CEO Report

Since 2021, Dogs West has worked diligently to limit expenditure in response to the unpredictability of registrations and transfers following the COVID-19 pandemic. With better times now on the horizon, it's time to address some much-needed maintenance across our facilities. One key reason this work can now progress is our new partnership with PD

Insurance. Nearly one third of our breeders are currently participating in the Dogs West & PD Insurance Breeder Program, providing peace of mind to new puppy parents while also benefiting from the referral program. The second reason is the soon-to-be-finalised Telecommunications Tower agreement with Waveconn.

These developments contribute to our optimism about a stable financial outlook for 2025/2026. Planned works include painting, reticulation investigations, roofing repairs, new flooring in Meeting Room 1, and upgrades to equipment—ensuring our spaces remain safe, welcoming, and functional for all members.

Behind the scenes, our committed team has been steadily advancing key projects—most notably, the development of our new website. While progress has been slower than anticipated, we've been carefully refining the site's structure to ensure it is as user-friendly and accessible as possible. This thoughtful approach aims to deliver a better experience for all our members once it launches. See the article in this issue for more information.

We have also been improving financial systems, reopening the bar with electronic payments and new volunteers, enhancing governance, and attracting new hirers. Additionally, we are pursuing various initiatives and partnerships that add value to Dogs West's purpose of promoting sound breeding, protecting purebred dogs, and encouraging responsible dog ownership.

Looking forward, the year ahead promises to be transformative. We will launch new programs, explore and develop fresh revenue streams, and put renewed focus on growing our membership while increasing the value we deliver to every member. Even as we move forward with momentum, our commitment to supporting members remains unwavering—we are continually seeking better ways to connect, respond, and assist.

Dogs West has also recently launched the Transfers (R11) Self-Assessment program. This program includes a 12-month moratorium on the R11 regulations. We recognise that some breeders may have unintentionally fallen behind on their transfer paperwork since Regulation R11.1 came into effect in 2021. This moratorium provides a fair and supportive window to help members get back on track without the financial burden of penalties, while still upholding the integrity of our registration system. The program will focus on education, transparency, and supporting members through a structured compliance reset.

CHIEF EXECUTIVE OFFICER

President Report

Budget 2025/2026

At the May meeting of Governing Council, the Budget for the 2025/2026 financial year was considered and adopted.

The budget recognises the savings that have been achieved by conservative expenditure across Administration and service delivery

costs along with some diversification of income streams, resulting in a budget with only a small projected deficit compared to previous years.

This means that fees and charges largely remain unchanged for next financial year, and wherever possible, fees and charges have been standardised and a new simplified fee structure for grounds hire adopted, which will now include lighting charges on a seasonal basis.

The Finance Committee also recognised the need for planned capital expenditure and maintenance works to be carried out in the new financial year to maintain our facilities and provide improvements where needed. This includes works to improve the sound system on the lower arena, repainting of high traffic internal and external areas, and flooring replacement in Meeting Room 1.

Work will be undertaken in the new financial year, to understand costs which may have to be met to improve the surface of the pavilion area, maintain the roofing structure of the pavilion, and to clarify costs associated with the completion of our road surfaces on the southern side of the grounds.

Stop Puppy Farming Act – an update

The WA State Government recently announced that a contract to build the Centralised Registration system, which forms part of The Dog Amendment (Stop Puppy Farming) Act 2021, has been scrapped. This means that Local Governments will continue to register dogs as they have in the past within their own systems. It is unclear at this time, where this will leave the Registration of Dog Breeders, also within the Legislation. Clarification will be sought on this matter. For now, the status quo remains in place.

Governing Council Elections

As I write this, nomination for Governing Council have closed. I am not aware of any nominations that have been received, that advice will be given by the CEO in due course.

I encourage all Members to consider those who have volunteered their time and experience to join Governing Council, and to cast a vote in the elections that decide who can assist the Association and its Members in these challenging times.

"The best way to find yourself is to lose yourself in the service of others".

THAT Clause 5, DEFINITIONS, of the CAWA Constitution be amended as follows:

Current Wording:

Governing Council – means the Governing Council of the Association as defined in

Section 15.3

Be amended to read:

means

- the Governing Council of the Association as defined in Section 15.3.
- the Management Committee as defined in S38 of the Associations Incorporation Act 2015.
- Committee as defined in the Model Rules as referenced by the above Act.

Rationale:

To provide clarity to the definition of Committee / Governing Council.

9.2 Moved: N Sharrett

THAT Clause 17.7 of the CAWA Constitution be amended as follows -

Current wording:

17.5 The Returning Officer shall be the Administrative Officer or their deputy.

Be amended to read :

17.5 The Returning Officer shall be the Administrative Officer or their **deputy as appointed by the Administrative Officer**

Rationale:

To clarify who will be responsible for appointing a deputy

9.3 Moved: N Sharrett

THAT Clause 19.1.7 of the CAWA Constitution be amended as follows -

Current wording:

19.1.7 Failure of a Member or Affiliate to attend or appear or comply will be considered a contempt of the Governing Council;

Be amended to read:

19.1.7 Failure of a Member or Affiliate to attend or appear or comply will be considered **in** contempt of the Governing Council **and may be given due notice to appear before Governing Council.**

Rationale:

Have added what they need to comply with (ie 19.1.6), altered a typo from considered 'a contempt' to 'in contempt', and added possible consequences of being found in contempt.

9.4 Moved: N Sharrett

THAT Clause 19.1.8 of the CAWA Constitution be amended as follows -

Current wording:

19.1.8 Sell land or any interest therein but only by resolution at a General Meeting provided notice of motion shall be given by the Member proposing to move the same to the Administrative Officer in writing, at least 90 days prior to the meeting and notice thereof shall have been included in the notice convening the meeting at which the motion was to be dealt with;

Be amended to read:

19.1.8 Sell land or any interest therein but only by resolution at a General Meeting provided notice of motion shall be given by the Member proposing to move the same to the Administrative Officer in writing, at least **twenty eight (28)** days prior to the meeting and notice thereof shall have been included in the notice convening the meeting at which the motion was to be dealt with;

Rationale:

Amended to reflect that we now communicate with our members electronically. The 90 days was set down to facilitate placing a notice of meeting in the Canine News. We recently needed to seek approval from members for the acquisition of land for road widening and also a commercial opportunity to lease a small parcel land for an extended period. The current 90 days made this a much more drawn out process which could adversely affect future opportunities. NOTE: members will still be given the required 10 days

9.5 Moved: D Kehoe

THAT Clause 22.4 of the CAWA Constitution be amended as follows -

Current wording:

22.4 A Special General Meeting shall be convened:

22.4.1 on the instruction of the President; or

22.4.2 on the written request of not less than one hundred (100) financial Members of the Association, and at such meeting fifty (50) eligible voting Members present shall form a quorum.

The Special General Meeting shall be called as soon as possible, but no later than four (4) calendar months after receipt of the request by the Administrative Officer. Due notice of motion shall be provided and published in meeting notices or by being inserted as a flyer in the Canine News.

Be amended to read :

22.4 A Special General Meeting shall be convened:

22.4.1 on the instruction of the President; or

22.4.2 on the written request of not less than one hundred (100) financial Members of the Association, and at such meeting fifty (50) eligible voting Members present shall form a quorum.

The Special General Meeting shall be called as soon as possible, but no later than four (4) calendar months after receipt of the request by the Administrative Officer. Due **notice of meeting shall be provided and placed on the Dogs West Notice Board, published by electronic media and placed on the Dogs West notice board.**

Rationale:

Alter 'notice of motion' to 'notice of meeting' and to reflect the way we now communicate with members.

9.6 Moved: D Kehoe

THAT Clause 26 of the CAWA Constitution be amended as follows -

Current wording:

26 REPRESENTATIVE CONFERENCES

26.1 Combined Dog Clubs Conferences:

26.1.1 A Combined Dog Clubs Conference for Affiliated Clubs conducting Sanctioned Conformation

Agenda - Annual General Meeting cont...

events shall be held at six (6) monthly intervals provided that in the opinion of the President, there is sufficient business to warrant it.

- 26.1.2 The President may direct that further conferences be called at any other times should he consider them necessary.
- 26.1.3 The purpose of such conferences shall be to discuss any business upon which the Governing Council may desire advice or guidance or which any affiliate may bring forward.
- 26.1.4 At all such Conferences the President, or a deputy appointed by him, shall preside.
- 26.2 Performance Clubs Conferences:
 - 26.2.1 Conferences similar to the Combined Dog Clubs Conference shall be held separately for the benefit of Performance Clubs.
 - 26.2.2 The foregoing in relation to the Combined Dog Clubs Conference shall apply equally to the Performance Conferences except that they shall be held whenever, in the opinion of the President, there is sufficient business to warrant it.
- 26.3 The quorum for all Representative Conferences shall be 50% of the applicable affiliated clubs, but no Conference shall be held with less than three clubs represented.
 - 26.3.1 If within 30 minutes after the time specified for the holding of the Conference a quorum is not present;
 - 26.3.1.1 the conference lapses or
 - 26.3.1.2 the conference stands adjourned to the same time on the same day in the following week and to the same venue

Be amended to read :

26 REPRESENTATIVE FORUMS

- 26.1 Combined Dog Clubs Forums:
 - 26.1.1 A Combined Dog Clubs Forum for Affiliated Clubs shall be held at least twice a year provided that in the opinion of the President, there is sufficient business to warrant it.
 - 26.1.2 The President may direct that further Forums be called at any other times should he consider them necessary.
 - 26.1.3 The purpose of such Forums shall be to discuss any business upon which the Governing Council may desire advice or guidance or which any affiliate may bring forward.
 - 26.1.4 At all such Forums a Member of the Executive Committee, or a deputy appointed by the Executive Committee, shall preside.

Rationale:

Change of words from Conference/s to Forum/s to reflect what we now call them. 26.1.1 - removal of the words 'conducting sanctioned events'. Many of our Affiliated clubs stop holding sanctioned events for a while. They should be permitted to attend Club forums as they are still affiliated with Dogs West; Changing frequency of forums from - at 6 month intervals- to at least twice a year as it is more flexible. 26.1.4 - changing attendance of the President to attendance of an Executive Committee member or a deputy appointed by the Executive Committee rather than the President. This does not preclude the President, who is a member of the Executive Committee, from attending but gives greater scope for any member of The Executive committee to play an active role. Remove all of 26.2 Performance Clubs. As 26.1 has been amended to remove reference to Clubs holding Sanctioned Conformation events, it now applies to ALL affiliated Clubs. In recent times all Clubs attended a Club Forum to discuss general information that was applicable to all clubs. It was more productive to hold the forum this way and informative for all clubs to hear from different disciplines.

26.3 will be removed as it is a discussion forum, not a decision making meeting. There is no need to have a quorum.

9.7 Moved: D Kehoe

THAT Clause 28.3 of the CAWA Constitution be amended as follows -

Current wording:

- 28.3.2 To investigate written complaints, disputes or reports received from CAWA affiliates, members or other persons or organisations including other member bodies of the ANKC alleging misconduct or breaches of CAWA Constitution, Regulations, Codes of Ethics or misconduct or breaches of similar rules, regulations or codes of another member body of the ANKC by a CAWA member or member of an ANKC member body where the alleged misconduct or breach occurred in this State, referred to it by any two of the President, Vice President and the Administrative Officer

Be amended to read :

- 28.3.2 To investigate written complaints, disputes or reports received from CAWA affiliates, members or other persons or organisations including other member bodies of the ANKC alleging misconduct or breaches of CAWA Constitution, Regulations, Codes of Ethics or misconduct or breaches of similar rules, regulations or codes of another member body of the ANKC by a CAWA member or member of an ANKC member body where the alleged misconduct or breach occurred in this State, **or any matter referred** to it by any two of the President, Vice President and the Administrative Officer

Rationale:

There are occasions that a matter is lodged with the CEO that has occurred outside the usual timeframe for the lodgement of a complaint at an event or is a serious incident that requires investigating through the Governance procedures.

9.8 Moved: A Rushby

THAT Clause 33 of the CAWA Constitution be amended as follows -

Current wording:

33 GENERAL ADMINISTRATION

- 33.1 The entire affairs of the Association shall be administered by the Governing Council, including the whole of the superintendence and management of the Association's affairs including its finances and the keeping of the Registers of Members and Dogs in accordance with the Constitution.

Be amended to read :

33 GENERAL ADMINISTRATION

The entire affairs of the Association shall be administered by the Governing Council, including the whole of the management of the Association's affairs including its finances and the keeping of the Registers of Members and Dogs in accordance with the Constitution.

Rationale:

Using the words 'superintendence' and 'management' is repetitive as they mean the same. Management is a more frequently used word in current times, so superintendence is to be removed for simplification.

9.9 Moved: A Rushby

THAT Clause 35.5 of the CAWA Constitution be amended as follows -

Current wording:

- 35.5 A payment out of the funds of the Association may only be made to a Member of the Association or a Member of the Committee if the payment is authorised by resolution of the Association unless the payment is for out-of-pocket expenses for travel and accommodation in connection with the performance of the members' functions.

Agenda - Annual General Meeting cont...

Be amended to read :

- 35.5 A payment out of the funds of the Association may only be made to a Member of the Association or a Member of a Dogs West working party if the payment is authorised by resolution of the Association, unless the payment is for out-of-pocket expenses for travel and accommodation in connection with the performance of the members' functions.

Rationale:

This rule combines two clauses from the Associations Incorporation without indicating the two cases in application.

9.10 Moved: A Rushby

The Perks of Puppy Insurance:

The Sooner, the Better

If you're bringing home a new puppy or prepping littermates to go home to their new owners, the following question might arise: when is the best time to get puppy insurance? The answer is simple—sooner is always better for a range of health and financial reasons.

Insuring puppies at a young age might be something you've already done, or you might be hoping to learn about reasons why it could benefit you. In this article, PD unpacks several reasons for acting early when it comes to puppy insurance.

Lifetime protection for pup

Dogs age much faster than humans do and have shorter lifespans too. Because of this rapid growth, starting their pet insurance cover while they're still puppies can help provide them with continuous care throughout their lives. Dog age also contributes to determining pet insurance premiums. Since puppies are young and still likely to be at their healthiest, they pose a lower risk, which can result in lower monthly payments.

Pre-empting pre-existing canine conditions

One of the main benefits of early insurance is avoiding exclusions for pre-existing conditions. Like health insurance for humans, pet insurance typically won't cover conditions that develop before the policy starts or within the applicable waiting periods (including those that were asymptomatic). Getting insurance for puppies while they're young and healthy, before health issues develop, can help ensure pup gets a wider range of cover.

A soft insurance landing for pets and pockets

Vet bills add up quickly. Even the simplest of health issues from a fall or gastro can escalate to a puppy requiring surgery, hospitalisation and medication.

Having pet insurance early on helps ensure you can take puppy to the vet without second-guessing the costs or incurring costly out-of-pocket expenses without reimbursement for eligible claimable costs.

Put waiting periods behind you

Some health conditions have waiting periods to complete before a claim can be made. The sooner you get pup's policy, the sooner you can start working through the waiting periods so that they're behind you. This helps ensure cover is ready when pup needs it most.

Cover for them and your finances

Puppies are famed for their exuberant love and for having the zoomies. They're naturally curious, playful, and sometimes mischievous. If your pup happens to damage someone else's property or injures another person or pet, third-party liability cover protects you from expensive legal claims and compensation fees where you are deemed legally liable. While pet insurance is primarily designed to protect puppies, having financial protection from costs they could cause can be a great financial soft landing too.

The sooner, the better

In conclusion, the best time to get dog insurance is as soon as possible. Early uptake can mean lower premiums and broader cover with fewer exclusions. While unexpected vet visits are part of every pet's journey—pet insurance can help them be less stressful.

Today, I enjoy sharing that knowledge with the next generation of handlers.

Now 38, I remain actively involved in conformation showing. Thanks to my partners enthusiasm for performance disciplines, I've also gained a strong interest in and appreciation for the many other dog sports available to our members. I hope to continue to address the challenges facing our association and believe my experience and insight make a meaningful contribution to the broader canine community.

TRANSFER (R11) SELF-ASSESSMENT PROGRAM

Moratorium on Penalties for Regulation R11.1 Compliance: What You Need to Know

Dogs West is committed to supporting our members while ensuring compliance with Regulation R11.1, which governs the submission of transfer forms and Non-Transfer agreements. To assist members in rectifying any outstanding issues, a temporary moratorium on penalties will be introduced. This initiative is designed to provide a fair and reasonable period for members to self-identify and address any breaches without incurring late transfer fees. Below is a detailed breakdown of what this means for our members.

What is R11?

Regulation R11.1 outlines the responsibilities of breeders when transferring ownership of a dog:

- All applications to transfer a dog must be submitted on the Association's approved form.
- The seller is responsible for ensuring the transfer of ownership is completed when a dog is sold.
- A completed transfer of ownership form must be submitted to the Association within **90 days** of the change of ownership.
- If both parties agree that the dog will remain in the registered ownership of the seller, a **Non-Transfer Agreement** must be submitted on the approved form within **90 days** of the change of ownership.

What is the Moratorium?

A moratorium on all penalties relating to breaches of Regulation R11.1 will be in effect from **1 July 2025 to 30 June 2026**. This means that members who voluntarily disclose and rectify non-compliance issues related to R11.1 during this period will not be subject to late transfer fees or other penalties.

Exclusions

- The moratorium will not apply to breaches identified or charged **before 1 July 2025**.
- Breaches identified **after 30 June 2026** will also not be covered.
- Requests for refunds on previous late transfer penalties will not be granted.

Purpose of the Moratorium

The objective of this temporary measure is to allow members sufficient time to:

- Adjust their processes and ensure full compliance with Regulation R11.1.
- Avoid financial strain caused by significant late fees.
- Work collaboratively with Dogs West to resolve transfer discrepancies.
- Provide an opportunity to review and improve regulations where necessary.

By offering this moratorium, Dogs West aims to strike a balance between enforcing compliance and supporting members through a structured transition period.

The Transfer (R11) Self-Assessment Program: How It Works

Dogs West will introduce the **Transfer (R11) Self-Assessment Program** as part of this initiative. Key details include:

1. **Voluntary Compliance** – Members who self-report and complete the necessary transfers will be eligible for the moratorium on penalties.
2. **Data Review** – After 1 November 2025, Dogs West will review all litters registered since October 2021 to identify untransferred puppies, excluding deceased dogs and those covered by Non-Transfer agreements.
3. **Compliance Audits** – Audits will be conducted at the start of the compliance period, six months later, and again at the nine-month mark.
4. **Member Notification** – All Dogs West members with a registered breeding prefix will receive an email detailing the program and urging them to check their records.
5. **Ongoing Reminders** – Updates and reminders will be posted on social media and in Canine News.
6. **Case-by-Case Support** – Breeders facing difficulties, such as a large volume of outstanding transfers or unresponsive buyers, will be offered assistance.
7. **Statutory Declarations** – If a breeder cannot contact a buyer, a statutory declaration (approved by the CEO) may be accepted as proof of reasonable effort to resolve the transfer.
8. **Flexible Processing** – Late transfers will be processed as staff availability permits, without the standard five-day processing time.
9. **Record Keeping** – A detailed spreadsheet will track participating members and their compliance efforts to ensure transparency and accountability.

What This Means for You

This moratorium and Self-Assessment Program presents a valuable opportunity for members to update their records and achieve compliance without the burden of penalties. We strongly encourage all affected members to take advantage of this initiative and proactively address any outstanding transfer issues.

If you have questions or need assistance, please contact the Dogs West office for support. Together, we can ensure a smooth transition and continued adherence to our regulations.

Transfer (R11) Self-Assessment Program and Moratorium – Member FAQ

Helping you stay informed and supported during the compliance period

What does Regulation R11.1 say?

Regulation 11.1 states that:

"A seller shall be responsible to transfer the ownership of a dog when a dog is disposed. A completed transfer of ownership form to the new owner must be submitted by the seller to the Association within 90 days of change of ownership. Where it is agreed by the parties that the dog is to remain in the registered ownership of the seller, then a Non-Transfer agreement must be submitted by the seller on the approved form within 90 days."

When did this rule come into effect?

From **1 October 2021**, Dogs West members have been required to do one of the following **within 90 days** of disposing of a dog:

- **Submit a transfer of ownership** to Dogs West to place the dog in the new owner's name, **OR**
- **Lodge a Non-Transfer Agreement** (signed by both parties) if it has been agreed the dog will remain in the seller's name.

This requirement falls under **Section R of the Dogs West Regulations** and is aligned with **Part 6 of the Dogs Australia (ANKC) Regulations**.

The national rule change was passed by Dogs Australia in **February 2021**, with the following motion:

"Effective 1 March 2021, it is the breeder/seller's responsibility, when disposing of a puppy/dog, to transfer the ownership of the puppy/dog to the new owner."

Dogs West's implementation followed with effect from 1 October 2021.

Why is Dogs West offering the self-assessment program and moratorium?

Dogs West recognises that many breeders—especially those with high litter volumes—may have unintentionally fallen behind on their transfer paperwork since Regulation R11.1 came into effect in 2021.

The cost of correcting these issues, especially with accumulated late fees, could be significant and discouraging. This moratorium provides a **fair and supportive window** to help members get back on track **without the financial burden of penalties**, while still upholding the integrity of our registration system.

It's about education, transparency, and supporting members through a structured compliance reset.

Why should I participate? What's in it for me?

Participating in the self-assessment program helps you:

- Avoid expensive late transfer penalties
- Bring your prefix and records into compliance
- Demonstrate good standing with the Association
- Access support and flexibility (e.g. case-by-case help, payment plans, Stat Decs where needed)
- Avoid future compliance issues once the moratorium ends

It's a **one-time opportunity** to sort out past transfer issues in a way that's **manageable, cost-effective, and fully supported** by Dogs West.

Who is eligible?

- All Dogs West members who:
- Disposed of a dog between **October 2021 and April 2025** and have not submitted transfer or non-transfer agreements; and
- Voluntarily identify their own non-compliance.

What's covered by the moratorium?

The moratorium applies **only to breaches of Regulation R11.1**—specifically, overdue dog transfers or missing Non-Transfer Agreements for dogs sold **between October 2021 and April 2025**.

If you **voluntarily identify and correct** these issues between **1 July 2025 and 30 June 2026**, you will:

- **Not be charged late fees or penalties**
- **Not have a compliance case raised** against you for these specific breaches
- Be supported by Dogs West to bring your records up to date

The self-assessment program offers a **safe and supported way** for members to fix transfer issues without fear of disciplinary action, as long as they engage with the process in good faith.

What's not covered?

- Breaches charged before **1 July 2025**
- Breaches identified after **30 June 2026**
- Requests for refunds on past penalties or late fees

Do I need to notify Dogs West to be eligible?

Yes! **You must self-identify** your outstanding transfers or agreements. You can do this by:

- Submitting a Self-Assessment Request Form
- Submitting the correct forms within the timeframes stated in correspondence

What if I can't contact the new dog owner?

If you've made a reasonable effort to contact the buyer and have been unsuccessful, the CEO may approve a Statutory Declaration in place of the buyer's signature.

How will I know if I have uncompleted transfers?

Start by reviewing your own records—look back at all dogs you've sold or rehomed since **October 2021** and check whether a transfer or Non-Transfer Agreement was submitted.

If you're unsure, **Dogs West can help**. Members will be encouraged to **submit a Self-Assessment Request Form** to access their current animal records. Once submitted, we'll provide a list of all dogs **still registered in your name**. You can then compare this list to your own records to identify any dogs that may need to be transferred or covered by a Non-Transfer Agreement. This simple process ensures you're not left guessing—and gives you a clear starting point to get up to date.

I have many outstanding transfers—can I get help?

Yes! Dogs West is offering case-by-case support to members with complex or high-volume compliance issues. Just reach out—we're here to help.

I don't have time to contact Dogs West—what can I do?

We understand that breeders are busy, and managing administrative tasks can be time-consuming. To help, **Dogs West now offers an Authorised Person Application Form**.

If you're short on time, you can **nominate someone you trust**—such as a family member, co-breeder, or kennel manager—to communicate with Dogs West and assist with your R11 Self-Assessment on your behalf.

By completing the form:

- The authorised person will be allowed to request records, receive updates, and help manage your transfers.
- You retain full responsibility, but they can do the legwork for you.

This is a great option if you need support or simply don't have the capacity to manage everything directly right now.

How to apply: You can request the **Authorised Person Application Form** from the Dogs West office or download it from our website here.

Let us help make compliance as smooth as possible—for you, and with you.

How much does it cost to transfer a dog? Are payment plans available?

The **standard transfer fee is \$47 per dog**.

Dogs West understands that for some members—especially those with a backlog of transfers—this cost can add up. That's why **payment plans will be available** for members participating in the Transfer (R11) Self-Assessment Program.

If you need a payment plan:

- You'll need to arrange it with Dogs West before **30 April 2026**.
- The plan must be **paid in full by June 2026**.
- Payment plans are **only available during the moratorium period** and must be approved case-by-case.

Important: Members who do not meet the terms of their payment plan will be in breach of Regulation **A11.4**, which states that:

- Members who fail to settle outstanding balances (excluding subscription fees), or
- Default on agreed payment plans, will have **three months** to settle the account before **membership privileges are suspended** until full payment is made.

We're here to help—please contact the Dogs West office early if you'd like to discuss a plan that works for you.

2025/26 Fee Update – What's Changing and Why

Each year, Dogs West reviews its fees to ensure the organisation remains financially sustainable while continuing to deliver services that benefit our members and clubs. The updated fees for the 2025/26 financial year will take effect from **1 July 2025**.

Thanks to successful cost-saving initiatives and new partnerships during 2024/25, we've been able to **keep most fee increases to a minimum**, and many fees remain unchanged with only Dogs Australia fee increases passed on where applicable.

Highlights for Members

- **Establishment Fee reduced** to \$35 (was \$60), now including Juniors and Handlers
- **Late fees standardised** at \$55 (Late Transfers remain at \$35/month)
- **New Escalation Fee** (\$80) for paperwork errors that result in compliance action
- **Simplified advertising** in Canine News – Club Notices are now free for meetings

Highlights for Clubs

- **Ground Hire with Lighting Restructure:**
Lighting is now automatically calculated based on booking time and season—no lighting forms required.
- **Sanctioned Event Levy (With Lighting):**
Replaces the previous flat lighting fee. Now applies to *any event using lighting*, regardless of time of day.
- **Pre-Event Storage Fee:** \$35/day (max 30 days), available by request

Looking Ahead

We're continuing to explore new income streams, including e-commerce options, new sponsorships, and regular facility hirers. We're also reducing paper-based systems by expanding digital tools and membership cards—saving over \$15,000 already.

A full list of 2025/26 fees is available on the Dogs West website.

If you have any questions, please don't hesitate to contact the office.

ROYAL CANIN® STATE DANCES WITH DOGS CHAMPIONSHIP 2025

This event had everything—great music, dazzling costumes, stellar routines, and a fabulous variety of brilliant dogs. What more could you ask for? Well, not only did we have the incredible support of ROYAL CANIN, but we were also joined by HARVEY NORMAN, DENVER DESIGNS, and the DWD Club of WA, all of whom contributed to making the trophy table absolutely spectacular!

From the support of the staff at Dogs West and Penny Kelly head of the State events, Bevan the groundsman, my awesome committee plus Paul Skewes on music, the event started on a high and just kept going, the comradie was first class and every dog that set his paw into the arena shone.

Of course events cannot happen and prizes cannot be given unless we have judges and thank-you to Valeta Pethrick, Honey Gross-Richardson and Cheryl Bedggood for bringing your expertise to the event and looking fabulous

Some special mentions for this superb day Winning TOP SCORE IN EVENT award donated by Denver Designs was Jill Houston with OB GR CH FS GR CH HTM GR CH R CH Noblestarzz Chase the Ace fabulous routine set to Thriller.

Winning the Rising Star Award donated by Karren McCluskey and DWD Club of WA was Cat Mews with her TRI NEUT GR CH (T)(TS) Winpara Delta.

So many great routines but all the dogs entered in the Advanced Freestyle gained a qualifier, I think this may be the first time this has happened and the quality was unbelievable.

It was a great day made special by the people that attended, well done one and all and see you all next year.

For the love of dogs

[Join Dogs West](#)[Find a Breeder](#)

Here's what you can look forward to:

Information That Educates and Inspires

We're putting more emphasis on the value of purebred dogs, responsible breeding, and canine health and wellness — with a stronger public education section to support our advocacy goals.

Tailored Resources for Our Members

Whether you're a breeder, exhibitor, club, judge, or Dogs West committee member — you'll have direct access to information, tools, and resources tailored to your role.

Smarter Forms = Less Stress

No more guesswork! Our intelligent online forms will guide you through the process to help ensure submissions are completed correctly the first time — reducing back-and-forth and saving on additional fees.

E-Commerce and Online Services

You'll be able to pay for services online via the Members Area under "Forms and Fees." A smoother experience from start to finish.

Find Your Events Faster

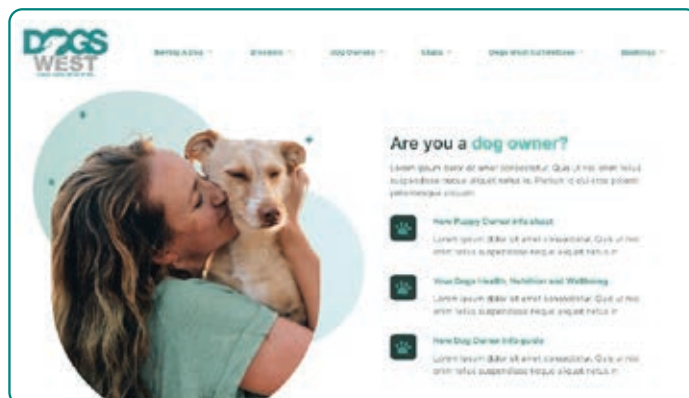

Our updated events calendar will be easier to search, filter, and navigate, making it simpler to plan your weekends and support your clubs.

Simplified Facility Hire

Clubs will be able to book and pay for facilities online — streamlining the process for club committees and the office alike.

We know how important it is to keep our systems up-to-date and user-friendly. This upgrade reflects our commitment to improving service, supporting our members, and promoting the benefits of purebred dogs and responsible ownership.

Stay tuned — we'll keep you updated as we roll out these changes. Thank you for being part of the Dogs West community!

Protect your pet YOUR WAY

Life can be unpredictable, but protecting your pet's health shouldn't be. Choose from three PD Insurance pet plans and enjoy a flexible month-to-month payment option for greater peace of mind. That's pet insurance you can depend on, with no lock-ins and no long-term commitments.

Choose from **three plans** to suit your pet and your pocket:

Accident Plan

Our most affordable and simplest pet insurance policy. This plan covers the basics, which includes accidents and third party liability benefits.

Classic Plan

The most popular PD Insurance policy, this covers everything in the Accident Plan plus treatment for illnesses and has a higher annual benefit limit.

Deluxe Plan

Our most comprehensive plan, this covers everything in the Classic Plan as well as dental. Plus it has a much higher annual benefit.

Life's full of surprises. When your pet experiences accidents, illness or dental needs (depending on your selected cover), pet insurance can help you focus on them rather than the vet bills.

Note: after the bitch's seventh birthday. **(07/18)**

2.22.2 Extenuating Circumstances

2.22.2.1 A member may apply to Dogs West for permission to mate a bitch over seven years of age. The application is to include:

- a veterinary certification of fitness for further breeding issued in the last **30** days
- the positive identification of the bitch – microchip
- reasons for the need for a litter from a bitch of this age

2.22.2.2 The member must have obtained written permission **PRIOR** to mating the bitch

2.22.2.3 The permission is valid for a period of six months – after this permission must be re-applied for.

2.22.2.4 Under no circumstances will permission for a further litter be granted. **(04/17) (11/22)**

2.23 First generation (father/daughter, mother/son, brother/sister) matings are not permitted. ANKC Ltd Member Bodies will not register the progeny of father/daughter, mother/son, brother/sister matings on the Main Register unless application was made to the Member Body and approval was given prior to the mating on the basis of health or genetic reasons to the benefit of the breed.

Any breach of this regulation will constitute an offence by the member(s) who are the owners of the sire and the dam of the litter.

The progeny resulting from such a breach will be registered on the Limited Register and endorsed 'never to be upgraded' and any further penalties as may be determined by the member's Member Body. Refer ANKC Part 6 – 8.4 **(Added 10/10, Amended EAP 12/14)**

2.24 A member shall not permit any of that members' ANKC Pure Bred Registered dogs, without prior approval from the Association, to be used in any mating which would result in a litter being ineligible for registration on the ANKC Register. This includes

- 2.24.1 To a dog of a different breed
- 2.24.2 To a cross bred dog
- 2.24.3 to a non ANKC registered dog of the same breed or
- 2.24.4 to a dog not on the ANKC Main Register
- 2.24.5 a mating not in compliance with R2.1. **(04/21)**

2.25 Breaches of Regulations 2.18, 2.19, 2.20, 2.21 and 2.22 are considered to be a serious breach of the Code of Ethics. For that reason, offences in relation to each of the separate regulations will be considered cumulatively in applying penalties to the Registered Breeder/Member.

Any puppies not registered on the Main Register are to be registered on the Limited Register with the endorsement 'Not to be upgraded to Main register'. **08/11, 04/13**

2.26 A member shall take responsible action to reduce the incidence of hereditary diseases in accordance with the ANKC Code of Practice for Hereditary Diseases.

2.27 A member shall not, within Australia, sell or otherwise transfer from that member's care any puppy under eight [8] weeks of age without the approval of the member's Member Body.

Puppies are to be microchipped and vaccinated prior to leaving the Member's care.

2.28 A member shall not export a puppy under the age of eleven [11] weeks, or such greater age permitted under the livestock import requirements of the country to which the puppy is being exported.

2.29 A member shall not knowingly sell a dog to any person residing in an overseas country known to be involved in the utilisation of dogs for the meat trade without first satisfying the member's Member Body that the purchaser is a member of an ANKC recognised canine controlling body in the overseas country. The member and purchaser must further acknowledge in writing to the member's Member Body that the intention of the sale is for the improvement of the quality of that breed in the overseas country, and not for any other purpose.

2.30 A member shall ensure that persons acquiring dogs from that member understand the requirements for the care, welfare and responsible ownership of the dog, and that they have the time and facilities, e.g. adequate fences, sufficient room and proper shelter, to fulfil their responsibilities.

2.31 A breeder shall be expected to maintain reasonable contact with the purchasers of dogs from that breeder and to offer continued advice and reasonable assistance.

2.32 A member **must** register all puppies bred by that member that are living at the date of registration. Such registration must include all living puppies from the litter on the one litter registration application form and must be applied for within six [6] months of the date of whelping.

2.33 A member shall provide to all recipients of dogs sold or otherwise disposed of by that member, written details of:

2.33.1 The breed characteristics;

2.33.2 Current Vaccination certificate signed by a Veterinary Surgeon evidencing that the dog has been immunised against Canine Distemper, Hepatitis and Parvo Virus

2.33.3 Microchip number verification – transfer is the responsibility of the vendor in accordance with R19.

2.33.4 Responsible dog ownership information; and

2.33.5 All documentation required by the member's Member Body, including-

2.33.5.1 a written receipt clearly stating whether, in accordance with R11.1, the dog is to be transferred to the purchaser or a Non-Transfer Agreement executed. **(05/22)**

2.33.5.2 any other conditions of sale and/or agreements **(04/17)**

2.34 A member shall not incorrectly describe nor knowingly misrepresent the characteristics of a breed.

2.35 A member shall ensure that all dogs sold or disposed of by that member are in the best possible state of health. Where a dog with a health issue or disability is disposed of the member must obtain from the recipient written and signed acknowledgement of the condition of the dog.

2.36 A member shall not:

2.36.1 Sell or dispose of a dog to a commercial pet wholesaler or retail pet shop. Nor shall a member's dog/s be advertised, displayed or sold on commission by a commercial dog wholesaler or retail pet dealer. **[07/15]**

2.36.2 Allow a dog owned by that member to be given as a prize or donation or to be auctioned.

GENERAL

2.37 A member who provides or makes available a dog for use in a film, advertisement, promotion, or any media or public display must ensure that:

2.37.1 The dog is portrayed in a manner consistent with its breed characteristics and temperament as described in the Standard for that breed; and

2.37.2 The dog is presented in a manner that is unlikely to create a negative reaction to dogs generally or that breed in particular and that if there is any likelihood of a negative impression, this is at the same time corrected through the development of a story line that presents the dog or breed in a balanced manner.

2.38 A member shall oppose all activities which involve cruelty to dogs or in which dogs inflict damage on other dogs or other animals excluding the hunting of vermin.

2.39 A breeder must include their ANKC Ltd Member Body Membership Number in any advertisement for puppies whatever the media and all members must include the following wording in their advertisements:

"Please contact Dogs West on email: k9@dogswest.com to verify my membership."

2.40 A member shall not use or cause to be displayed, in any form or in any media, their Dogs West membership number in relation to any progeny, real or planned, from a dog not on the ANKC MAIN register. **(06/20)**

2.41 A member shall not declare, make or infer any relationship, in any form or in any media, between their membership of The Association, The Association and any dog not eligible for entry onto an ANKC register. **(06/20)**
