PLEASE CLEAN UP AFTER YOURSELF

A friendly reminder to all members using the Dogs West grounds: please clean up after yourself and leave the area as you found it.

Recently, staff have had to tidy up after members in a number of areas across the grounds, including meeting rooms, toilets and the Pavilion. This has included rubbish, used paper towels and, in our undercover areas, a significant amount of dog fur left behind.

Our grounds and facilities are shared spaces, and it is everyone's responsibility to leave them clean and tidy for the next person. We understand that dogs shed, especially in our undercover areas, but please take a moment to sweep up and remove any excess dog fur, as well as taking any rubbish with you and leaving toilets and other facilities tidy.

Please remember that cleaning up after yourself is part of using our shared facilities; it should not be left to our staff or Grounds team. So, before you head home, please take a quick look around and leave it clean, tidy and ready for the next person.

Let's all do our bit to respect the grounds, our staff, and our fellow members.

Seasons GREETINGS

PLEASE NOTE: Dogs West office and grounds (other than for scheduled events) will be closed from 5.00 pm,

THAT Regulation A42.1 be amended as follows:

Current Wording:

A42 COMPLAINTS – LODGEMENT OF

42.1 Complaints from members of any ANKC Member Body, at either the date of lodgement, or the date of the incident must be accompanied by a lodgement fee of:

42.1.1 Complaints lodged ten (10) working days of the date of the incident must be accompanied by a lodgement fee of $150.00.

42.1.2 Complaints lodged after ten (10) working days of the date of the incident must be accompanied by a lodgement fee of $250.00.

Be amended to read:

42.1 Complaints lodged by members of any ANKC Member Body or any other recognised canine controlling body, including (but not limited to) member organisations of the Federation Cynologique Internationale (FCI) and FCI Contract Partners, The Royal Kennel Club (KC) and the American Kennel Club (AKC) where the complainant was a member of that organisation at the time of the incident or at the time the complaint was lodged, must be accompanied by a lodgement fee of:

42.1.1 Complaints lodged within ten (10) working days of the date of the incident must be accompanied by a lodgement fee of $150.00.

42.1.2 Complaints lodged more than ten (10) working days after the date of the incident must be accompanied by a lodgement fee of $250.00.

Rationale

The proposed amendment extends the application of the complaint lodgement fee to members of FCI Member Organisations and FCI Contract Partners, ensuring they are treated consistently with members of ANKC Member Bodies. This amendment:

- *provides a consistent framework for the lodgement of complaints regardless of the complainant's country of residence or canine controlling body;*
- *promotes equitable treatment of complainants from recognised national and international canine organisations;*
- *assists in ensuring Dogs West resources are directed towards complaints lodged by members of recognised canine controlling bodies who have demonstrated a genuine commitment to pursuing the matter; and*
- *provides a framework that could be extended to all complainants, including members of the general public.*

President Report 2026

Good evening, everyone. Thank you for coming to the Annual General Meeting of your Association.

Governing Council

Congratulations to everyone who stood for Governing Council and thank you to those Members who took the time to Vote. I look forward to working with Council this year.

Last year I spoke on a few matters and I would like to provide some updates.

Developments on the Grounds

Members would be aware that there has been no activity on the corner block adjacent to our property since a development application was approved for the owners; we have not been informed of any start date for the construction of the commercial precinct.

This means that the roadworks associated with that development may still be some time away, including the shared access road realignment from Ranford Road, and the fencing which will be required to secure our grounds at that entrance point and behind the future development.

This lack of development has seen the refurbishment of the roadway and parking bays on the south side of the main arena not being actioned, as it will abut the new entrance at the end of the shared roadway off Ranford, and also requires a realignment of the roadway through the garden bed at the south west corner near this Administration building.

However, the road surface on the south side of the main arena continues to deteriorate and may require addressing before any development takes place, to counter further degradation to the road base.

As part of that work consideration will need to be given to the area in front of the off-leash area which is being used regularly as a pseudo parking area.

Governing Council has also to determine the location for an agreed SprintDog™ track as well as other opportunities to diversify our income by supporting other groups and activities on our grounds and provide more support to other Disciplines, without unduly impacting on our Members, Club or events.

Clearly, a review of the space we have and how it can be best utilised is our main objective..

We do not have unlimited nor substantial land space; we need to consider the most effective use of the land we have, and our ability to continue to financially support the use and upkeep of that land and any existing and proposed facilities.

Financial Management

The General Managers will speak in more detail on financial matters, but I would like to highlight a few items.

The change of Sponsorship from a previous Insurance company to Knose Pet Insurance has meant a significant change for the organization with a different model of support for Dogs West. This new financial year will give a better understanding of the financial outcome of that change..

The Communication Tower behind the ground keepers shed area is expected to be completed in this financial year, which will see the income from the lease commence.

Membership remains steady, but growth is needed for the health of our Association over time.

Whilst our financial position can be seen as a positive one, with interest earned on investments providing a significant amount, income diversification must be an ongoing goal to ensure the future sustainability of the Association.

Governing Council is acutely aware of the financial pressures that some Members face, and also aware of the increasing costs to provide and maintain the facilities and services that the Members expect.

Governance

Governing Council is committed to the practice of good governance and to the transparency of our decisions.

Part of that process has been an ongoing review of, and changes to our Regulations; the Rules and Regulations working party has recently committed to complete the long overdue review of the Governance section in particular.

The aim of the review is to remove duplication and complexity, simplify the language and to ensure that processes around the management of Governance matters are up to date and relevant, and that time management plays a strong role in keeping matters moving through the system.

Our next meeting is Friday this week and will include our General Managers who will give insight into the management of our Governance processes at the operational level.

I acknowledge that this review has taken far longer than was anticipated or expected and I remain determined that it be completed.

The burden of the number of items going through the Governance process is demanding on the volunteer Members who give of their time to consider the matters put before them, and to the administration staff who provide support services during the process.

This calendar year to 30 July there have been 26 matters in the Governance process. Many are time demanding and result in extended timeframes for completion, which is not supportive of any part of the process. A decrease in Members disputes would be a positive outcome on the burden of work.

I encourage any Member who has a Member grievance to seek to resolve an issue before escalating it into the Complaint process.

I do understand that that is not always possible; but I have also witnessed people taking that path and finding common ground, meeting halfway or coming to an understanding.

The Complaint process remains in place, when such agreement or understanding is not possible.

Annual General Meeting

Member Culture

I spoke about Member Culture at this time last year.

As Members, we are all part of the culture that we practice and accept. It cannot be imposed by Rules or Regulation. Every one of us creates, and is responsible for, the culture we have.

And there have been very good examples of the positive culture that we enjoyed during this last year. The reports tabled this evening by the Chairs of the Events and Training Pillars demonstrate what can be achieved when we work together, and the Open Day was again a good example of Members working to promote our dogs and our Association.

Following the adoption of Recognition of Years of Membership by Council, it is pleasing to hear the number of applications that have been received to date, and it will be my pleasure to present those badges later this evening.

Member Communication

Electronic communication to Members has increased over the past couple of years to ensure that Members are better and more regularly informed.

Recently a Member I had not met before spoke to me on her appreciation of the information about Governing Council decisions that are published, and the electronic news from the Office she sees on a regular basis. Feedback is always welcomed and helps to give us a broader understanding at the Membership level.

Following a commitment to update our website, substantial work has been undertaken in the last 6 months to move this stalled project forward, following a lapse in progress in the previous 12 months prior to new Management.

The commitment to provide greater online services to our Members remains, along with clearer messaging for visitors to our site looking for information and ways to become engaged in the activities we have to offer, and the facilities we have available.

The plan is to freshen the look of our website, have an ongoing program of content review and refresh, and move onto online services sooner rather than later.

I know it has been a long time coming with dependencies on other parties to assist our staff to make it happen, but we are getting close now.

Vale

During the last 12 months we have sadly lost Members who have passed. On behalf of Governing Council I extend our Condolences to their partners, families and friends for their loss.

I would like to express my appreciation for these people.

They sit on Governing Council, they sit on all the Dogs West Boards, Panels, Working Parties and Committees.

They run Clubs and run events across our very diverse range of disciplines,

They run sausage sizzles and raffles and lucky number boards to raise money for their Clubs.

They Steward at our Events; they put up and pack down equipment, they lend a hand when called on for help and often do so without being asked.

Volunteers form the backbone of our Association; without them we simply would not function.

Office Management and staff operate the nuts and bolts of our Association, providing a wide range of services to you, the Members.

To each and every one of these people, I say thank you and give you my appreciation.

Thank you for making our Association function and thrive.

General Managers' Report - AGM 2026

Sarah Baldwin and Caroline Shaw

Before providing an overview of our first six months in the role, we would like to acknowledge the many people who contribute to the ongoing work of Dogs West.

Firstly, thank you to our members. Since returning to Dogs West, we have greatly appreciated the warm welcome, encouragement and support we have received. We are particularly grateful to those members who have taken the time to contact us, share their thoughts and engage with us.

We also extend our sincere thanks to our committees, working parties and volunteers. The time, knowledge and commitment you contribute are essential to the successful operation of our events, activities and services, and to supporting our members and affiliated clubs.

Finally, we would like to acknowledge the Dogs West staff. Over the past six months, the team has worked extremely hard through a period of considerable change. We greatly appreciate their support, professionalism and commitment to Dogs West.

The following report provides a snapshot of some of the work undertaken behind the scenes over the past six months, the progress made, and some of the challenges and opportunities ahead.

Association and Governance

A number of significant association and governance matters have been progressed during the reporting period. These have included sponsorship and commercial matters, planning and financial governance, member renewals and Council elections.

- PD / Knose sponsorship
- Waveconn
- Lakey Road
- Strategic Plan
- End-of-financial-year financials and audit
- 2026/2027 budget
- Valuation and insurances
- 2026 member renewals
- 2026 Council elections

Together, these activities reflect the continuing administrative and governance workload required to support the Association's operations and longer-term planning.

Member Services and Engagement

Member-focused activity has continued across a number of areas. Key initiatives during the period have included the Volunteer Appreciation event, ongoing website work, the canteen, development of the Club Guide and work relating to honour boards.

These activities support communication, recognition and the practical services available to members and affiliated clubs.

Grounds, Maintenance and Infrastructure

Maintenance of the Dogs West grounds and facilities remains an important operational priority. Work undertaken or progressed during the reporting period includes:

- Major service and repair of the bore pump
- Cistern replacement
- Pressure cleaning of the pavilion
- Work on picnic tables and benches
- Painting refresh
- Ongoing pavilion roof maintenance

The maintenance program is increasingly important as existing infrastructure ages. This has direct financial implications, with maintenance costs expected to increase over time.

Financial Review

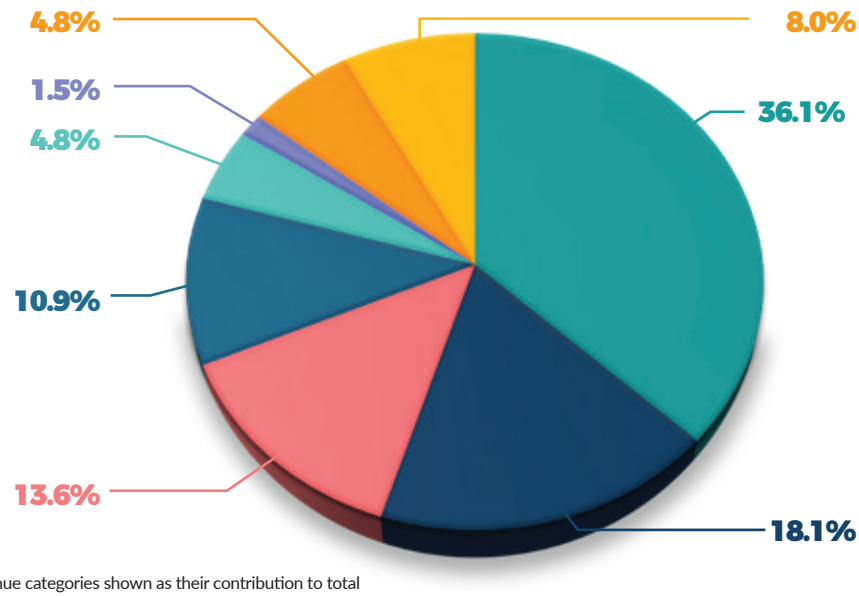

Understanding the principal income streams

37% of total revenue comes from registrations, transfers & prefixes and approximately 92% of that is driven by our registered breeders

18% of total revenue comes from Membership fees – with Ordinary memberships making almost 80% of renewals and more than half of all new memberships.

Only 5% of our revenue comes from hiring out our facilities, and 6% is created by interest earnings on our 'savings' (which will fall over time, unless our income exceeds our expenses).

Registrations, Transfers and Prefixes	$580,800 (36.9)
Membership Fees	$285,582 (18.1%)
Administration Levies and Charges	$213,693 (13.6%)
Show and sub-committee Income	$172.056 (10.9%)
Facility and Lighting Hire	$74,790 (4.8%)
Canine New Income	$22,923 (1.5%)
Interest	$99,163 (6.3%)
Other	$125,405 (8.0%)

Revenue categories shown as their contribution to total

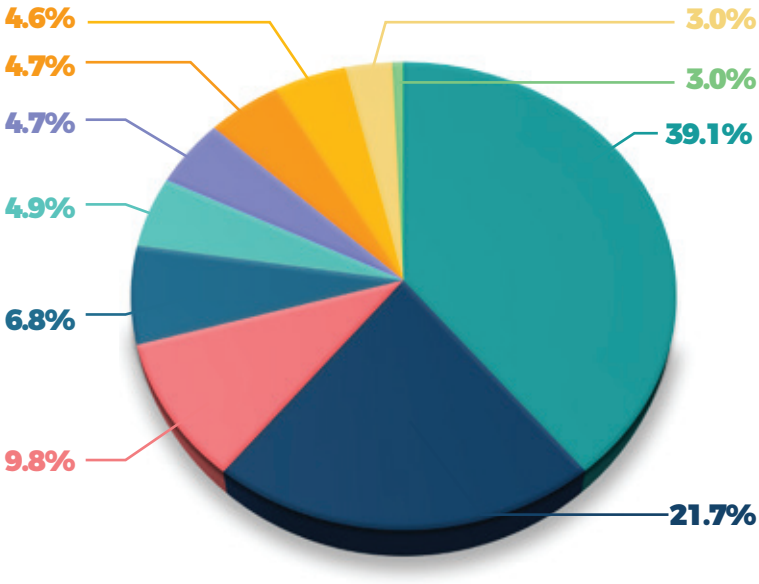

Annual General Meeting

Expenditure

Total employment expenses to complete all administration and management of our facilities accounts for 47% of expenditure, with operational and infrastructure services and maintenance costing a further 47%.

Salaries and Wages	$513,668 (39.1%)
Administration and Offices Expenses	$285,022 (21.7%)
Show and sub-committee Expenses	$129,213 (9.8%)
Utilities and Cleaning	$88,993 (6.8%)
Operation/admin - Other	$64,304 (4.9%)
Dogs Australia Expenses	$62,137 (4.7%)
Superannuation Expense	$61,803 (4.7%)
Movements in Leave Provision	$60,803 (4.6%)
Canine New Expenses	$39,300 (3.0%)
Employee Benefits - Other	$8,769 (0.7%)

Percentages may not total 100% due to rounding

What does it all mean?

For a raft of reasons, our largest income sources (breeding and membership fees) are NOT growing. This is happening across the globe and is true for other similar hobby groups. Our best opportunities to grow our membership are likely to be found in emerging and new sports/disciplines – for example, sprint dog, bale seek, sledding etc. Our opportunities to grow our income base include actively seeking passive income opportunities, including grounds/facility hire.

Generally, operational costs continue to rise faster than fee increases; maintenance costs are expected to accelerate as infrastructure ages and it is unlikely substantial operational cost savings can be achieved in the medium term

Strategic Planning

Strategic planning will focus on both immediate priorities and the long-term sustainability of Dogs West. Following a "Ground Zero Assessment", we will explore member engagement, membership growth, strategic partnerships and new income opportunities. A member survey is planned for late 2026 to help inform the strategic plan and future direction.

Its not all bad news...

2026/2027 we have budgeted for a loss of approximately $75,000 – so expenses are expected to exceed income

To keep this in perspective, this equates to approximately $35 per member ... food for thought when we are investigating short and even medium-term solutions.

Whilst the Association is facing challenges, overall, our current financial health remains robust.

THE WA STATE RETRIEVING TRIAL

The WA State Retrieving Trial was held on 22/23 August on a magnificent property in Gidgegannup. Many thanks to the property owner for allowing us to use these lovely grounds.

Judge Mark Sargison (NSW) set some interesting and challenging runs that made best use of the terrain available. Chief Steward Mark Jackson, Trial Secretary Allan Bartram and Steve Conroy ensured that the two days ran smoothly and on time.

We are very grateful to the stewards who came out to help on Saturday – Mitch, Anthony N, Terry, Louise, Steve, Ann Graham (who also came back on Sunday morning to help set up the presentation table). Sunday stewards were Tony, Louise, Steve. Not only did Anne Cameron steward both days she also provided her delicious homemade cakes for morning tea.

We are extremely grateful to our many sponsors, especially our main sponsor Royal Canin, which ensured we had an abundance of prizes for all competitors.

The weather was kind to us and the competition over the two days was strong and closely fought. It was a pleasure to see handlers and dogs solve the challenges they were given and achieve success. Congratulations to all.

We welcomed three interstate competitors and as the results show their trip was very worthwhile. We hope to see you back again next year.

Huge congratulations to Ray Ashenden and Gus. What a fantastic team they are and a very well-deserved result.

Paul Litlejohn and Blue provided strong competition. They have had a very successful trip to WA.

Congratulations to Lyn Wise, Ray Johnson and Maggie Hankinson for keeping the WA flag flying. Good luck to Lyn, Ray, Heather Ellis, Elle Johnson, Catherine Thorburn and Allan Bartram on their travels over east, especially for the Nationals.

An event like this cannot run successfully without the help of many people. Thank you all for your support and efforts. It made a huge difference.

Special mention to

- the small but mighty Working Party of Tricia, Lyn, Steve and Georgia.

- Mark Sarigson for taking the time to travel to WA, everyone enjoyed meeting you and competing under you. Come back soon.

2.22.2.4 Under no circumstances will permission for a further litter be granted. **(04/17) (11/22)**

2.23 First generation (father/daughter, mother/son, brother/sister) matings are not permitted. ANKC Ltd Member Bodies will not register the progeny of father/daughter, mother/son, brother/sister matings on the Main Register unless application was made to the Member Body and approval was given prior to the mating on the basis of health or genetic reasons to the benefit of the breed.

Any breach of this regulation will constitute an offence by the member(s) who are the owners of the sire and the dam of the litter.

The progeny resulting from such a breach will be registered on the Limited Register and endorsed 'never to be upgraded' and any further penalties as may be determined by the member's Member Body. Refer ANKC Part 6 – 8.4 (**Added 10/10, Amended EAP 12/14)**

2.24 A member shall not permit any of that members' ANKC Pure Bred Registered dogs, without prior approval from the Association, to be used in any mating which would result in a litter being ineligible for registration on the ANKC Register. This includes

2.24.1 To a dog of a different breed

2.24.2 To a cross bred dog

2.24.3 to a non ANKC registered dog of the same breed or

2.25 Breaches of Regulations 2.18, 2.19, 2.20, 2.21 and 2.22 are considered to be a serious breach of the Code of Ethics. For that reason, offences in relation to each of the separate regulations will be considered cumulatively in applying penalties to the Registered Breeder/Member.

Any puppies not registered on the Main Register are to be registered on the Limited Register with the endorsement 'Not to be upgraded to Main register'. **08/11, 04/13**

2.26 A member shall take responsible action to reduce the incidence of hereditary diseases in accordance with the ANKC Code of Practice for Hereditary Diseases.

2.27 A member shall not, within Australia, sell or otherwise transfer from that member's care any puppy under eight [8] weeks of age without the approval of the member's Member Body.

The member and purchaser must further acknowledge in writing to the member's Member Body that the intention of the sale is for the improvement of the quality of that breed in the overseas country, and not for any other purpose.

2.30 A member shall ensure that persons acquiring dogs from that member understand the requirements for the care, welfare and responsible ownership of the dog, and that they have the time and facilities, e.g. adequate fences, sufficient room and proper shelter, to fulfil their responsibilities.

2.31 A breeder shall be expected to maintain reasonable contact with the purchasers of dogs from that breeder and to offer continued advice and reasonable assistance.

2.32 A member **must** register all puppies bred by that member that are living at the date of registration. Such registration must include all living puppies from the litter on the one litter registration application form and must be applied for within six [6] months of the date of whelping.

2.33.1 The breed characteristics;

2.33.2 Current Vaccination certificate signed by a Veterinary Surgeon evidencing that the dog has been immunised against Canine Distemper, Hepatitis and Parvo Virus

2.33.3 Microchip number verification – transfer is the responsibility of the vendor in accordance with R19.

2.33.4 Responsible dog ownership information; and

2.33.5 All documentation required by the member's Member Body, including-

2.33.5.1 a written receipt clearly stating whether, in accordance with R11.1, the dog is to be transferred to the purchaser or a Non-Transfer Agreement executed.**(05/22)**

2.36 A member shall not:

2.36.1 Sell or dispose of a dog to a commercial pet wholesaler or retail pet shop. Nor shall a member's dog/s be advertised, displayed or sold on commission by a commercial dog wholesaler or retail pet dealer. **[07/15]**

2.36.2 Allow a dog owned by that member to be given as a prize or donation or to be auctioned.

2.37.1 The dog is portrayed in a manner consistent with its breed characteristics and temperament as described in the Standard for that breed; and

2.37.2 The dog is presented in a manner that is unlikely to create a negative reaction to dogs generally or that breed in particular and that if there is any likelihood of a negative impression, this is at the same time corrected through the development of a story line that presents the dog or breed in a balanced manner.

2.38 A member shall oppose all activities which involve cruelty to dogs or in which dogs inflict damage on other dogs or other animals excluding the hunting of vermin.

2.39 A breeder must include their ANKC Ltd Member Body Membership Number in any advertisement for puppies whatever the media and all members must include the following wording in their advertisements:

"Please contact Dogs West on email: k9@dogswest.com to verify my membership."
