Stop Puppy Farming Regulations

In November Dogs West made a comprehensive submission on the Consultation opportunity around the Regulations that are being written following the Stop Puppy Farming Amendment to the Dog Act which was passed by Parliament in December 2021.

It has been a long time since the Act was passed and the consultation process began.

Last October, the CEO, Governing Councillor Des Kehoe and myself met with the Senior Legislation and Strategy Officer for Local Government, and 3 other team members, at the Department of Local Government, Sport and Cultural Industries to outline our major concerns regarding the amended Dog Act and how these could be managed under the Regulations being developed.

As noted in my Annual report from the AGM, areas of significance for Dogs West Members include Sterilisation of Dogs, Dog Supply Approval for those involved in Rescue, and Approval To Breed. The Sterilisation of Dogs and the Approval to Breed are of most concern and are interlinked. We made clear the concern we hold that each Local Government will control two of these important areas of the Regulations, and there is no mention of consistency across the sector, nor of the standards to be met to achieve an approval.

So our submission concentrated on these key areas and recommended:

- To exempt any Dogs West Member owned dogs from compulsory sterilisation
- To grant Permits to Breed to Dogs West Members with a prefix, the same as Regulations in place for cat breeders under the Cat Regulations 2012
- That Shelters run by Dogs West Members and Clubs for specific breeds be recognised and accredited

We also made commentary on a number of other issues, and I encourage Members to read the full submission published on the Dogs West website.

Thank you to all the Dogs West Members who took part in the Consultation opportunity. We now wait for feedback on our Submission.

The New Year

As we move into a new year I look forward to seeing Members participate in activities across all our Disciplines, enjoying the competition, time with friends and the pleasure of doing these with our dogs. Please always remember to look after yourself and your dogs as we are being told this summer is going to be long and hot.

My very best wishes to all our Members for a fulfilling New Year.

Pamela Campbell **PRESIDENT**

TOP OPEN SHOW DOG OF THE YEAR

Qualifying Period 1st January and 31st December

- Points are awarded at **ALL BREEDS OPEN SHOWS** only.

If a dog is a champion when it gains its first points then it is ineligible to enter competition. But if it gains its title during the year it is able to continue in the competition.

There are 2 scales of points – METRO SHOWS AND COUNTRY SHOWS

METRO SHOWS

BEST IN SHOW	10 points
R/Up BEST IN SHOW	6 points
CLASS IN SHOW	2 points
BEST IN GROUP	5 points
R/Up BEST IN GROUP	3 points

COUNTRY SHOWS

½ the points from the above table

- Only the points from the best result are recorded
For example – a Best in Group win + Best in Show the dog is only awarded 10 points.
- Points to be calculated from the catalogue of the event submitted to the office.
- At the end of the year the dog from each group that has the most points is invited to the Final.
- If there is more than 1 dog on the same number of points – a count back is taken and the dog which has been awarded the highest award is deemed to be the winner. It is deemed that a Best In Group or Runner Up In Group award is higher than a Class In Show award.
- The judging panel consists of 3 Trainee Judges who are eligible to judge General Specials.
- If any dog is unable to attend the 2nd place dog is then invited.

Amendment to ANKC Ltd Regulations

- Rules for the Conduct of Agility Trials and Agility Games - Original Rule 7.2 reinstated

In 2020 Rule 7.2 in the Rules for the Conduct of Agility Trials and Agility Games was temporarily modified to safeguard Trial officials against the transmission of COVID. The States and Territory governments are now free from any COVID restrictions which makes this rule modification redundant. The National Agility Committee members has agreed the temporary rule is no longer required and the original Rule 7.2 should be reinstated effective immediately.

Please be advised that the temporary rule that was mandated in 2020 is now unnecessary and we ask that you revert to the original Rule 7.2 in the Rule Book as noted below. Should a future restriction be put in force in any State or Territory, that Member Body may reinstate the COVID modification until such time as the restriction is lifted without referring to Dogs Australia for approval.

7.2. Entering and Exiting the Ring

On the Steward's call of the dog's catalogue number, the Handler will enter the ring via the entry point, with the dog on lead either carried or walked and follow the Steward's and/or Judge's instructions. The lead and harness or head collar must be removed, the collar may be removed and all items handed to a Steward or may be placed on the ground behind or in a provided nearby receptacle. The steward will remove items after the dog/handler team commences their run.

For information purposes only please find below a copy of the temporary modified rule:

- 7.2 On the Steward's call of the dog's catalogue number, the Handler will enter the ring via the entry point, with the dog on lead and follow the Steward's and/or Judge's instructions. *The lead will be removed, the collar may be removed. The Handler will either place the lead/collar in a pocket whilst running the course or wear it on them (e.g. clipped around their waist like a belt). If any of these items fall to the ground or the dog grabs the lead while running the course this will result in a DQ. The lead/collar must be inaudible and if not this will result in a DQ.*

- **Regulations Part 5 – Conformation Show**- updated with new Clause 2.7 relating to the use of Ramps/Tables in accordance with Item 4.3 of the June 2023 Special Board meeting minutes. (the referenced ramp listing can also be found directly under the new regulations)

- **Rules for the Conduct of Obedience Trials** have been amended as follows:

o Fouling (page 3)

- 5100025919 - Ross Jackson & Bonnie Parker – Prefix Parkeyre – Suspension of 1 year – Effective from 11 October 2023

As the festive season wraps up and a new year begins, more than feeling reflective, I am focused on 2024.

I am most interested in seeing the development of our new website, offering more opportunities for those seeking digital solutions when interacting with Dogs West. This,

together with a number of other projects aimed at 'promoting responsible dog ownership', will help us grow.

At the 2023 Royal Show's Dogs West's stand, staff and volunteers spoke to over 800 people. Some key themes were: I need training support, where do I go? Looking for a breeder or picking a breed, where do I go? How can I join Dogs West online? Many also understood Dogs West activities to only be for pure bred dogs, not realising that there are so many activities that an associate dog can participate in! The conversations have provided valuable insight that will be incorporated into 2024's Communication Plan.

We have also seen steady numbers of new members signing up month to month in 2023, which is a good sign! Our job moving forward is to understand why the new members joined and why other members are leaving. This information will give the Committees of Dogs West solid information to understand where to focus our efforts and resources in the coming years.

Six months into the 2023/2024 financial year, Dogs West has also seen an increase interest in venue hire and sponsorship (keep an eye out for the movie RUNT, to be released in 2025) and harnessing this interest to create more income revenues will be a key focus of mine during the January Budget Review.

I also look forward to the Appreciation Event in late January, organised by Governing Council to thank Dogs West volunteers for their support over 2023. There are so many opportunities available throughout the year, no contribution is too small! Thank you to everyone that contributed in one way or another over 2023. And I wish everyone a prosperous 2024.

Marzel Norton, Chief Executive Officer

Enhanced Access Procedures for Dogs West Building

To improve access to Dogs West facilities outside regular office hours, a new access process has been introduced. The intention is to provide access to Dogs West Meeting Rooms without relying on the presence of on-site staff after 5 pm on weekdays.

To achieve this, three new key fobs have been programmed. These key fobs not only unlock but also disarm specific areas within the Dogs West facility. The designated areas are as follows:

- Upstairs:** Entry via the first lobby door leading to the Boardroom & MR 2 - Administration Building 1st level.
- Meeting Room 1 & Show Office:** Entry via the Main Arena side of MR1 - Administration Building Ground Floor.
- Lower Arena:** Entry via the designated entry door - Lower Arena Building and Meeting Room 4.

To ensure a secure and efficient process, a coded key box has been installed in proximity to the fob scanner for each designated area. The key fobs will only be placed in the key boxes when bookings are scheduled, and the **access codes to these key boxes will be regularly changed for enhanced security.**

Access Procedure:

Step 1: Getting the Key Box Code

- Only the first person requiring access to the area needs the access code for disarm and unlock functions.
- Designate a 'first on site' person and include their mobile number on the booking form or inform Dogs West Administration.
- There is no need to arm the building after use at this stage; however, ensure all doors, windows, air conditioners, and lights are turned off.
- Notify Dogs West Administration promptly if there is a change in the first on-site person.

Step 2: Using the Fob

- The fob is inside the key box nearest to the nominated fob scanner.
- Open the key box using the provided numbers (emailed or texted).
- Swipe the fob over the scanner once to unlock and disarm the nominated area.
- Return the fob to the key box, and ensure it is closed and secured.

Step 3: Leaving the Grounds

- Turn off air conditioning and internal lights.
- Close all doors and windows in the designated area.

LIFE MEMBERSHIPS & DISTINGUISHED SERVICE AWARDS

Governing Council is calling for nominations for Life Memberships and Distinguished Service Awards and any Awards approved shall be presented at the Annual General Meeting in 2024.

The Honours Committee will view all submissions and then make a recommendation to Governing Council.

The mandate of the Honours Committee is: -

- To provide a system of Awards to recognise members of the Association who have made a significant contribution to CAWA and its committees and clubs, or to the development of recognised breeds.

LIFE MEMBERSHIP

Such recommendations shall be based on meritorious service to the Association (Section 8.3 of Constitution).

Nominations for **life membership** are decided primarily on service to the Association. Other service can be included to indicate the overall commitment of the person being nominated.

DISTINGUISHED SERVICE AWARD

Governing Council may award a maximum of three (3) Distinguished Service Awards in any year to members of the Association.

Eligibility for an Award shall be:

- Long and distinguished service to the Canine Association and/or its affiliated clubs; and/or
- Service which has significantly advanced the aims of the Association; and/or
- A significant contribution to the development of breeds recognised by the CAWA.
- Such Awards shall not be awarded to a Life Member of the Association, although receipt of an Award shall not debar a member from subsequently receiving Life Membership.

A Distinguished Service Award may be awarded posthumously.

Therefore, in accordance with the above, should you wish to nominate any CAWA Member, to be considered for either a Life Membership or Distinguished Service Award, please forward the nomination and a resume relating to their contribution to the CAWA or an affiliated club, to the Administrative Officer **NO LATER THAN Friday 23 February 2024.**

All nominations are to include detail such as dates so that claims can be verified by the committee.

Recommendations are submitted to the April meeting of Governing Council.

Rockingham Dog Club - Profile

Club Background:

The Rockingham Dog Club has a rich history, tracing its roots back to 1971 when it was founded on May 11th. It officially became incorporated on December 9th, 1974, marking over five decades of commitment to the canine community.

Membership Overview:

With a vibrant and growing community, the club currently boasts a membership of 322 devoted individuals. This diverse group shares a passion for dogs and the unique bond they create within the club.

Community Engagement Initiatives:

The Rockingham Dog Club takes pride in its various initiatives to engage and include the broader community of companion animal owners. These efforts include regular beach walks, interactive sessions like "Dog Speak," Furry Friends Day/Pet Pop Up events, and participation in programs like Story Dogs. The club also maintains strong communication through a monthly newsletter covering breeds, events, trialling members, members input and photos from the archives, contributing to the sense of camaraderie among members.

Benefits to the Club:

These community engagement activities serve dual purposes. They not only promote the dog community to the general public, increasing exposure, but also foster a strong sense of belonging among current

members. The club's commitment to inclusivity and outreach contributes to its overall positive impact.

Exciting Plans for 2024:

Looking ahead to 2024, the Rockingham Dog Club has an array of exciting plans. These include beach walks accompanied by free sausage sizzles for members, combined trials to enhance participation, a bi-annual event to mark significant milestones, the creatively themed Mixed Palette event, and educational Emmett workshops.

Additionally, the club has ambitious goals, such as a grant application for CCTV implementation and a comprehensive survey initiative aimed at gathering valuable feedback from all members. In summary, the Rockingham Dog Club continues to evolve, embracing new opportunities to connect with the community, enhance member experiences, and plan for an exciting future in 2024.

Letty's RDC Life:

Letty's remarkable journey with the club spans over five decades, marking an extraordinary chapter of dedication, passion, and unwavering commitment. As one of the longest-serving members, from her early involvement as a dedicated instructor to her instrumental role in pivotal committee positions, club historian and also an esteemed life member. The club honoured Letty with a lunch, commemorative plaque and photo book of her time at the RDC.

Dogs West State Obedience, Rally & Trick Test Trial 2023

This year's event was planned over 2 days with the addition of the Trick Test Trial on Sunday morning. We have so many clubs, businesses, and individuals to thank for helping make this event very special.

Thank you to;

- * Eukanuba Australia, our major sponsor of high-quality dog food
- * German Shepherd Dog Association of WA
- * Gun Dog Club
- * Jo Meredith & K9 Academy
- * Midland Dog Training Club
- * Northern Suburbs Training & Obedience Dog Club
- * Orlando Dos Santos & Results Dog Training
- * Perth Training & Obedience Dog Club
- * Rockingham Dog Club
- * Southern River Agility & Obedience Dog Club
- * Susan Briggs
- * Vicki Long
- * All entries to the fundraising event & entries to the State event.

The committee consisted of Susan Briggs, Orlando Dos Santos, Vicki Long, Jo Meredith & me trying to hold all the strings together. Thank you so much for all your input and help on the day but as we all know the biggest chunk of work is what goes on behind the scenes, we were a fantastic, amazing and strong team! Thank you!

We started the weekend by setting up as much as we could on Friday morning and thank you to Orlando, Susan and Tracey Wansbrough for giving me a hand getting the Rally signs ready and carrying the many boxes of Eukanuba dog food from the car to the clubhouse.

With the October month getting close to Summer the weather is always unpredictable and we weren't left out on this occasion. The weather forecast looked to be an unusually very hot weekend and we decided to move the 2-day event forward to an earlier starting time. Everyone was so supportive of this decision, thank you to the Judges and entrants, we could not have done it without your support. We also decided for Sunday that it would be best to get an extra Judge appointed to judge the Advanced Tricks Class. This meant we could get all four classes judged at the same time and all classes finished at about the same time, nobody was left out in the heat of the day! Thank you, Ms Deb Hyde for Judging the Advance Trick class, on that day.

Saturday morning – a beautiful crisp morning at 7 am, the gates opened and thanks to Bevan for getting up in this early wee hour to open everything up for us. The grounds looked FANTASTIC!

Everyone chipped in to set up the equipment, rally signs, tables, and gazebos. Big shout out to Wendy Monks who came extra early, opened the equipment shed for us and helped set up the rings.

At 8 am on the clock with the help of the many stewards (thank you! We could not hold a Trial without you) the judging started with the Obedience classes first and half an hour into the day the Rally classes were ready to start.

The Judging panel on Saturday consisted of Mrs Cheryl Bedgood, Mrs Valetha Pethrick, Mrs Honey Gross-Richardson & Ms Karren McCluskey who kindly stepped in for Mr Frank Waring who unfortunately, due to an injury, could not judge on the day. It was great to see you on Saturday, cheering and congratulating everyone on their success. We know that you would have given everything to be able to judge on that day.

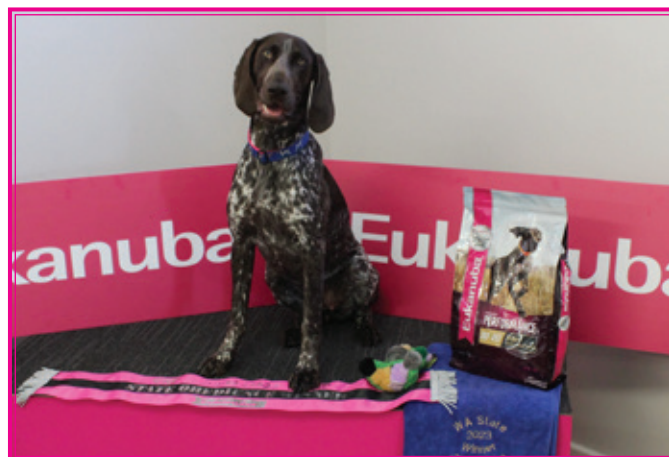

The Judges got everything moved on quickly, so no teams were left out there in the sun for an unnecessarily prolonged time. Thank you for looking after our dogs and competitors.

All teams looked fantastic out there on the green and congratulations to the winners, runner ups and qualifiers over the weekend.

After the conclusion of judging the Obedience and Rally rounds the Judges had one more duty – Judging the Winner of Winners Rally & Winner of Winners Obedience.

After a short break, a Novice Rally round was set up in front of the Club-house and everyone gathered around in the little shade there is under the trees to watch and cheer on the Rally Winner of Winners.

Mrs Chery Bedgood designed the Rally Novice round and judged each team. It was a beautiful flowing Rally ring, thank you, Cheryl.

This year the committee decided to announce the team's results after each round and have it on display on the whiteboard for everyone to see. We had 2 teams finishing on 100 points and drumroll..... we had a winner on time!

Winner of Winner Rally

The ring was quickly cleared of the Rally signs ready for the Obedience Rounds of Winner of Winners.

Again, the points given by each Judge for each team were announced after the team finished the round. Thank you Mrs Valetha Pethrick for calling the rounds and Judges Mrs Cheryl Bedgood, Ms Karren McCluskey and Honey Gross-Richardson for judging each team.

The quality and precision of the heelwork was very high, but we have – drumroll..... a winner!

Sunday State Trick Test

A beautiful morning welcomed us all to the amazing-looking grounds of Dogs West. Thank you for changing the rings and setting up so quickly so judging could go ahead again at 8 am.

On our judging panel for the day, we had

Mrs Cheryl Bedggood, Ms Karren McCluskey, Mrs Jill Houston & Ms Deb Hyde.

1st Novice - Kirby Reaves with **Buzz**

Everyone was in such good spirits and helped set up and clear away everything. Thank you all! The Judges did an amazing job and moved every team quickly through their tricks without pressure in such good time!

After the prize ceremony and the winner photos, we invited everyone back to the clubhouse for a social, meet up with a judge and general chit chat. Those who took the offer and stayed back, thank you. I personally believe

that this was one of the best wrap-ups after a big event. Spending a bit of time at the end and giving everyone a chance to debrief, ask a Judge some questions and socialize will create a stronger dog community.

And now this is a wrap from me.

EARTHDOGS IN WA!

Dachshund Club of WA Earthdogs Sub Committee, left to right: Brigitte Walkey, Toni Snoeren, Martina Kerr, Ian Cross, and Lauren Ferguson

Dogs West are very pleased to report that Western Australia has officially added a new performance discipline and its events to the Event Calendar.

The Dachshund Club of WA held the first Earthdog Test day on October 15 with 3 tests offered at the Dogs West grounds in Southern River.

It is an event for the smaller Terrier breeds and all Dachshunds to use their natural and trained talents in following a scent through safe, manmade tunnels, set in different configurations for various levels of titles.

During the months of August, September, and October, a number of training days led to the first Earthdog Tests in WA in October with an entry of 14 dogs from 5 different breeds. There were two class levels offered, EIC (Earthdog Instinct Certificate) and JE (Junior) in 3 separate Tests. This allowed travellers to enter 6 classes if they chose to.

The EIC class is for novice dogs and owners to get started in the event. At this level the tunnels are approximately 3 metres long and has one 90 degree turn. At Junior level, the tunnels are approximately 10 metres long with three 90 degree turns.

In the first test of the day 6 dogs earned a qualifying pass in EIC, and 3 dogs in JE. In the second test, 5 dogs passed in EIC, and 2 in JE. In the third test 1 dog passed EIC. Next year we aim to have a more Judges and Test days.

Congratulations to the owners and their dogs: Glenda (Dachshund), Ian (Dachshunds), Jill (Dachshund), Justin (Smooth Fox Terrier), Lauren (Cairns), Toni (Lakeland), and Vidette (Schnauzers).

More information about Earthdog can be found on the Dogs Australia website. Training and Test dates for WA in 2024 will be via Dogs West website or Brigitte at: wiredax@hotmail.com.

Western Classic

The Western Classic Working Party would like to introduce your international judging panel for 2024.

Honey GLENDINNING (Canada)

I started my journey in the world of show dogs in my 16th year. I was given a registered Irish Setter for my birthday and the breeder introduced to dog shows. That started my devotion to the Sporting / Gun dog breeds.

I raised Irish for several years then changed breeds to the English Setters. I bred and showed them for almost 52 years and produced the Top Dog All Breed in Canada, who won a total of 52 Best in Shows. Along the way produced almost 100 Champions and a total of 6 Best in Show winners.

When I decided to take on the challenge of becoming a judge I felt I needed to know more about the other Sporting breeds, their history, hunting styles, hunting

environment and why there was a need for them to be developed in the first place. So I went to upland field trials, water retrieving trials and flushing trials. I talked to long time breeders and discussed their breeds purpose and watched them work.

I take pride in the fact I am not only a Canadian Kennel Club All Breed judge but also an AKC judge of Sporting, Working, Herding and several breeds in other groups. With this I have judged in the AKC and CKC show systems but also in countries that are recognized under the FCI system. As the FCI recognized breeds that are not yet in the AKC and CKC system it sent me back to the books to make sure when judging these breeds I did them justice.

I feel as a judge we can never stop learning. With ease of travel, dogs of great quality are arriving in North America and breeder owners are working hard on having these breeds fully recognized in AKC and CKC not just in the FCI system.

Noppadon CHITTIWAN (Thailand)

I have been involved with dogs since my childhood as always having dogs as part of family members. For over 10 years, I have been entering the canine activities and commenced my show career by with my favourite breeds, West Highland White Terrier and Norwich Terrier.

I also got a good opportunity to handle so many best quality showing dogs such as Chihuahua, Affenpinscher, French Bulldog, Labrador.

I enjoy Showing the dogs, while learning about dog behaviours, training and grooming dogs.

I enjoy improving my knowledge so much I became a judge, with my first judge specialty being Terriers.

My ambition is to use all my accumulate knowledge to improve the dog show following the FCI correct breed standard and characteristics.

To all exhibitors, using my fair and honest judging, I wish to be part of your happiness in this show

Elaine TY (Phillippines)

Elaine's fascination with the show ring began in 1996, when Phil Gr Ch Meadows Fanto became the first Beagle to achieve Hall of Fame status in the Philippines. A few years later, she established Tytus Field Kennel, which has, since its inception, produced countless champions and multiple Hall of Fame awardees of Best in Show accolade. A significant number of these dogs serve as the foundation for highly successful younger kennels. To fellow aficionados, she advocates the canine's total well-being which includes health, grooming, training, and conditioning. Presently,

her contributions continue to revolutionize the standard of the breed. Elaine has also involved herself with several other breeds such as: Labrador Retriever, Rottweiler, and Golden Retriever. Among them, she co-owns Ph Gr Ch Berach Creme' St Honore, the number one Golden Retriever of 2006, as well as several V-rated Rottweilers that have won "Sieger" and "Siegerin" titles under ADRK judges.

She was on the Board of Directors of the Philippine Canine Club (PCCI), was an active member of its Affiliated Club Committee, the Administrative and Planning Committee, and was co-chairperson of the Owner-Handling Committee. She was also a founding member and honorary adviser to the Philippine Hound Group Club.

With her kennel, Elaine was the first breeder to be presented with the Award of Excellence for her outstanding contributions to the beagle breed and was awarded Third Breeder of the Year (All-Breed) in 2003, 2005, and 2007. Elaine believes that it is a judge's responsibility to not only "look" at a dog, but to "see" it in its totality - to find purpose within a specimen's form and movements, to distinguish between its virtues and flaws, and to cultivate its given merits - which, in turn, ultimately leads to the betterment of each breed.

As a canine judge, Elaine has travelled across the country and has been invited to shows in Thailand, Poland, New Zealand, Australia, South Africa, India, China, Cyprus, Taiwan, Mexico, Chile Vietnam, Indonesia, Canada and South Korea. She is proud to have had the privilege of judging the Junior Handling Competition in Johannesburg. Her dedication to the noble, purebred sport is exemplified in her achievements as an exhibitor, breeder and judge.

Snake Advice

Just like many members, Dogs West is surrounded by Australian Bush and the possible appearance of snakes in the warmer months may be no surprise. Regardless, we have posted the contact details of local snake catchers throughout our grounds and if you do see one, please inform the Event Official immediately. The below is some general tips to help you in a snake spotting situation.

At Dogs West

For their safety, keep your dogs on a lead and within your line of sight at all times. Do not allow your dog to run off-lead on the grounds outside of the designated off-lead area.

Notify the Event Official of your siting as soon as you can to ensure everyone nearby is aware.

What to do if you see a snake

1. Stand still then slowly move away if safe to do so.
2. If you are very close, keep calm, stay still and let the snake move away from you, any movement within close range might cause the snake to react, give the snake a chance to slither away.
3. Leave the snake alone, do not try to catch it, don't throw anything, don't hit it and don't yell at it. Watch the snake to see where it goes.
4. Notify Dogs West Office, and Event Official or Call a professional snake catcher if needed.

If you suspect your dog may have been bitten by a snake

Immediately restrain them and stop them from running around. Once restrained, get them into the car and make your way to the vet hospital.

Antivenom is commonly stocked in vet hospitals which routinely treat snake bites, but you should always call first to ensure that antivenom is available.

5 TIPS FOR KEEPING YOUR CANINE COOL THIS SUMMER

1. Walk your dog very early in the morning or early evening.
2. Make sure your dog has access to plenty of shade.
3. Provide plenty of fresh drinking water.
4. Give them an ice pack, cooling mat or wet towel to lay on.
5. Give them water to play in.

Most importantly, never leave your dog alone in your car or back of a ute.

- 2.38 A member shall oppose all activities which involve cruelty to dogs or in which dogs inflict damage on other dogs or other animals excluding the hunting of vermin.
