# Annual General Meeting *cont...*

**Net Profit** for the 2020/2021 Financial year was \$199,063 and this was \$214,704 More than budget and \$104,345 more than the same period last year. It should be noted that this Net Profit included a Net amount of approx. \$109K (\$129K – 30K) in Government provided COVID 19 Jobkeeper and Cash flow boost payments minus the Job keeper top up payments that were required to be made.

**Total Income** for the 2020/21 Financial year was \$1,465,181 and this was \$129,540 More than budget and \$62,772 More than the same period last year. The following are noted:

	Compared to Budget	Compared to last year

Most other main areas of income (Litter registrations/transfers/Membership) were equal to or greater than budget and the previous financial year.

**Total Expenses** for the 2020/21 Financial year of \$1,266,118 were \$32,815. More than budget and \$41,573 Less than the same period last year and this included:

## 12. GENERAL BUSINESS.

12.1 President spoke re Dog Amendment Bill 2021 which has now been passed through the Lower House. Executive have met and had ongoing communication with Hon J Hayward MLC, Shadow Minister for Local Government. He has advised that he will table amendments to the proposed Dog Amendment Bill when it is debated in the Upper House seeking:

1. Exemption from the requirement to sterilise a dog for members of the Canine Association of WA (Inc)
2. Recognition of Canine Association of WA Breeders Prefix as a defense for not acquiring an Approval to Breed from a Local Government

Hon Donna Faragher JP MLC has undertaken to speak for the Association to be recognised, and to ask the Minister for Local Government to confirm that the Minister will continue to engage with Dogs West through the passage of the Bill, and, if passed, in the implementation of the Legislation, as advised in his letter to the Association of 11 June 2021.

Executive has also met with the Chief Executive of WALGA to advise of our concerns regarding the implementation of Regulations across 138 Local Governments, and of our willingness to work with WALGA and the Local Government sector on the implementation of the proposed bill.

While we continue to fight for recognition in the Bill, it is important we build relationships with all who will be involved in the implementation of any future legislation.

12.2 S Briggs questioned if there is any policy in place to prevent close family members from serving on the same committee/council and expressed the concern that this could be a conflict of interest. G Hesketh asked for clarification - Association only or does it include clubs? S Briggs clarified Association only.

The President clarified no there is no such policy in place.

12.3 S Briggs recalled the idea of Membership Loyalty Certificates had been discussed at some point and requested if any progress had been made on this. A Rushby advised she had looked in to this during her time as CEO and the national database did not provide sufficient information i.e. all members prior to the database being in use had been given the same 'start' date; and no data was available to show if someone had been a member continuously or sporadically.

12.4 D Rose requested clarification regarding the Online Services list of 'Dogs Owned' as many dogs had been sold, but the ownership had not been transferred.

The President advised that data cleansing was in progress on the national database ahead of development of a new business system. The first stage had been enabling members to look up dogs pedigrees; the second stage which has just been released,

enables members to identifying deceased dogs showing in their ownership, and to mark them as deceased; the next stage will be to enable members to identify dogs showing in their ownership who have been disposed, and to advise the new owner.

12.5 A Stanton requested clarification regarding the new requirement to transfer all dogs as of 1 October 2021. Do we have to lodge a Non-Transfer Agreement for dogs we are keeping?

The President clarified that the recently announced regulations only apply to dogs being disposed of by the member and do not apply to dogs which would be kept by them. Non-Transfer Agreements would only be required to be lodged by a member if the dog was no longer owned by them, but they wished to keep the Registered Ownership in their name, e.g. a dog disposed under Breeders Terms.

12.6 S Friday suggested the collection of a gold coin donation for entry to any further Open Days held by the Association. Perhaps with half being donated to animal research? C Storrs advised that several ideas were being considered by the Promotions Working Party including Scouts or Rotary being approached to deal with parking for donations, and this suggestion would be considered.

12.7 A Rushby asked that a vote of thanks be recorded for P Campbell and D Kehoe for their hours of work on the Puppy Farming Legislation.

The President thanked members present for their attendance and closed the meeting

at 9.57pm.

## President Report

I don't think that, at this time last year, we thought we would be sitting behind borders which shut us out from many other States and still do not allow any international travel.

But here we are.

From a Dogs West perspective it has meant many cancelled or postponed events; a strong reliance on local judges for all disciplines; with only a few events managing to have interstate judges in the small windows between changing restrictions.

Thanks to the hard work and initiative of many Club committees there have been events for our Members to attend with their dogs, and we will be one of the few States to have a Royal Show this year, provided circumstances do not change.

Nevertheless, despite all the disruption, our Association remains in a strong financial position, with a small drop in Membership to date. Government initiatives certainly assisted our bottom line and allowed Member services to continue uninterrupted.

At the last AGM we farewelled our former CEO and, from a strong field of candidates, Governing Council endorsed the promotion of Caroline Shaw as our Chief Executive. Caroline has taken on the role with enthusiasm and a strong focus on customer service. My thanks to Caroline and all the Dogs West team for their commitment to Member services during the year.

Our facilities and grounds remain second to none, with small improvements ongoing. The demolition of the old caretakers house is a welcome improvement, with recent access and damage to the building by vandals a timely reminder of the importance of security for our grounds.

Until the owner of the corner land holding commences development, the last section of our parking and roadway remains to be upgraded, along with external fencing, gates and an entry statement.

Our initial Open Day proved to be an outstanding success by any measure, and clearly demonstrated the interest that the public have in all things dog. Congratulations to all those who made it happen and took part – planning is already underway for the next one.

A call has just been made to all Members for volunteers to assist in the ongoing work to raise our profile by engaging with the public at upcoming agricultural events. These types of engagement cannot be managed and run by the same small band of people.

We are a Member organisation. Clubs and events regularly struggle to get volunteers to assist.

If we all did one thing once a year – attend an event for a few hours, bring along some dogs, assist with setup, steward at an event or help pack up – what a change that would make to those people who do it on a regular basis.

Sadly during this past year, we have also seen the passing of some of our Members, and to their families and friends I offer my sincere condolences.

If any one thing dominated over the past year, it is the Dog Amendment (Stop Puppy Farming) Bill.

Over a long period of time we had discussions with Members of Parliament including the Labor Party back before they were elected to Government, the Liberals, The Nationals, The Greens, Shooters Fishers & Farmers, One Nation, Liberal Democrats and the Western Australia Party. We have been open to discuss the Bill and to work with everyone for the benefit of our dogs and our Members.

Unfortunately, all but a few of the Members who supported the proposed amendments lost their seats at the last election. It was a landslide win for the Government.

After the Election we wrote to every elected Member outlining why Dogs West should have recognition.

Recently we have met with the Hon John Carey, Minister for Local Government, the Member for Southern River, the Shadow Minister for Local Government and the Member for East Metropolitan Region.

At the last sitting of the Lower House the Hon Shane Love MLA again raised amendments for Dogs West, but with a substantial Government majority in the House the Bill was passed.

During debate in the Lower House Dogs West was recognised as being a professional apolitical organisation with breeders of integrity, but without statutory powers to regulate the breeding of dogs.

This week the Upper House is sitting and the Bill is listed in the Order of Business. The Government also holds the majority in the Upper House.

We have engaged with the CEO of the Western Australia Local Government Association, who listened to our concerns regarding how the subsequent Legislation may be managed by 138 local governments.

Local Government awaits the Regulations following the enactment of the Bill.

Further Legislation to come will be amendments to the Animal Welfare Act; we have been involved in consultation on those amendments.

I understand the disappointment of many Members that the Bill was not passed in the last session of Parliament with the proposed amendments. I felt that disappointment deeply.

But we shall continue to work for our Members for the best possible outcome by continuing to engage with the Government and Local Government.

Thank you all for being here tonight – as I said earlier, this is a Member organisation and its future lies with the Members.

*Ms Pamela Campbell, President*

## CEO Report 2021

It hasn't been the easiest year for many of us. While we have been very lucky in WA, there has been uncertainty and stress for many of us around the pandemic. We have all had to find new ways of doing 'ordinary' things. We have learnt to deal with snap lock-downs, physical distancing and closed borders.

In the 'Dogs West world' this has meant contactless office services with staff working from home, and so many cancelled and postponed events. Physical distancing rules have needed to be considered when running events. Shortages of judges due to closed borders continue to provide challenges for club committees.

It has also meant uncertainty around breeding schedules with socialisation of puppies and difficulties training dogs, with group sessions being cancelled being a cause for concern for many breeders.

This year has been a relatively quiet year as far as 'projects' go –

- We have installed office equipment for the use of clubs in the lower arena building, as provided in the main building show office. And are awaiting delivery of acoustic screens to allow sectioning off of an area for training/office use.
- A Point of Sale system has been installed in the administration office, and lots of work has been done behind the scenes with digital filing of archived records.
- Work has started on a new Dogs West website.
- We have been consulting with a turf specialist, and with the Gosnells Golf Course team, to improve the quality and resilience of both arenas. Work will be ongoing and will help our grounds to withstand the heat over the summer months.

Many businesses have taken a financial hit during the pandemic. You will see from the upcoming Financial Report that the Association has survived remarkably well, partly due to the government assistance.

We are fortunate to have a very stable and strong team in the Dogs West administration.

Our Financial Controller – Ian – has a firm hand on the finances of this Association. His advice 'in all things' financial is absolutely invaluable to myself.

Michelle, has taken additional responsibilities this year following my change of role and, Kylie, our receptionist has just today completed 10 years in her role. Happy anniversary, Kylie.

Vanessa and Samara (or Sam) are now well established as part of our team, and Anne Howell continues as Minute Secretary for evening meetings.

Neridah Sharrett has returned to the fold as our Compliance Officer, a new role we are developing together – it is important to me that our members understand that this new role is focusing - not just on the governance of our regulations - but also education and assistance to members with compliance.

Our members often tell me we have one of the best – if not THE best – facilities in Australia. The grounds are in amazing condition – thanks to Nathan, our groundsperson, for the pride he takes in his work.

Our casual grounds persons – Bevan continues to assist with the care of the grounds, and his work during unsociable hours is essential ensuring the grounds remain available for meetings, training and events.

My sincere thanks to all Dogs West staff for their diligence and hard work over the past year.

In addition to the staff, this Association relies on the tireless work of its of volunteers.

### Without

- Governing Council,
- The numerous Committees and Working Parties;
- Club Committees

and individuals such as Ron Wells who provides bar facilities, Rick Fenwick who 'meets and greets' members of the public visiting the grounds at weekends and Michelle Roberts who flexes her green fingers in the memorial garden, the Association would simply not be able to exist as it does.

I have worked closely with all these volunteers over the years and know just how much they contribute. My thanks to everyone who has given their time in any way to the Association and the affiliated clubs.

This includes everyone who was involved in the Dogs West Open Day earlier this year. Every member who came along with their dogs and talked to the public deserves to be so proud of what was achieved.

What I saw that day, and what the general public saw, were members who are proud to be a part of this Association and wanted people to see exactly what it stands for.

At their July meeting, Governing Council finalised a 'Mission Statement' for the Association going forward – it reads

***"Our purpose is to serve our members and the public with education, support, guidance and provision of events for all their canine endeavours. Our goal is the preservation of purebred dogs and the health, well-being and enjoyment of all dogs."***

I think the Open Day showcased that perfectly.

To close - I would like to say Thank you to all members and councillors who have shown their support to me in this, my first year in the role of Chief Executive. And especially to our President, and Vice President, and all the staff who have been just amazing, while I have found my feet in this position.

I look forward to working with you all, in the safeguarding of your Association in the future.

*Ms Caroline Shaw, Chief Executive*

# Vale - LESLIE BRUCE MITCHELL

## In Memoriam

I am aware that many people in the present dog showing arena may not know of some of our retired All Breed judges, but I believe the recent passing of Mr Bruce Mitchell should be acknowledged by our fraternity.

Bruce died on September 11th this year just a month short of his 97th birthday. He and his wife Ann, who predeceased him four years ago, were both respected throughout Australia as All Breed Judges. They successfully bred and showed Whippets and German Shepherds.

Dogs and sailing were their passions, and having retired as an ANZ Bank Manager Bruce subsequently became a financier for the Fremantle Sailing Club. He was a quiet self-contained man, with a dry sense of humour, willing to help when asked, but not self-promoting in any way. He will be missed by his son and family and sailing friends.

His funeral was held at Oakwood Funerals Booragoon on 20th of September 2021, and was well attended by family and friends, Yacht Club member's and a few dog friends.

# Vale - MARGARET HOFERT-SMITH

## In Memoriam

Margaret began her involvement with the Canine Association in the 1970's, owning and exhibiting Shetland Sheepdogs, such as Tanglewood Pathfinder, Adair Roderick and Hillaire Hot Pepper with her husband Len. This progressed to breeding under their prefix 'LENRAE' throughout the 70's and 80's.

Margaret was very involved in stewarding and committee work - committee member and 'Buyer of Trophies' for Ladies Kennel Club; committee member of the Dog Section of the Perth Royal Show since the early 60's; Chief Steward for Collie & Shetland Sheepdog Club for many years; committee member of All Breeds Dog Club of WA; and steward for many clubs over the years. Margaret studied the Rules and Regulations carefully to make sure that shows were run according to the current rules.

During the 1980's Margaret served on Governing Council and took her duties very seriously, always voting for matters that she believed would benefit the Association. During her time on Council, a variety of works to extend

the undercover area, building and grounds took place. She was also the WA representative on the ANKC Conformation Committee.

For many years, Margaret volunteered for the role of Secretary of the Conformation Judges Training Committee. Many judges will remember her generous assistance during their training and careful planning of the practical Exams, ensuring everything ran smoothly.

In recognition of her outstanding service to the Association, Margaret was awarded Life Membership in 2014.

Perhaps Margaret's most significant contribution to the dog world in WA was her 51-year involvement on the Dog Committee of the Perth Royal Show. During this time, the numbers of dogs entered each year grew significantly and the dog show moved from one side of the showgrounds to another. Margaret organised various extra activities, such as dogs taking part in the Grand Parade, with the able assistance of Anne Mitchell; and one particular year had the job of overcoming the problem of having more dogs entered on one day than there were benches available. She handled the situation with patience and good humour. Arriving at the pavilion at 5.00 am every day and leaving at 6 and 7.00 pm on many days, she worked to adjust benching arrangements to suit people even changing benching because "we're not friends anymore". She always went to meet the judges at the airport and was very good at working out the pronunciation of names as well as recognising the judges from photos. The Royal Agricultural Society recognised her very significant contribution to the Perth Royal Show by awarding her a certificate and medallion presented by the State Governor at a special function. She was also recognised for her efforts in the main arena and with the presentation of as Volunteer's award by the State Government.

Margaret was also a member of her local Volunteer Fire Brigade and relished her tasks in this area.

Many people will have very fond memories of Margaret. She will be sadly missed.

# Retrieving Trials in W.A. in May and June, 2021

The Labrador Club of WA - Novice & Restricted stakes - judge Maggie H. The Novice dogs were faced with gullies, and cover that we often do not see. Anthony Nesbitt and his GSP, Dora (Demorz All the Rave) was announced the winner with 174 points. Second place went to Terry Little and Labrador Sam (Brigodee Diamonds Boy) with 156 points, and third place to George Joyce and Labrador, Watson, (Cinderet Black Onyx) on 149 points. Six dogs then faced up for the restricted, with a walkup mark and relocation to another mark, then, a double mark with a double rise, and finally, a mark, blind and two bird, on the river. No placings were awarded.

The Golden Retriever club - Novice and Restricted stakes - judge Catherine T. Novice stake had three single marks with the judge making the most of the terrain. First place was Anthony Nesbitt with Dora, with 182 points and their NRD title. Congratulations !! Second place on 176 points was Ag Ch Netherdee Revvin It Up, a cocker run by Sarah Ogden, and in third place, Lanlwyd Maree (Imp UK) (Hazel), a golden owned by Ellice Shepherd on 173 points. Restricted then began, and in first place and their NRD title, was Ellice Shepherd and Hazel, with 157 points. Second place went to Ian Molyneux with his cocker, Ollie, (Bodhran Miss Daisy) on 154 points, and third place had Alex Deasy and her Golden, Roux, (Ellishea Wyatts Le Roux) on 145 points.

Gundog Club - Novice and Restricted stakes - Judge Kerry W. Some full length marks on the runs, with plenty of obstacles. Novice winner, on 171 points was Mhadaidh Annie Get Your Gun (Pippa) owned by Anne Cameron, and her NRD title !! Congratulations. Second place to Anthony Nesbitt and his GSP Dora on 166 points, and third place on 156 points was (Rev) owned by Sarah Ogden. Restricted stake had 8 competitors, beginning with a double mark with walk-ups, then, a double mark, doublerise. Last run of the stake had a double mark and blind, all across water. Some nice work. Topscore went to Ollie and Ian Molyneux with 46 points. First place was Ellice Shepherd and Hazel with 143 points. Second place on 141 points was Terry Little's Sam, and third place was Ollie and Ian Molyneux on 138 points.

ANRTWP - All Age stakes - Our interstate judge could not attend because of Covid restrictions, so A Bartram stepped in as reserve judge. Facilities for camping were one of the best, and a great social gathering area. Allan put up triple retrieves on each of the six runs over the two days. Saturday's winning dog was R.T.Ch Ellishea Wyatts Flash (Heather Ellis) on 176 points, and she was awarded a CM for outstanding work in the field. Second place to cocker spaniel Ozzie of Aberdeen (Imp UK) AARD, and Mark Jackson with 149 points, and third place was Gr R.T.Ch Ellishea Just Cussy CM and Heather Ellis on 135 points. Sunday's trial began with eight dogs. Winning dog this day was Phoenix owned by Heather Ellis on 155 points, ahead of Ricki (Booermagic Booms Ricochet) run by Colin Hankinson with 142 points in second place after a run off. Third place also on 142 points, Mark Jackson and his dog Ozzie.

Retrieving Club - All Age stakes -judge Ellie J. Heavy fog meant the judge had her work cut out. Four dogs finished, with first place going to the old trooper Phoenix and Heather Ellis, with 129 points, with Heather's Flash in second place on 125 points. Third place on 116 points was Annie Graham's Labrador, Addi, (Booermagic Booms Addiction).

## New Feature in 'Online Services' Portal

### What are the improvements?

Commencing Friday July 30th, 2021, Dogs West Members can log into the 'Online Services' portal and view a list of dogs currently registered in their name. If a dog listed has passed away, you can select the dog and mark it as 'deceased'. This will update the records in ANKC National database and remove the dog from the list of animals currently owned by you.

### Why did we make the change?

DOGS West, together with the other ANKC Member Bodies, are currently working towards replacing the existing database. In preparation for the transfer of data, we are actively creating ways to help clean existing data.

### Is there a cost to change a record?

There is NO charge to change the record of your dog to deceased. The feature is free of charge.

### We are here to help

If you are having difficulty or require assistance, send us an email in the first instance to [k9@dogswest.com](mailto:k9@dogswest.com) and a member of our team will get back to you as soon as possible.
