Halton, Nicquella Rhodes, Samara Stables, Michelle Mathews, Vanessa Guidera, Anne Howell, Caroline Shaw and Bevan George). I thank the staff's efforts, patience and adaptability to tackling things a little differently.

I also thank the Executive and Finance Committee members (Heather Jones, Josh Griffiths and Cathy Storrs) for guidance and advice. I thank all the Pillar Chairs for their commitment to the organization making sure our Dogs West volunteers are supported and continue to engage, learn and grow. And as Pam outlined in her report, our volunteers are the backbone to all Dogs West activities.

Now for my final two thank you. I thank the President, Pam Campbell and Vice President, Des Kehoe who have invested into my development, always being available when needed and focusing on solutions first. Pam is a strong advocate for Western Australian interests at the national level, always balanced and calm. Des is a font of knowledge and an asset to Dogs West. Executive will not be the same without you.

I would like to acknowledge those from Governing Council that are retiring from their positions, Julia Logan and Jeni Sach. Thank you for your contributions. It has been a pleasure working with you both.

I also welcome onboard those newly elected or reelected to Governing Council for 2023/2024.

With optimism, I look forward to another year of progress, success, and continued growth.

Marzel Norton

# 2023 National Retrieving Trial Championship

---

Western Australia was very proud to host the 2023 National Retrieving Trial Championship. The National occurs in each state every 5-7 years and is the most prestigious retrieving trial of the year. The leadup to the WA National involved 2 weekends of trialling. The first weekend of trials was held by the Labrador Club of WA (The Flash) and the Retrieving Club of WA (The Cup). The second weekend was the WA State Retrieving Trial Championship conducted by the WA State Working Party. The third and last weekend culminated in the 52nd National Retrieving Trial Championship. All these trials in the leadup to the National and the National itself, were very well supported by our local and interstate competitors and ran like clockwork thanks to our fantastic stewards. All the committees involved in these trials would like to say a huge thank you for their time and effort. They went above and beyond and it was appreciated.

# WESTERN AUSTRALIA NATIONAL RETRIEVING TRIAL CHAMPIONSHIP

The 52nd National Retrieving Championship for 2023 was held on two beautiful properties in the Katrine area with the kind permission of the owners. These properties offered the two judges the opportunity to test all the dogs over a variety of terrain and conditions. The National is a three-day event which started on Friday 15<sup>th</sup> September and finished on Sunday 17<sup>th</sup> September. Presentations were held at the Toodyay Recreational Centre.

## Judges:

Mr Ron Jackson (QLD) Run Manager Colin Hankinson runs 1 on Friday, 3 and 5 on Saturday.

Mr Allan Bartram (WA) Run Manager Mark Jackson runs 2 on Friday, 4 and 6 on Saturday.

Ron and Allan co-judged runs 7 and 8 on Sunday.

## Trial Manager/Secretary:

Catherine Thorburn.

The bad weather and heavy rain during the week leading up to the National, saw Ron and Allan having to change their runs on a daily basis, as is usual in the area where the National was being held as the river levels can rise quite rapidly overnight. Both judges took this into account and with their Run Managers made the necessary changes to ensure the safety of the dogs and everyone involved.

We had 27 dogs entered, with 26 started. Some dogs failed the tests set by the judges over the first two days and so there were 11 dogs on Sunday going into run 7 and 8 dogs going into the last run, run 8.

## Results:

**1st** - 16, GRAND RT CH Nativerun Angus CM handled by Raymond Ashenden (SA) 412 points.

24 -Trevor and Elle.

26 - Trevor and Georgie.

# CLAY SHOOT

The clay shoot is an event that follows the National from state to state. It is held in the week between the State Championship and the National. Western Australia was able to host a very successful shoot at Perth Metro Sporting Clays thanks to Peter and Tracy Grayner. There were 25 shooters, local and interstate. There were also a crowd of supporters turned up to cheer on their respective states. We had people from Queensland, Tasmania, Victoria, South Australia, New South Wales and of course Western Australia competing. I am happy to report that WA took out the beautiful trophy with 83 points!

Ray and June Johnson donated a prize for the highest scoring male/ female shooter. This was presented to:

Eleanor Johnson (WA) 25 points

Ron Jackson (Queensland) 44 points

So, folks, there ends a very busy, but very successful three weeks showcasing how fantastic the retrieving community here in WA are. There was nothing but compliments from our interstate visitors ( not one complaint ) for three weekends of very well-run events on behalf of Dogs west.

Once again, as it cannot be said enough, a huge thank you to all our stewards who travelled long distances just to support these trials. The committees owe you a big debt of gratitude.

Regards,

Catherine.

# STORY DOGS: A VOLUNTEER OPPORTUNITY

Story Dogs is on a mission to foster a secure, enjoyable, and supportive environment for primary school children requiring assistance with literacy. Through a unique approach of pairing children with dogs, this program harnesses the incredible outcomes derived from the accepting, loving nature of these animals. By reading to a friendly and calm dog, children experience a transformation—relaxing, opening up, trying harder, and finding joy in the process.

To contribute to the growth, learning, and confidence-building of children, Story Dogs invites individuals and their canine companions to become volunteers. The following are the nine essential steps to embark on this rewarding journey:

1. **Dog Eligibility:** Your dog should be at least one year old, and if adopted or rescued, you must have lived with it for a minimum of 6 months.
2. **Registration:** Ensure your dog is registered with the local council, providing necessary proof.
3. **Vaccination:** Present proof of your dog's vaccinations, a positive titer test is also acceptable.
4. **Dog Team Assessment:** Both you and your dog must pass the Story Dogs Team Assessment, which involves practicing the tasks outlined in the Volunteer Information Pack. An accreditation session with the Dog Team Assessor will be organised upon your confidence in meeting all nine requirements.
5. **Health Check:** A recent vet health check within the last 3 months or a Story Dogs vet health check is required.
6. **Working with Children Check:** Due to working with children, obtain a Working with Children check.

7. **Training Course:** Attend a full-day training course covering the Story Dogs program, volunteer expectations, session running guidelines, and information on facilitating children's reading development.
8. **In-School Training:** Gain practical experience by observing an experienced Story Dogs session at a local school.
9. **Sponsorship:** With assistance from Story Dogs, find a sponsor for you and your dog using the Sponsor Invitation Pack.

Story Dogs is also actively seeking individuals interested in taking on roles as organizers, go-getters, and supporters. Providing mentorship and training, the organization values those who can support groups, approximately 10 Volunteer Dog Teams, or individuals looking to initiate new Story Dogs chapters in their regions. For those interested, contact Janine at [janine@storydogs.org.au](mailto:janine@storydogs.org.au).

If you are passionate about making a positive impact on children's lives through the power of literacy and the companionship of dogs, consider joining Story Dogs. For more information and to start your volunteering journey, visit [storydogs.org.au/how-to-volunteer](http://storydogs.org.au/how-to-volunteer). Together, let's create a world where every child can unlock the magic of reading with the support of a furry friend.
